Tam Meima. Welcome to the enclave. Mason, I must assure you here, you are to be surrounded by

vamps

yuxahem. She coughed lightly into her fist, sounding amused. Shall we saw to quickly put it. Here in

tave svanten væ call Brightsky, by the way, we share our space with many sinsenaturats Brichtsky is a
ueftoral who need it. Those such as yourselves.”

Tent my head to chase away any residual sensation of those d amn butterflies. Whattie hellare you
kong at Other sunematurals?”

Marxon Beanie murmured.

Eventhough!&toved and trusted her with my life. I ignored her.

I took anther step toward Melina.

“What others are you talking about? I know about him.” I gestured toward Greyson. “I know about
brids. Vampiress witcress You’re telling me there are others?”

Manon, Lame pented firmy and took my hand to force me to look at her.

Zane joined er mynthese. The two of them swirled their energies around me, but I w
thern artifiically one man duy and a responsibility to my mates and all three of my p
once wasn’t going to qe peame without some explaining.

“Let him speak stud tuil, mumang man with steel-gray hair.
