

When His Eyes Opened by Simple Silence Chapter 1929

Chapter 1929

Avery took Elliot, walked aside, and whispered, "I have seen the woman. The last time I came to Yonroeville, she told me that Haze was sold to Aryadelle."

"There is no evidence that Haze was sold to Aryadelle. She may have lied to you." Elliot replied in a low voice.

"Why did she lie to me? Since she knows the corpse pit, it shows that she really knows a lot of things..." Avery said, "She should have recognized me too. She told me about Haze's News, in exchange, she asked me to give her euthanasia drugs, but I didn't give it in the end, she must hate me."

Elliot glanced at the woman.

The woman looked in Avery's direction with hatred on her face.

"Why don't you go out first and I'll chat with her." Elliot said to Avery.

"Okay. You can decide. If she doesn't want to say anything, then forget it." Avery said this because she felt that she had already asked the woman the answer she wanted to know.

After all the bones in the corpse pit have been tested for DNA, if there is no bones of Haze, then continue to go back to Aryadelle to find them.

After Avery went out, the door was closed.

Elliot sat down opposite the woman.

The woman said vigilantly, "You two are in the same group. She lied to me before. She was embarrassed to talk to me, right?"

"You asked her for a large dose of sleeping pills, how would she give you? Euthanasia in Yonroeville is illegal." Elliot explained to Avery.

"Then why did she agree to me? You went back on her word, and you defended her! You two are indeed the same people!" The woman blushed with excitement, "Why are you two coming to me?"

"We want to ask you if you know the whereabouts of our daughter Haze. You told her last time that Haze might be in Aryadelle." When Elliot said this, the conversation changed, "You're lying to her, right? When I took down your gang, I asked all the people

in your gang. And I gave a huge temptation, and I didn't ask my daughter's whereabouts."

The expression on the woman's face was a little embarrassed.

"Since you lied to her too, what right do you have to say she lied to you?" Elliot got the answer from her expression, "I'll ask you one last time, do you know the whereabouts of my daughter Haze! If you know, As long as you tell me the real clues, I will definitely keep you safe and rich, and if you dare to lie to me, I will make your life worse than death."

The woman's expression was a little tangled after hearing Elliot's words.

If only she knew Haze's whereabouts!

However, The woman really didn't know Haze... She didn't even meet Haze at all, so how could she provide Elliot with useful clues?

She really wanted to live, she wanted to leave Yonroeville and wanted to live a peaceful and rich life, but she didn't dare to deceive Elliot.

Now, she has only one path to choose. If she doesn't want to die, she can only take the risk.

"Elliot, you are really amazing." The woman looked admiring, "I did lie to her."

Elliot: "Don't mention this again. You just need to tell me whether you know my daughter Haze or not. "

"I know." The woman took a deep breath and lowered her voice, "If I tell you, can you really help me get out?"

Elliot narrowed his eagle eyes and looked puzzled. Avery asked her: "Since you know my daughter's whereabouts, why didn't you tell me before?!"

"Elliot, not everyone knows you. Besides, I already escaped, why should I believe you?" The woman said calmly, "It's my luck that I got caught anyway."

"Where is my daughter?! Where is she?" Elliot's uncontrollable cry came outside the door.

Hearing his voice, Avery immediately opened the door and strode in.

She walked to Elliot, glanced at the woman opposite, then looked at Elliot, wondering, "what's the matter?"

“Avery, you lied to me last time, but I also lied to you.” The woman looked at Avery’s face said word by word, “your daughter is still in Yonroeville. I know where she is. I can take you there, but I have a request.”

“What request?!” Elliot and Avery in unison.

After thinking for a moment, the woman put forward her request.

After coming out of the detention center, Elliot received a call from the bodyguard.

Avery stepped aside, took out her mobile phone, and saw the missed calls and messages from her bodyguard. Before she came to the detention center today, she put her phone on silent mode.

It’s out now, so she turns the mute off and called back to her bodyguard.

The bodyguard: “Boss! Where did you go?! You don’t answer the phone and don’t reply to messages, you’re making me so anxious!”

“Don’t worry, we just have something to do.” Avery explained to the bodyguard, “We got up early today, so we didn’t call you.”

“How could you do this? Where are you now? Let’s find you.” Asked the bodyguard.

Avery hesitated for a moment and refused.

At the same time, Elliot also rejected the request made by his bodyguard: “You stay in the hotel. When I’m done with my work, if I need you to pick me up, I’ll call you.”

The woman made a request to the two of them. This afternoon, she will take them both to find Haze.

But not police station staff, nor personal bodyguards, the three of them went alone.

Elliot and Avery agreed without any hesitation.

The fact that the woman can reveal such a big clue of the corpse pit shows that she has many secrets of the criminal gang.

Now that she said she knew where Haze was, how could Elliot and Avery doubt her?

Besides, the woman is thin, even if Elliot doesn't go with her, Avery will not be afraid of her.

After talking on the phone, the two bodyguards looked at each other in the hotel lobby.

"What did your boss say?"

"What did your boss say?"

"My boss said she has something to deal with." Avery's bodyguard said, "What's your boss's reason?"

"Oh, my boss gave me a reason? You thinks my boss is Avery!" Elliot's bodyguard said loudly, "My boss only gives me orders, does he need to explain to me? He is my boss, I am his subordinate, you stay by Avery's side. Have you been a fool for a long time?"

Avery's bodyguard sneered: "It's my boss. There is only one person like my boss in the world. You can't envy you."

"I envy you! I don't need it. My boss explained to me that as long as he pays me a salary!" Elliot's bodyguard said arrogantly, "How much does Avery pay you a year?"

"How much does your boss pay you?" Avery's bodyguard asked back.

"Look at your fellow, isn't it too little? I'm sorry to say it." Elliot's bodyguard said, and took out his mobile phone, "Let's show the salary slip together and compare it."

"Compare it!" Avery's bodyguard also took out his mobile phone.

In the afternoon.

Elliot took the woman out from the police chief's office.

Avery sat in the driver's seat and watched the two of them come out.
