

When His Eyes Opened by Simple Silence Chapter 1892

Chapter 1892

Avery: “???”

Avery hurriedly finished breakfast, then went back to her room to sleep. But tossing and turning on the bed, she couldn't close her eyes.

She thought that Mike told her yesterday that Norah Jones was going to see 'Billy', and she didn't know what the specific situation was.

She picked up her phone and dialed Mike's number.

“Mike, Norah Jones's side, how did you arrange it? Didn't she say she wanted to see Billy on her own initiative?” Avery asked suspiciously.

“Well, we have already arranged to meet each other. I think Norah Jones will have a nightmare tonight. Hahaha!” Mike laughed and couldn't stop, “You don't know how exciting it is! Do you want to watch the surveillance?”

Avery: “You even recorded Surveillance!”

“Of course, if Norah Jones is dishonest in the future, I will release the surveillance and discredit her.” Mike sneered, “Don't forget that the Tate Industries is now in her hands.” Mike said.

“We gave up the Tate Industries voluntarily. No matter how the Tate Industries develops in the future, it has nothing to do with us.” Avery remembered that she told Elliot to stop meddling, and the Tate Industries is now Elliot's, so she doesn't Will be busy.

Mike: “That's what I said. It's not bad for us to keep her handle. Don't worry, as long as she doesn't act like a demon, I won't release the video. Do you want to watch it? If you want to... ..”

“No. I don't watch.” Avery was afraid that her eyes would be hot, “You tell me directly what happened.”

Avery: “I found a man with dwarfism...”

Dwarfism, as soon as the word came out, Avery's body was like an electric shock, and a numbness spread all over her limbs and bones!

Right! All right!

Elliot said that someone told him that her boyfriend was dwarfism, but Norah Jones was the one who didn't expect to tell him.

Elliot believed Norah Jones's words with confidence, otherwise he wouldn't have lost sleep all night and came to Avery so early.

Thinking of this, Avery took a deep breath.

"I asked that person to scare Norah Jones, but I didn't expect Norah Jones to be very courageous! Even if it's an old man with dwarfism, even if that person looks ugly, Norah Jones doesn't mind! This woman, in order to gain the upper hand, will do whatever she can. It's too awesome. That's it!" Mike spoke highly of Norah Jones.

Avery only met Norah Jones once.

Norah Jones gave her a very rational feeling.

So what Mike said did not surprise Avery.

"So I brought some pets such as lizards, pythons, mice, etc., and asked Norah Jones to serve these pets... She was quite afraid, but she still wanted to try to please Billy, and finally the python entangled it. She broke her body and scared her to wet her pants hahaha!" After Mike finished speaking, Avery's face became extremely gloomy.

Avery was once threatened with pythons by Elliot's subordinates. So she especially hates using this method to scare people!

Avery: "Mike, don't do this again!"

"Norah probably won't come here again." Mike heard her angry tone, so he restrained his smile, "She asked for it by herself. If she doesn't take the initiative to hook up.... .."

"I know. But don't treat people like this in the future!" Avery said, sitting up from the bed, "Has Hayden gone home?"

Mike: "Not yet! Do you have anything to do with him?"

Avery: "It's nothing. I'm just worried about his body."

"Oh, don't worry, I'll tell him. Avery, just wait for Hayden to surpass Elliot!" Mike was full of confidence, "By the way, after Elliot heard that you were in a relationship, Is there any reaction?"

When His Eyes Opened by Simple Silence Chapter 1893

"Thanks to you, Elliot now thinks I've found a boyfriend with dwarfism. He came to me early in the morning and had a fight, and he just left." Avery talked about this, and his anger came up again .

In addition to being angry with Elliot, he was also angry with Mike.

Mike was too assertive this time. If he continues to inflate like this, Elliot will definitely be able to find out the true identity of the dream maker's boss soon.

And Hayden wanted to wait for the Sterling Group, which completely surpassed Elliot, to reveal his identity to Elliot.

"No, it's none of his business what kind of boyfriend you're looking for. What's he excited about?" Mike laughed, "Norah Jones shouldn't use fake Billy's information to find Elliot for a reward of 100 million? Haha!"

