

When His Eyes Opened Chapter 1179

Chapter 1179

Avery lowered her head and did not answer.

“Avery, don’t be sad.” Tammy patted her back without further questioning and said, “I’ll take you to a big dinner. No matter what happens, you must believe that you can overcome all difficulties. In my heart, no People are stronger than you.”

“I don’t want to eat.”

“What if I don’t eat? Why don’t I order takeout!” Tammy took out her phone and said, “I’ve recently started trying to get pregnant. If you don’t eat, I will too.”

Avery: “If you are planning to get pregnant, ask Jun to quit smoking and drinking.”

“I told him. Now I won’t let him stay up late. It’s just a bit hard at night. I can’t sleep.” Tammy complained.

“It’s good to get used to it.”

“You’re right. It’s good to get used to it. Even if you and Elliot really broke up, don’t think the sky is falling. It has collapsed countless times.”

Tammy’s comfort made Avery unable to help laugh.

At the same time in Foster family.

Elliot’s sudden appearance shocked Mrs. Scarlet and Mrs. Cooper. They knew that he and Avery had a quarrel.

Elliot didn’t go home last night, and he didn’t call Avery, which is an obvious signal. Moreover, although he is back now, his face is also very bad.

Seeing Robert, Elliot didn’t show the gentle and loving smile as before.

“Sir, Avery waited for you for a long time last night.” Mrs. Cooper said anxiously.

Elliot’s expression was cold and his voice was stern. He said, “You can take good care of the children, don’t worry about other things.”

Mrs. Cooper immediately lowered her head.

Elliot strode upstairs.

In the evening, Avery went to the elementary school to pick up Layla.

When Mrs. Cooper saw her. Her eyes were a little dodgy.

After Layla went to Robert’s side, Avery walked up to Mrs. Cooper and asked in a low voice, “Is Elliot back?”

Mrs. Cooper nodded, then shook her head and said, “He came back at noon, and He didn’t even drink a sip of water when he came back and he will leave in a while.”

“What did Elliot do when he came back? Why didn’t you notify me? I have a question to ask him, and he is completely avoiding me now. If he is like this, how to solve the problem?” Avery whispered.

Mrs. Cooper understood: “I told him that you were waiting for him. But he...”

Having said this, Mrs. Cooper shook her head.

“Then what did Elliot do when he came back? ” Avery looked at the two children from the corner of her eyes.

Layla took Robert’s hand and wanted to lead him to the bathroom to wash her hands.

Mrs. Cooper said sadly, “Elliot only glanced at Robert, and didn’t even hold the child. After he came back, he went upstairs and took some things. I don’t know what he took.”

Avery, strode upstairs.

Elliot came back to get something?

If the two of them were to break up, what would Elliot take away?

Is it luggage Or important information about work?

Every time Avery took a step upstairs, her heart sank.

When His Eyes Opened Chapter 1180

Chapter 1180

Reaching the second floor, Avery first entered the master bedroom and opened his wardrobe. In the closet, there were basically no less clothes for him.

“Avery, Elliot didn’t come to pack.” Mrs. Cooper caught up and saw her standing in front of the closet, so she said, “He used a black bag to pack not many things.”

“Yes, daily necessities could be bought at any time. He didn’t need to bring these.” Avery closed the wardrobe door and walked towards his study room and asked, “Did he say anything?”

Mrs. Cooper: “Nothing.”

“Nothing?” Avery Didn’t dare to believe.

Mrs. Cooper said truthfully, “That’s not true. I told him that you waited for him until late last night, and he asked me to take care of the child and don’t worry about other things. Avery, all I can do is take good care of Robert. I can’t help you with other things.”

“Thank you very much for helping me take care of Robert. We will solve the matter between me and Elliot.” Avery walked to the door of his study and wanted to open the door.

Mrs. Cooper said and walked away immediately, “Then I’ll go downstairs first.”

Avery pushed open the study door and entered the study. She turned on the room light, and the room suddenly brightened like daylight.

On his desk, the clean and tidy notebook was there. The whole wall of bookshelves next to it did not any change. Perhaps what Elliot took away was what was in his safe.

She walked to his desk and saw his safe. She hadn’t remembered the password to his safe. He had written her a note with his safe code on it.

If Avery wanted to open his safe, just look for the note.

The note was supposed to be in the interlayer of her bag, but her feet seemed to be filled with lead and she couldn’t move at all.

What if it was confirmed that he had taken the contents of the safe?

His heart was no longer in this home, and she can’t stop him when he wanted to leave.

She sat down in his chair and couldn’t help thinking, what would happen to them if she happened to be home when Elliot came back at noon?

Will there be a heated argument, or will everything be said and then reconciled as in the past after countless arguments?

How she wished it was the latter.

In the dining hall.

Layla was sullen.

Avery had no appetite.

“Layla, are you happy at school today?” Of course Avery knew why her daughter was unhappy, but there was nothing she could do.

“Happy.” Layla said angrily, “Mom, is Dad working overtime again?”

“Well, he’s been busy lately.” Avery didn’t want her daughter to worry. If lying would make her daughter feel at ease, she would do it.

“Did Dad tell you that?” Layla pressed.

“Yeah. Layla, your dad was resting at home because he was on marriage leave. He used to be so busy at work. Actually, mom is also very busy with work, but with your Uncle Mike’s help, mom can go earlier and come back.” Avery explained patiently.

“Okay!” Layla didn’t doubt what her mother said, so she replied, “If my father is so busy every day, I would suspect that I don’t have a father. Tomorrow is the weekend. Does he have to work overtime tomorrow?”

Avery put down the bowl Chopsticks as her heart was even more uncomfortable.

On weekdays, she could lie to the child that Elliot had to work overtime, but what about weekends? How to cheat?

Avery changed the subject, “After dinner, Layla, let’s make a videocall with your brother. When you have summer vacation, mom will take you and your brother to Bridgedale.”

“Oh.” Layla lowered her eyes. Suddenly, bean-sized teardrops rustled down.

Seeing her daughter like this, Avery suddenly became confused. She got up from the dining chair and walked to her daughter:

“Don’t cry baby. Mom and Dad just quarreled. It’s not as scary as you think.”
