

When His Eyes Opened by Simple Silence Chapter 1896

Chapter 1896

Gwen rushed to the shooting scene after lunch. After making up and styling, She rested and waited in the simple rest shed. After a while, She heard someone talking on the phone outside.

“Coco is not feeling well? Why is she suddenly uncomfortable? Can she still come to shoot this afternoon? We didn’t shoot for long, at most two hours...Gwen came over an hour ago. I’ve been waiting here all the time.”

“No, I didn’t say that Coco is not dedicated to work. If Coco is really unwell, then of course I will not force Coco to work while sick. It’s just that we also have difficulties. Since we have made an appointment, it is not very good. There are so many staff here waiting.”

“Gwen...Gwen came back from abroad...she has won awards abroad. She has a good reputation abroad! Because our The underwear is going to be sold overseas, so I hired Gwen. I didn’t sell someone’s favor, I deliberately arranged an unknown model to cooperate with Coco.”

...

Gwen listened to the staff’s words. She already know what happened.

Coco disliked her not being well-known enough, and the coffee position was too low, so she was unwilling to cooperate with her.

But, in this case, why did Coco agree to this cooperation?

Signed the contract, took the deposit, can you push again?

At least Gwen would not do such a thing.

Gwen felt uncomfortable for a while, wondering if the shooting in the afternoon would go smoothly. It was hot and stuffy here, which accelerated the accumulation of negative emotions.

She turned on her phone, looking for someone to talk to.

Suddenly she saw the message Ben Schaffer sent her.

After the last quarrel, she has been ignoring Ben Schaffer.

But Ben Schaffer sends her several messages every day, asking her if she eats on time, whether her work is going well, and when she will rest...

She sometimes wants to reply to his messages, but she is reluctant to pampered and arrogant, wanted to test his patience.

Just when she was about to give Ben Schaffer a message, a staff member walked in and said, "Gwen, Coco will be here in about an hour. Let's take some solo shots for you first!"

Gwen immediately put down the phone and quickly went to work.

An hour and a half later, Coco was long overdue. But she has done her makeup and done her styling. The staff brought the clothes to be worn to her. She took over the clothes, but her eyes fell on Gwen.

"You are Gwen, right? I checked the competition you participated in abroad, but it was just a small competition. Just like that, you are too embarrassed to brag about your achievements abroad. It really is a big forest, and there are all kinds of cheeky birds. "

Gwen felt aggrieved in her heart, but did not dare to retort.

Because the competition she participated in abroad was indeed only a small competition. It was Hayden who spent money to hold a competition in order to promote her debut.

The staff member: "Sister Coco, although She's not famous, The sponsor is still a bit famous. I heard that her sponsor is an executive of Sterling Group!"

Chapter 1897

Coco: "I hate this kind of incompetent relationship the most. It's hateful to talk to each other and look contemptuous."

Gwen's cheeks flushed: "You can say that I have no strength, but you can't say that I am a relationship. I don't rely on my boyfriend."

Coco: "Boyfriend? Isn't it the gold owner?" he must be quite old, right? he must have a family, right? you are just a junior, and you talk like a real girlfriend!"

Gwen felt that her way of thinking was completely different from hers, even if she were theorizing, she would definitely The theory yields no results.

Besides, they were not familiar with each other, so Gwen didn't need to fight her for life and death.

As long as the work is completed, there may be no chance to meet again in the future.

Gwen strode away and came to the location to be filmed later.

After a while, Coco changed her clothes and the shooting officially started.

Although Coco was dissatisfied with Gwen, she did not provoke trouble after she entered the working state.

Filming lasted about an hour.

After work, the person in charge of the filming invited Gwen and Coco to have dinner together.

Coco wanted to refuse, but Gwen took the lead and said, "I have something to do at night, so I won't go."

Coco glared at Gwen.

Who is this looking down on?

"Since Gwen won't go, then I'll try to participate in the dinner!" Coco said, and got into the commercial car with her assistant.

As soon as Coco left, the person in charge immediately pulled Gwen and persuaded: "Gwen, don't take Coco's words to heart. You can see that although she complained, she still completed the shooting with you very well. Our boss chose You, it's definitely not because of your relationship with President Schaffer, but because Coco doesn't know the inside story, that's why she misunderstand. I'll explain it to her when we eat later."

Gwen said, "The filming is over, you don't need to explain to her for me. I don't need to explain to her either."

"Yes, that is your personal business after all. Today's filming can be successfully completed, thank you for your hard work. You are here at noon, how could I be so embarrassed to let you go without inviting you to dinner?" The person in charge strongly retained it.

Gwen couldn't shirk, so she could only agree.

Dinner at a high-end restaurant in the city center.

After the group entered the private room, they took their seats in order according to their status.

Coco sat in the main seat, and the person in charge sat beside her.