"Mike, calm down in the future, and stop doing such messy things. Even if Norah Jones finds him again in the future, you can just ignore her." Avery said, "I'm going back to Aryadelle this time to find a little girl. You have caused me so much trouble now, and my head hurts."

Mike: "You will definitely be unable to avoid facing Elliot when you return to Aryadelle. If you have a headache, he will have an even more headache. If you don't force him, how can he act? "

Avery: "His action is to fight with me as Chad fights with you every day. I don't see if you will say such nasty things."

"Can this be the same thing? The two of you have too many problems. It's gone." Mike has his own theory, "I know you want to escape, but it's shameful to escape. Elliot made it clear that he wants to continue the relationship with you but you seem hard-hearted, but you are actually soft-hearted. I urged him to act quickly. This is to add fuel to the fire for you. Of course, if he is not on the road, then you can pursue your own happiness as soon as possible."

Avery sneered: "F*ck your heart! If we are not together, you will be able to spend your whole life in peace."

Mike: "I didn't bother you! I am doing it with my hands..."

Avery: "If you raise your hand again, be careful that I will chop off your hand."

Mike: "..."

After talking on the phone, Avery lay on the bed, staring at the ceiling in a daze.

Elliot's sullen expression and the words Elliot said appeared in her mind.

The bodyguard told her that most people don't want their ex to be well. Hope your ex is doing well, either because you are doing better than your ex, or you still have thoughts about your ex.

The bodyguard believed that Elliot belonged to the latter.

However, what Elliot said was really irritating.

Besides, he believed Norah Jones's words so much, which made her panic.

When Elliot drove home, Mrs. Cooper immediately walked up to him: "Sir, why did you go out so early today? Have you had breakfast? It's just ready."

Elliot was full of Avery.

But seeing his son sitting in the children's dining chair and eating breakfast obediently, he felt unhappy and was immediately suppressed.

He walked up to his son, touched his head, and sat down in the dining chair.

Mrs. Cooper brought breakfast to him. Seeing that Elliot was not looking well, she asked, "You didn't rest last night, did you? Is it because Avery found a boyfriend?"

"Well." Elliot held up the milk glass, took a sip of milk, "I was told that Avery's boyfriend is not only ugly, but also dwarfism. I don't know why she is looking for such a boyfriend. If it was for money, then when she was with me, why didn't she ask me for money?"

Mrs. Cooper was shocked: "How could Avery find such a boyfriend? Impossible! It is absolutely impossible!"

"I went to question her just now, but she did not deny it." Elliot was questioning Before Avery, she was in the same mood as Mrs. Cooper.

But facts speak louder than words.

Chapter 1894

"This... how can this be done. If you find a boyfriend like that, it's better to make up with you!" Mrs. Cooper accidentally said what was in her heart, "Avery's condition is so good, even if the other party is so good. No matter how rich she is, but her body and appearance are not suitable, that's not acceptable. Layla is so beautiful, how can she accept such a stepfather?"

Elliot: "What if she only falls in love and does not get married?"

"That's even more incredible. Since if Avery is only in love, why doesn't she find a handsome man?" Mrs. Cooper questioned, "Sir, there must be a secret here! You can't watch Avery jump into the fire pit!"

Elliot: "..."

Elliot is embarrassed to say that he was kicked out by Avery this morning. He wanted to save her from misfortune, but she didn't appreciate it.

At noon, Tammy returned Avery's pink car.

"Avery, when are you going to bring your boyfriend to meet us?" Tammy came here today for this question, "Did your boyfriend miss you these days when you returned to Aryadelle? I know he must be very busy. But no matter how busy he is, he can't forget his girlfriend!"

Avery: "Tammy, this morning, Elliot came to me about this matter."

Tammy: "Ha? I thought I was active enough. I didn't expect Elliot to be earlier than me. Was he jealous and came to you to cry, hoping that you would change your mind and give him another chance?"

Avery: "..."

Tammy said and her brain circuit was simply insane.

It was not the first day that they both met Elliot. What kind of person is Elliot? Does Tammy really have no idea?

