

## HIDDEN WIFE : BEST HUSBAND

### Chapter 2 - 2 - Relationship

Soo Yin only glanced at the check on the table without any intention to take it. She just looked back at Dae Hyun with annoyance.

"Take it! You definitely need it," Dae Hyun said quietly. He walked Soo Yin's direction and handed the check to her.

Soo Yin slowly walked backwards when Dae Hyun stood in front of her.

"I know you need money to pay for father's hospital fees," said Dae Hyun.

'Dad? Did I hear it correctly? Since when did he call my father with the word father?' Soo Yin grumbled in her mind, feeling so upset.

Soo Yin forced herself to reach out to the check while rolling her eyes. She looked at Dae Hyun for a moment but then immediately ripped the check to pieces. Then, she scattered the check bit by bit right in front of Dae Hyun's face.

"Didn't I give you a lot of money?" Dae Hyun asked loudly.

"I don't need your money!" Soo Yin shouted.

"Does daddy need hospital fees?" Dae Hyun lowered his voice, trying to quell his anger.

"So when did you become my father's son?" Soo Yin snapped. She spoke sarcastically.

"Soo Yin, your father is my father too." Dae Hyun tried to say it more gently.

"My father doesn't have a son, he only has me alone," said Soo Yin.

"Soo Yin, did you forget that you are my wife?" Dae Hyun asked while kneading his temples.

"Of course, I remember that I am the second wife of a five-star hotel owner in Seoul," Soo Yin said in a loud and strong voice. She looked at Dae Hyun with mocking eyes.

"Soo Yin, lower your voice!" said Dae Hyun.

"Are you afraid that someone will hear it?" Soo Yin asked with a sneer.

"I just don't want you to misunderstand. Don't be stubborn like this!" said Dae Hyun.

"You must be afraid if your first wife finds out this fact, right?" Soo Yin whispered in Dae Hyun's ear.

"That's enough, Soo Yin!" Dae Hyun had challenged his bottom line over and over again when he faced that girl.

"Calm down. I won't tell our secrets to anyone, because I also don't want my lover to know that I'm married," said Soo Yin.

"So you two are still in touch?" Dae Hyun asked in a slightly higher voice.

"Of course. We are not really married, so what's wrong with me still having a relationship with other people?" said Soo Yin.

"You are really— this girl...." Dae Hyun moved his feet to get closer to Soo Yin. He brought his face closer to the girl's face. Soo Yin stepped backwards, but her body had hit the wall.

Right now Soo Yin was trapped between Dae Hyun's burly body and the wall.

"Do you need me to prove that we're married?" asked Dae Hyun while he held Soo Yin's chin with his hand.

"Don't touch me!" Soo Yin struggled. She pushed Dae Hyun's broad chest with her hand, trying to get free. But Dae Hyun's body was too strong compared to her small body.

Soo Yin could feel Dae Hyun's breath on her face. Their faces were only centimetres apart. Soo Yin was really scared right now. She was afraid that Dae Hyun would do what he said.

Knock ... knock ....

There was a knock on the door.

Soo Yin could breathe freely because someone came.

"Get back to work again!" Dae Hyun let off his grip and took a few steps back from Soo Yin.

"I'll visit daddy tonight," said Dae Hyun then turned around and approached his oversized chair.

Soo Yin touched her right chest. Her heart was racing very fast even though she had intended to make Dae Hyun angry and then divorce her immediately.

Soo Yin rushed out of Dae Hyun's room. At the door, she ran into Manager Han. She just bowed and then immediately left.