Originally, the person in charge wanted Gwen to sit on his other side, but Gwen refused.

Gwen sat down on the side, asked the waiter for a pot of water, and then started drinking.

“Gwen, which executive of Sterling Group is your sponsor? I only know Elliot of Sterling Group.” Coco raised her noble eyelids and asked Gwen.

“Who is your sponsor?” Gwen was very angry, so she didn’t care about anything else, and asked Coco rhetorically.

Now there are ten or twenty people sitting in the private room, and when Coco asks her this kind of question in public, it is simply to embarrass her on purpose.

Cocoa’s face suddenly turned the color of pig liver.

Everyone also showed panic.

Anyone who has known Coco’s struggle history knows that Coco became popular by strength.

Coco is tall and has a unique temperament, and has won international awards.

It’s just that she has a cold and arrogant personality, and if she doesn’t like it, she will be angry. But this does not affect her current influence in the modeling industry.

Chapter 1898

“Gwen! You are so ridiculous. Who is my sponsor? Who do you think my sponsor is?” Coco has never been questioned by anyone, so her mind turned around for a while, and she didn’t know how to reply.

“Who is your sponsor, how do I know? If you don’t ask me, how can I ask you? I’m not interested in you at all.” Gwen picked up the water glass and took a sip of water casually.

“Hehe, I’m not interested in you either, I’m just interested in your so-called boyfriend. Because I think you’re bragging and raising your own weight. Which serious executive

can look up to you?” Coco rolling her eyes at her, “Do you know Elliot? I ate with him before, and people of that kind of status don’t look down on ordinary women at all!”

Gwen chastised her: “It’s not normal for Elliot to look down on you. What? People like Avery, so save it!”

“Hehehe! When did I say I like Elliot? Do you think that a man like Elliot is in the sky? I don’t care about him at all” Coco Spoke nonsense.

“Oh...” Gwen saw her blushing with excitement, and didn’t want to continue to expose her little thoughts.

“What are you? What are you?! I hate others in front of me the most.” Coco raised her eyebrows, furious, “Elliot, a stingy man, whoever marry him will lose eight lifetimes of blood mouth. Avery divorced him, not only did he not get any benefits, but he even got all his own property. This is the first time I have seen such a superb man. Whoever treats him as a treasure will kneel and lick him Come on! I really don’t care!”

Gwen did not expect that outsiders would misunderstand Elliot so much. Even if there are misunderstandings, they are still talking loudly in public.

“I don’t allow you to say that to him!” Gwen shouted angrily!

Everyone present was stunned.

Before Gwen got angry, her image in front of everyone was quiet and gentle. Even when Coco belittled her face to face in the afternoon, she didn’t get angry. Now Coco is talking about Elliot, but it makes Gwen fry.

“What are you yelling!” Coco clapped the table and stood up angrily, “Are you going to fight? I said Elliot, but I didn’t say you, how excited are you? Or is it that your sponsor is actually Elliot?”

Gwen was so angry that her reason was gone, she picked up the water glass in her hand and splashed it on Coco’s face.

“You splash me? How dare you splash me! You’re going to die!” Coco opened the chair and strode towards Gwen.

A dozen staff members saw that the two were about to fight, and immediately went to persuade them to fight.

The person in charge quickly slipped aside, found Ben Schaffer’s number, and dialed it.

About half an hour later, Ben Schaffer came.

In the private room, the table was full of delicious food.

But no one moved the chopsticks.

The staff were divided into two groups, one group was holding Coco and the other group was holding Gwen to prevent them from fighting.

The person in charge persuaded Coco for a while, and persuaded Gwen for a while, so busy that her mouth was dry and her mouth was numb.

Seeing Ben Schaffer coming, the person in charge immediately pushed Ben Schaffer in front of Gwen.

“Mr. Schaffer, I really have nothing to do.”

Ben Schaffer grabbed Gwen’s wrist and looked at Coco coldly.

“You are Gwen’s gold master?” Seeing Ben Schaffer, Coco’s momentum decreased a bit.

Ben Schaffer has an extraordinary temperament, and the watch worn on the wrist is of great value. At a glance, everyone can see that Ben is either Wealthy or expensive.

“I know Gwen’s temper. She usually doesn’t quarrel with people, let alone fight with them. Tell me, how did you provoke Gwen?” Ben Schaffer’s tone sounded negotiable, but his eyes were cold.

Coco was indignant: “I...I just talked about Elliot... Who would have known that she suddenly became so angry! She’s sick!”

Ben: “Hehe, Elliot is her brother, who is she? Let you gossip in her face?”

Chapter 1899

In the private room, it was suddenly quiet. Silent!

Gwen didn’t expect Ben Schaffer to say this.

Before everyone knew about it, everyone said that she took over the job by relying on her boyfriend.

After everyone knows that she is Elliot’s sister, won’t they say again that she relies on Elliot?