Avery: "Norah Jones told him that my boyfriend was short, ugly and disabled, so he came and scolded me."

Tammy: "What's the matter with Norah Jones? Why is she slandering your boyfriend because she can't see you well? Does Elliot have water in his head? Why does he believe Norah Jones's words?"

Avery suddenly wanted to know about Tammy's attitude: "Tammy, what if Norah Jones's words are true?"

Tammy: "!!!"

Tammy quickly got up from the sofa, ran to find a water glass, took a glass of water and drank it, then she patted her chest, slowed and slowed, and finally rushed to Avery.

“Short, ugly, and disabled?” Tammy slapped Avery’s face and asked loudly, “I don’t agree. Even if the two of you are only in love and not married, that won’t work!”

Avery pursed her lips, no say.

“Avery, what are you looking for for such a boyfriend? If you’re lonely, you might as well find Elliot to fall in love. Anyway, it’s just for use, not married!”

Avery: “...I’m not lonely. “

“Then you want your current boyfriend to be obedient?” Tammy wanted to understand what Avery was thinking, “Then why don’t you get a dog. My aunt’s Labrador, if you want to be more obedient, there will be Be more obedient! Not only obedient, but also good-looking! Do you want a dog? I’ll give you one.”

Avery: “...Tammy, thank you, I figured it out.”

Tammy: “What have you figured out?”

Avery: “It’s better to have a dog than to find a man. When I’m with Elliot, I have to see his face. If I have a dog, can the dog show me?”

Tammy laughed: “It depends on how you raise the dog. If you raise the dog too squeamishly, it will make you look like a dog.”

Tammy walked over to Avery and sat down, urging: “Give me the photo of your boyfriend. Let me see how ugly he is.”

Avery took a deep breath, picked up the phone, and opened the photo album——

Chapter 1895

“Where is it!” Tammy looked at the screen of her mobile phone and dared not blink, “It’s all Hayden’s photos! By the way, Hayden is already so tall and handsome?”

Avery said, “Well. His height is almost catching up with me. He looks more and more like his father.”

Tammy: “Haha, I see it. But I think Hayden is more handsome than Elliot. He combines the advantages of Elliot and yours.”

“Hayden is quite handsome, but he lives alone and doesn’t interact with his classmates very much. I’m a little worried that he won’t have friends when he grows up. Although

Elliot has a bad personality, But he has friends, and he has a good relationship with them.” Avery expressed her concerns.

Tammy: “It’s not a good thing to have many friends. After Hayden becomes famous, many people want to make friends with him. What kind of problem is this. I thought you were worried about him finding a wife in the future!”

“It’s too early to worry about this problem now.” Avery picked up the kettle and poured herself a glass of water, “Why didn’t you bring Kara here?”

Tammy said, “My mother took her to the kindergarten today. I want Kara to come with her. Robert has a kindergarten, so there is someone to take care of! But my mother thinks that Robert’s kindergarten is far away from our home. So I want to see more kindergartens.”

“Your mother’s worries are normal. Robert is working in middle school now. Now, Kara goes to a small class, even if they are in a kindergarten, they are not in the same class, why not let Kara go to a kindergarten close to home. This way, it is convenient to pick up and drop off, and the children can go to the school immediately if they have any problems.” Avery suggested.

“Well, my mother said the same thing. In the future, she will go to elementary school and let her share the same elementary school with Robert. Although they are not in the same class, but there is someone to take care of them, so I can rest assured.” Tammy is only such a daughter, so she can’t worry about her.

Avery understood Tammy’s mood.

“Hey, aren’t we talking about your boyfriend? How come you’re off topic!” Tammy took her mobile phone and flipped through many photos, but she didn’t see her so-called boyfriend.

Because her mobile phone was either pictures of flowers and plants, or pictures of Mike Hayden or herself.

There were no strangers at all.

“Didn’t you say you wanted to show me your boyfriend’s photo? Where’s your boyfriend?” Tammy asked.

“Where do I have a boyfriend?” Avery took the phone back. “That’s all you need to deceive other people. You believe it anyway.”

Tammy: “...”

Avery: "I've been studying for years, how can I have time to fall in love? As long as Elliot has a brain, he won't be fooled by Mike's words."

