

Chapter 202 Unworthy

Chu Xiaoxiao and I found it incredulous, much less everyone else.

Lin Yue'er was volunteering to drink for Tsai Xiaobing!

Everyone was stunned and had to pick their jaws off the ground, especially the men who had been making eyes at Lin Yue'er. After a brief shock, they turned to Tsai Xiaobing, fury and jealousy shooting out of their eyes. If Tsai Xiaobing was any smarter, he would have been terrified by the power of those gazes.

"Yue'er, you're on such good terms with him. What kind of relationship do the two of you have?"

"Oh yes, he can't be your boyfriend. Haha, I don't believe it. He looks like he's unworthy of you."

Those women did not let up at all. They immediately made fun of Lin Yue'er.

I was worried. It was obvious to me that Lin Yue'er was helping Tsai Xiaobing out, but if the women kept pushing the issue, Lin Yue'er would save herself and stop helping Tsai Xiaobing.

I secretly called the manager over, hoping to end this boring birthday party. Urgh, I had said from the start not to invite this lot. Now a good birthday party was ruined.

Who knew that when I was just about to speak, Lin Yue'er spoke softly, "No relationship yet. It depends on Tsai."

This had the same effect as dropping a bomb into the crowd. Exclamations rippled across the tables as the news spread outwards.

Chu Xiaoxiao sucked in a breath. "Is this real or is she acting?"

"I don't know either. This reminds me of the time you helped me out." I sucked in a breath too.

Everyone's attention focused on the lucky bastard, Tsai Xiaobing. Their expressions varied between anger, jealousy, and disbelief.

The man of the moment gaped back. Of everyone here, he believed this answer the least.

"Alright, stop interrogating Tsai. I appreciate everyone coming for my birthday. The cake is here. Let's eat it."

Even though Lin Yue'er tried her best to change the topic, the crowd still discussed the matter among themselves.

I felt that Lin Yue'er was just helping Tsai out of a bad situation. No matter what, at least he would not be embarrassed.

After Lin Yue'er called for everybody to eat cake, Tsai Xiaobing kept sneaking glances at her. His feelings were written clearly on his face. He really liked her, but it was such a pity that they were from two different worlds.

This was my first time seeing such a carefree person like Tsai Xiaobing look so sad and lonely. He did not say a single word for the rest of the party.

When the party had ended and the guests had left, Chu Xiaoxiao spied Tsai Xiaobing standing alone. She wanted to go over and comfort him, but I stopped her.

"We Snow Leopards won't be defeated by such a small matter. Don't go. If you do, he'll probably act cute towards you. Among the Snow Leopards, he's the best at concealing his true feelings."

Chu Xiaoxiao wrapped her arm around my waist. "When I see him like that, it reminds me of you in the past and I can't bear it. Do you think you would have cried yourself to death if I hadn't saved you from your heartbreak?"

I slipped my arm around her and held her slim body tightly to mine. Through our thin layer of clothes, I could feel the warmth emanating from her body. It was an alluring temptation that made me almost lose control.

"Great lady warrior, can you save a man and finish what you started? I have a special wish, can you feel it?" I rubbed up against her, almost driving myself over the edge.

Chu Xiaoxiao blushed deeply and whispered in my ear, "You scoundrel, why are you aroused whenever and wherever?"

She should not have mentioned it. Once she did, I felt as if a fire had been lit within me.

It was a strange thing. When I did not think about it, I did not really care, but now that I had a taste, I thought daily about how to rid myself of my virginity.

I knew that Chu Xiaoxiao would be unwilling to do anything here. Not wishing to force her, I rubbed against her a bit more to take the edge off and calmed down.

She rolled her eyes in complaint and pushed herself away from me. "If you get aroused while we're driving along the highway, are we going to end up in a flaming wreck?"

"What should we do then?" I smirked.

Chu Xiaoxiao glanced around, then gestured to me to get closer.

My heartbeat soared as I moved my ear closer. I tensed up when I felt her flick her tongue against my earlobe, and she said, "Then I'll castrate you. Heehee."

Damn!

I kept my mouth shut after that. This woman teased me and I had set myself up for it. How unfair!

I was about to grab her and "punish" her when she suddenly gestured in a shushing motion at me.

"Look."

I pushed aside her long hair and lay my head on her shoulder. Breathing in her sweet scent, I looked in the direction she was pointing.

Lin Yue'er had placed her hands on Tsai Xiaobing's shoulders. He turned around and was surprised to see her.

"Yue'er, why ya still here? Ya haven't left?"

"I—I'm waiting for Captain."

When Tsai Xiaobing said that, I pulled Chu Xiaoxiao behind a wall. By the time Lin Yue'er glanced over, there was no one to be seen.

Then, Chu Xiaoxiao and I peeked around the wall to see the two of them sitting there and grinning at each other like fools. Neither spoke, and it made me want to threaten Tsai Xiaobing with a gun to make him say something.

They remained silent for very long. To our surprise, in the end, it was Lin Yue'er who spoke first.

"Thank you so much for today, Xiaobing. And thank you so much for the last time as well. If you hadn't protected me, I wouldn't be standing here. However, there's something I have to tell you..."

Tsai Xiaobing sighed deeply and gave her a smile that looked more like a grimace. "Ya don't need to say anything. I know what ya going to say. Ya going to say I'm a good person. I know, I've always been the good person ever since I was little."

His words matched his miserable appearance. I sighed to myself, this was a new low in being unlucky.

"Pft." To our surprise, Lin Yue'er smiled. "Xiaobing, how many times have you been rejected? You sound so rehearsed."

"Too many times. I've been rejected as many times as I've had a crush on someone. Yue'er, ya don't need to feel bad. I admit I do like ya. Ya really pretty and kind and sweet. I know I'm unworthy of ya. I'm really punching above my own weight."