Obviously not so!

She will not rely on Ben Schaffer, let alone Elliot.

In anger, Gwen quickly left the private room.

Ben Schaffer wanted to teach Coco a lesson, but when he saw Gwen leaving, he immediately chased her out.

“Gwen is Elliot’s younger sister?” Coco looked at the person in charge with a pained expression.

The person in charge frowned and looked surprised: “I don’t know! All I know is that her boyfriend is President Schaffer. I never heard that Elliot has a sister. Gwen’s manager didn’t tell us that she was Elliot’s sister. Ah!”

“Should Ben Schaffer lie to us?” Coco felt guilty. She already had the answer in her heart, and there was no need for Ben Schaffer to lie to them.

“Ben is always the big celebrity next to Elliot. He doesn’t have to lie to us about this kind of thing, right? Gwen may be Elliot’s sister. The news didn’t say that Elliot’s biological father was a man named White... .. cloud or something...” The person in charge guessed.

After he uttered the word ‘cloud’, everyone gasped.

Gwen is also surnamed White!

She and Elliot are indeed brother and sister.

“Coco, your attitude today is really detrimental to your image. And you talked about Elliot so much in the banquet just now. If Gwen goes back and complains to Elliot, then you are finished.” The person in charge gave Coco a deep look, “You hurry up. Apologize to Gwen! Otherwise, if this matter gets too big, maybe the commercials we shot today won’t be able to air.”

Coco’s face turned blue with fright.

It’s not scary to offend Gwen, what’s scary is that she said bad things about Elliot just now.

“Gwen has already left, where am I going to apologize to her?!” Coco has completely lost her appetite.

Coco took her bag and wanted to leave.

The person in charge: "You call Gwen...or her agent..."

Coco: "I don't have their number."

The person in charge: "I'll give you."

...

After Ben Schaffer chased Gwen, he pulled her into his car.

"Gwen, don't be angry. No one will dare to bully you in the future." Ben Schaffer helped her to the car and sat down.

Gwen glared at him angrily: "Who asked you to tell me about my relationship with Elliot? You're trying to make it difficult for me to work in the future, right?"

Ben: "Gwen, no matter where you work, it will be better if you have a backer. When you were in Bridgedale, Hayden supported you, so your work was smoother. Now in Aryadelle, I don't want you to be wronged."

"Don't you mean that no matter where I work, it depends on relationships." Gwen said and blamed him, but She felt that what Ben said is the truth, and She had no confidence to be angry.

"Do you think that Coco has nothing to do with it?" Ben Schaffer said, got into the driver's seat, and drove the car out, "Your brother and I will not bring you any substantial help, as long as you don't ask for help, Then your work is still up to you. You are not afraid of shadows, so you don't need to be angry about it."

"I'm annoyed listening to your babbling. When you're not talking, I find you more pleasing to the eye." Gwen glared at him again, "Where are you taking me?"

Ben: "You haven't eaten yet? Let's go to dinner."

Gwen: "I'm full of gas."

"Then I have to eat too. By the way, my parents plan to go back to Aryadelle for a while." Ben Schaffer gave her a careful look, "I told them before that we are in a relationship, so they want to see you."

Chapter 1900

Gwen's face turned red with a swish.

Gwen: "Didn't they return to Aryadelle yet?"

Ben: "They will arrive the day after tomorrow. I will discuss with you in advance, and you should not arrange work the day after tomorrow."

"Oh..." Gwen took out her phone and wanted to tell her manager.

As a result, the phone was turned on, and She saw a series of messages from her agent, Brother Hendrix:

[Are you Elliot's sister? ! You hide deep enough! Are you really here to experience life?]

[Gwen, I didn't scold you, did I? If there is, it is definitely not intentional. I am very optimistic about you, so I have high expectations for you.]

[Coco called me, crying and crying, saying that she wanted to apologize to you. when you see the message, give me a call back...and a message back...or you can call me back tomorrow.]

Gwen moved her finger on the screen: [I have something to do the day after tomorrow, so I need to ask for leave.]

Brother Hendrix: [No problem! So are you taking leave tomorrow? If you don't ask for leave tomorrow, then you can come to the company and we will have a good chat.]

Gwen: [Got it.]

Foster family.

Elliot made up a day's sleep at home.

When he woke up, it was completely sun set.

He came down from the upstairs, and the first floor was silent. He walked into the yard and asked the bodyguard, "Where are Mrs. Cooper and the child?"

The bodyguard replied, "There is an event at the nearby water park. Layla and Robert wanted to play in the water, so Mrs. Cooper took them there."

Elliot returned In the villa, looking at the empty house, his heart was infinitely desolate.

Thinking of the dispute with Avery at Avery's house this morning, his temples couldn't stop hurting.

Suddenly he wanted to drink.

Half an hour later, Chad came.