"Hey...I don't have a brain, because I believe it. What about Mike? That's it. How could he deceive people, even Chad." Tammy never imagined that everything was fake, "Why did Mike do this? Did he want to..."

"He wanted to be angry with Elliot." Avery said.

"Oh! Hahaha! Mike...I really like him. He did something that I wanted to do but didn't dare to do! What a great idea! It's so great!" Tammy stood up and gave a thumbs up, "Avery, don't worry, I promise not to tell your plan! Let Elliot feel uncomfortable hahaha!"

Avery: "This is Mike's plan alone, it has nothing to do with me."

"Since he thought about it. Let's cooperate with this method. Let's see what Elliot does in the future. You can just be a melon eater, watch the fun and eat melons." Tammy comforted her.

Tammy: "I'll eat my own melon?"

Avery: "I don't need you to do anything anyway. You can just wait and see. Do you want to go to Elliot and tell me that this is Mike's prank? He's still angry now."

Avery was silent.

It's true that Elliot is angry, and she is extremely restless right now. We'll talk about this after a while.

In the afternoon, in a high-end community.

Gwen has an exterior scene to be filmed here. She and another model shoot a promotional ad for a lingerie company.

Another model in the cooperation is Coco, a well-known model from Aryadelle.

Brother Hendrix instructed Gwen in advance to let Gwen cooperate with Coco.

Because of this cooperation, Gwen will be able to rub off on Coco's fame in Aryadelle.

Chapter 1896

Gwen rushed to the shooting scene after lunch. After making up and styling, She rested and waited in the simple rest shed. After a while, She heard someone talking on the phone outside.

“Coco is not feeling well? Why is she suddenly uncomfortable? Can she still come to shoot this afternoon? We didn’t shoot for long, at most two hours...Gwen came over an hour ago. I’ve been waiting here all the time.”

“No, I didn’t say that Coco is not dedicated to work. If Coco is really unwell, then of course I will not force Coco to work while sick. It’s just that we also have difficulties. Since we have made an appointment, it is not very good. There are so many staff here waiting.”

“Gwen...Gwen came back from abroad...she has won awards abroad. She has a good reputation abroad! Because our The underwear is going to be sold overseas, so I hired Gwen. I didn’t sell someone’s favor, I deliberately arranged an unknown model to cooperate with Coco.”

...

Gwen listened to the staff’s words. She already know what happened.

Coco disliked her not being well-known enough, and the coffee position was too low, so she was unwilling to cooperate with her.

But, in this case, why did Coco agree to this cooperation?

Signed the contract, took the deposit, can you push again?

At least Gwen would not do such a thing.

Gwen felt uncomfortable for a while, wondering if the shooting in the afternoon would go smoothly. It was hot and stuffy here, which accelerated the accumulation of negative emotions.

She turned on her phone, looking for someone to talk to.

Suddenly she saw the message Ben Schaffer sent her.

After the last quarrel, she has been ignoring Ben Schaffer.

But Ben Schaffer sends her several messages every day, asking her if she eats on time, whether her work is going well, and when she will rest...

She sometimes wants to reply to his messages, but she is reluctant to pampered and arrogant, wanted to test his patience.

Just when she was about to give Ben Schaffer a message, a staff member walked in and said, “Gwen, Coco will be here in about an hour. Let’s take some solo shots for you first!”

Gwen immediately put down the phone and quickly went to work.

An hour and a half later, Coco was long overdue. But she has done her makeup and done her styling. The staff brought the clothes to be worn to her. She took over the clothes, but her eyes fell on Gwen.

“You are Gwen, right? I checked the competition you participated in abroad, but it was just a small competition. Just like that, you are too embarrassed to brag about your achievements abroad. It really is a big forest, and there are all kinds of cheeky birds. “

Gwen felt aggrieved in her heart, but did not dare to retort.

Because the competition she participated in abroad was indeed only a small competition. It was Hayden who spent money to hold a competition in order to promote her debut.

The staff member: “Sister Coco, although She’s not famous, The sponsor is still a bit famous. I heard that her sponsor is an executive of Sterling Group!”
