

C904 Critical Time

Wu Tian watched them eat in the cupboard and suddenly felt even hungrier ...

He didn't even take a single bite of it, but it was all eaten up by Tian Ling.

"It's quite tasty. Where did you find this restaurant? Please recommend it to me later!"

Satisfied with her meal, Tian Ling leaned against the edge of the chair and stroked her belly.

Tian Zui seemed to hate her and didn't even give her a good look.

"Are you alright ..."

"Why do you have such a bad attitude? Why can't I come and play with you?"

Tian Ling's face was full of smiles, as if she was already accustomed to this kind of thing.

However, on the other side, Wu Tian was not that happy.

Tian Zui and Wu Tian both hoped that this guy would leave quickly...

After all, if she stayed here for a second longer, the possibility of Wu Tian being found would increase a lot.

Tian Ling seemed to have thought of something as she suddenly frowned.

"Aren't you usually alone there? Why did you order two takeouts today?"

It was only after Tian Ling had finished eating that she realized something was wrong.

Tian Zui's eyebrows twitched, but he remained calm.

"I want to order a few takeouts, what can you do about it? I need your approval, I just want to order a few more at a time, you know that I'm too lazy to go out usually ..."

Tian Zui casually mentioned a reason and didn't take this matter to heart.

But she was not so easy to fool. She was a girl, especially in this aspect.

"That's not right. You're not that kind of person. It's very rare for me to see you ordering take-out food. You can store food. I've known you for so many years, so when did you do this?"

Tian Ling felt that Tian Zui must be hiding something. Otherwise, he wouldn't have done such an abnormal action.

"Just what are you trying to say ..."

Tian Zui's attitude made her more curious.

Tian Ling didn't answer Tian Zui directly. Instead, she stood up and started wandering around the room.

She looked around every corner with interest, occasionally pulling open some hidden places to look around.

Wu Tian's heart was about to jump out... How did things turn out like this?

He didn't even dare to breathe loudly, afraid that she would notice.

"Are you hiding something here?" Or are you hiding someone here? "

Tian Ling suddenly walked to the wardrobe. Wu Tian was hidden inside the wardrobe. She didn't open the wardrobe, but leaned against it and looked at Tian Zui with a smile.

Wu Tian swallowed a mouthful of saliva. She wanted to confront him. All she had to do was open the door.

Tian Zui frowned and his face became extremely ugly.

"Tian Ling!" What are you trying to do? You've been searching around my house the moment you came in, did you get my permission? "

As if hearing Tian Zui's voice made her feel unhappy, Tian Ling's temper started to rise.

"What is it? What other permission do I need? "

Tian Ling suddenly started an argument with Tian Zui. For a moment, the atmosphere outside became awkward.

"Don't keep playing dumb in front of me. Do you really think I'm giving you face?"

Tian Zui couldn't care less at this time. He didn't plan to leave any face for Tian Ling.

Hearing him say that, there were even a few tears in Tian Ling's eyes. It was as if she felt sad for Tian Zui.

"You ... How can you say that! Don't you know what I've done to you over the years? "

Wu Tian, on the other hand, felt that something was wrong between the two of them ...

It always made people feel that something was not right, not like the conversation between two normal people.

"Why are you still talking about that now?"

Tian Zui was still as cold as ever, as if he was an emotionless robot and didn't care what she was talking about.

"Alright, I finally understand what kind of person you are! Since you're so secretive, there must be a problem! "

After saying that, she turned around and was about to open the cabinet door.

Wu Tian was already prepared to be discovered. If she was discovered, with her strength, she could instantly take Wu Tian's life.

At that time, not only him, even Tian Zui, the person who saved his life, would be implicated.

With a creaking sound, the cabinet door was opened. Wu Tian had already closed his eyes, not daring to face what was going to happen next.

However, the sound of someone falling on the ground came from the entrance of the cabinet ... No one tried to threaten Wu Tian.

He slowly opened his eyes and suddenly found that Tian Ling had collapsed in front of the cabinet door.

Tian Zui was standing behind her with a hand gesture of a knife.

It seemed like this guy had knocked Tian Ling unconscious, so Wu Tian didn't expose himself at the last moment.

"Stop looking, hurry up and pack up!"

Tian Zui couldn't care so much anymore. He put her on the bed and said to Wu Tian.

Wu Tian also knew that it wasn't safe here. If he continued to stay, others might find out.

"Alright, but you have to be careful!"

Before he left, Wu Tian did not forget to leave behind these words to Tian Zui.

Tian Zui didn't say anything else and just agreed. His eyes were still on her.

Although his words were decisive, his eyes were filled with tenderness. One couldn't help but have endless fantasies about his past.

At this time, Wu Tian hurriedly left. Following the guidance of Loong Yun and the others, he easily found their car.

"President Wu, what happened?"

Loong Yun looked at Wu Tian's distressed expression and knew that something was definitely not right.

"Don't mention it, let's go quickly!"

Wu Tian quickly drove. On the way, he told them what happened.

Everyone in the carriage was extremely astonished; no one had expected that there would be so many stories hidden within the 11 Devils.

"From what I see, this Tian Zui should be the breakthrough point for us. If he can cooperate with us, then eliminating this 11 Devils shouldn't be a problem."

Su Cancan immediately came to such a conclusion. If it was as he said, it wouldn't be too big of a problem.

"Don't underestimate this 11 Devils. This Tian Zui is also very afraid of their leader Tiangaang Disha. I feel that this person should not be underestimated."

Wu Tian quickly reminded them. Towards the leader of 11 Devils, the things they knew were way too little.
