

HIDDEN WIFE : BEST HUSBAND

Chapter 9 - 9 - Afraid Of Caterpillars

Soo Yin finally found the exit door with difficulty after passing by each room of the house. She immediately went to the front yard, approaching a security guard who was on duty.

"Good morning, Miss," Said Chung Ho politely. Auntie Xia had already told and ordered him to stop Soo Yin, who was Dae Hyun's wife.

"Please open the door!" Said Soo Yin without preamble while putting her hands on her hips.

"I am sorry, Miss, please go back to the house," Said Chung Ho politely.

"I said, open the door!" Soo Yin shouted.

"Sorry, Miss, I can't do it. This is Mr Dae Hyun's order," Said Chung Ho.

"Where is the key? I'll open it myself," Said Soo Yin while holding out her palm in front of Chung Ho.

"Sorry, I can't, Miss," Chung Ho replied.

"What's the matter with all of you? Why are you so obedient to Dae Hyun?" Soo Yin shouted while hitting Chung Ho's body with all her power.

Luckily, Chung Ho had a well-built and muscular body because he used to work out. Soo Yin's punch meant nothing to him.

Chung Ho chose to remain silent when Soo Yin continued punching his body.

"Why are you silent?" Soo Yin shouted, irked.

Suddenly, there was a horn sound from outside. Chung Ho hurriedly opened the gate.

A Maybach entered the courtyard, which was Dae Hyun's car. He stopped the car right in front of Soo Yin.

Soo Yin immediately knocked hard on the windshield. She couldn't wait for the man to get out of the car.

"Dae Hyun, hurry up and get out!" Soo Yin shouted.

"Why are you screaming in the morning?" Dae Hyun muttered while pinching the area between his eyebrows. He immediately got out of his car.

"Take me home!" Said Soo Yin as she walked over to Dae Hyun.

"This is your house, so where are you going?" Dae Hyun asked softly.

"This is yours, not mine!" Said Soo Yin with great emphasis.

"Oh come on, you better take a shower first," Said Dae Hyun. He immediately carried Soo Yin's body.

Soo Yin fought Dae Hyun to let her go with all her power. But Dae Hyun just kept on walking upstairs no matter what Soo Yin did, who kept rebelling.

"Stop it, if you don't want us to fall down together!" Said Dae Hyun as Soo Yin continued to beat his chest.

"Put me down now!" Said Soo Yin angrily.

Dae Hyun brought her into the room and put her down on the bed. He then immediately unbuttoned his shirt quickly, removing the clothes from his body.

The short he used was the only thing left.

"What are you going to do?" Soo Yin shuffled backwards while covering herself with the blanket as Dae Hyun crawled to the bed.

Dae Hyun crawled closer to Soo Yin.

"Stand back! Don't you dare do anything to me!" Soo Yin shouted angrily.

"Who would mess you up? I just wanted to take the caterpillar on your hair,"
Said Dae Hyun in a flat tone.

He stretched out his hand to pick up the green fur stuck on Soo Yin's hair.

Soo Yin immediately brushed her hair roughly. She was terrified of caterpillars.

"Hurry up and throw it away!" Soo Yin shouted as she saw Dae Hyun was holding a caterpillar right in front of her face.

"Are you afraid of caterpillars?" Dae Hyun asked with a crooked smile.

"Dae Hyun, please throw that away," Said Soo Yin, whining.

"With one condition!" Said Dae Hyun with a wink.

"What?" Soo Yin asked with a sweaty face.

Dae Hyun approached his cheek closer to Soo Yin's face. He asked her to kiss him.

Instead of a kiss, Soo Yin hit Dae Hyun's face with a pillow.

"You bastard!" Said Soo Yin.

Dae Hyun threw the caterpillar away and then grabbed Soo Yin's wrists so she couldn't come off.

He approached his face back so that it was closer than before. Soo Yin could even feel Dae Hyun's breath.

She closed her eyes instead, not even daring to look at Dae Hyun.

"Come on, take a shower! Do I have to bathe you?" Said Dae Hyun while getting away from her face.

"I'll take a shower myself. You go first! Aren't you ashamed to just wear pants like that?" Soo Yin replied with a flushed face.

She then turned her face to another spot. She felt embarrassed when she looked at Dae Hyun's muscular body.

"Why should I be ashamed in front of my own wife?" Said Dae Hyun. He immediately stepped into the bathroom.

Soo Yin was relieved when Dae Hyun disappeared from her sight.

She was terrified that Dae Hyun would do something terrible to her.

She thought of how to get out of the house.