“Boss, I know you’re in a bad mood, but drinking hurts your health. You’d better drink less.” Chad was called by Elliot to accompany him.

Chad picked up the wine bottle and poured himself a glass of wine.

“Chad, I have promised Layla that I will bring Avery back. So I can’t give up.” Elliot had already had two glasses of wine before Chad came over. So his face was already drunk.

“Boss, even if you don’t promise Layla, you won’t just give up, right?” Chad saw that his glass was empty, so he poured him a drink.

Chad: “Norah Jones told me that Avery’s boyfriend has a big problem...Norah Jones, just listen to it. If Billy really has a problem, do you think Avery would not know or would mind, Is it? Besides, the two of them are only in love, and they didn’t say they want to get married. Maybe they feel inappropriate for a while, and then they break up.”

“Chad, I think I should take action.” In Elliot’s deep eyes, a dark light flashed, “I asked her to bring her boyfriend back for me to see, but she won’t. She has been back to Aryadelle for a while, but that man hasn’t come back with her, since the two of them are not together here now, then I’ll take Avery away.”

Chad put down the glass and looked at the boss with a look of surprise, unable to guess what the boss’s plan was.

“How to take it away?” Chad choked his throat, “Forcibly kidnapped? Boss, if you do this, Avery will definitely be very angry! You should calm down and think of a solution when you are awake.”

Elliot looked Chad coldly: “You think I’m drunk? I’m not.”

Chad: “Oh...Usually drunk people say they’re not drunk.”

“Billy pretends to be a ghost and pretends to be mysterious. I want to see if I can force Avery to show up if I take him away.” Elliot’s eyes were cold and cold.

When His Eyes Opened by Simple Silence Chapter 1901

Chapter 1901

Chad thinks the boss’s idea is good.

But looking at the look of the boss, He always thinks he’s going to screw things up.

Because Elliot looks like he's going to beat Avery or Billy. No matter who he beats, Avery will be angry.

"Boss, eat some food." Chad took the chopsticks and served Elliot with food, "Why didn't you ask Brother Ben to come and have a drink?"

After drinking a cup just now, Chad was already dizzy.

Elliot: "He's with Gwen."

"Oh... have they made progress?" Chad asked with concern, "I asked him last time, and he said there was nothing he could do with Gwen!"

Elliot said: "Gwen gave up foreign work for him and returned to Aryadelle to develop. What can change between the two of them."

"Yes! Gwen has already expressed her attitude. I'm really happy for Brother Ben." After Chad finished speaking, he saw Elliot's gloomy face. His smile suddenly disappeared, "Boss, how are you going to take Avery away?"

"I have my own way." Elliot already had a mature plan in mind.

Chad: "Layla and Robert haven't started school yet. If you disregard Avery's wishes and take her away..."

"In your eyes, I am so clueless?" Of course Elliot would not force Avery to take her away. Whether it was before or now, he has never been so reckless to Avery.

Chad: "No boss...I think you seem to be drinking too much..."

Elliot: "I'm not drunk!" Elliot's eyes were full of anger, "Go away! I'm not drinking anymore."

With a look of guilt on his face, Chad picked up the glass and drank it all in one go.

"Boss, let me accompany you for a drink. Why is there no one at home? Where is the child?" Chad looked around.

Elliot: "They went out to play."

"Why didn't they take you there?" Chad felt that the boss was left at home alone, so pitiful. No wonder he was drinking at home alone, "Why is Layla still so ignorant?"

If Elliot was a little drunk just now, he is now awakened by Chad's words.

“What do they take me to do when they go to the water park to play?” Chad said with an embarrassed ‘oh’: “When are you going to take action? Do you need my help?”

Elliot: “Help.”

Chad was even more embarrassed, “Boss, in fact, I really want you and Avery to be together. If I were a magician, I would definitely use all my red threads to tie the two of you together... .. No matter who comes, it can be solved.”

Elliot: “...”

After hearing Chad’s words, Elliot wanted to drink again.

An hour later, Mrs. Cooper took Layla and Robert home. As soon as she entered the living room, she smelled a faint smell of wine.

Layla rushes towards the dining room and sees Dad drinking and Uncle Chad lying on the table, seemingly asleep.

“Dad! What are you doing?” Layla walked over to Dad, staring at his blushing face, frowning, “What are you drinking for?”

Elliot didn’t actually drink much.

After opening a bottle of wine, Chad drank three glasses and poured it.

Elliot intends to finish the bottle of wine.

Because he made a phone call in the middle and answered another call, it took a little time.

Elliot racked his brains, thinking of a reason, “Uncle Chad came over to eat, so I’ll accompany him to drink a little.”

Layla’s frowning brows stretched out: “That’s it! Yes! What are you happy about? Uncle Chad is happily drinking.”

Elliot: “Well. Your Uncle Chad is about to go on vacation.”
