

The woman in black looked disgusted: “I feel that you are mocking me.”

“Ms. Johnstone, why don’t we find a place to sit down and talk! It’s too cold outside.” Emilio’s frozen goosebumps came out...

“I’m not cold! If you still want to talk to me, talk outside.” The woman in black saw that Emilio was cold, but she didn’t think about him at all.

“Okay!” Emilio turned to look at the bodyguard not far away, and ordered, “Hurry up and buy me a down jacket!”

The bodyguard took the order and ran away immediately.

“What the h-e-l-l is going on with Norah? If she’s not feeling well, why did she ask me out?” the woman in black said dissatisfied.

“Ms. Johnstone, I didn’t mean to deceive you. My sister had an accident. We were all looking for her, but we haven’t found her whereabouts yet. We only found her mobile phone.” Emilio said, “Although my sister is gone, but we want to cooperate with you in the same mood.”

The woman in black said: “Cooperation? Do you know what your sister talked about with me?”

“I don’t know, but you can tell me. What benefits my sister can give you, we can give you that.” Emilio said straight to the point, “We only want Haze. As long as you help us find Haze, whatever you want, as long as we can afford it, we will definitely give it to you.”

The woman in black stared at her sly eyes. Emilio’s face looked and looked, as if thinking about whether to agree to him.

“I remember that you don’t seem to have the right to speak in the Jones family!” The woman in black teased, “Let your dad come to talk to me. Otherwise, don’t talk.”

Emilio didn’t expect her to be so arrogant. Not to mention that everyone knew that he had no real power in the Jones family.

Usually the people around him were flattering to his best. One mouth was Young Master Jones, and second was Second Young Master, which made him a little swollen.

“Ms. Johnstone, since you know that I don’t have real power, then you can guess that my dad sent me here. It’s the same thing that I came with my dad.” Emilio didn’t want to go back and tell his father that he couldn’t solve it.

His father disliked him for his incompetence.

He wanted to do things well and impress his father.

“Of course it’s not the same thing. If you promise to give me the benefits and if your father doesn’t recognize it, then I can’t get anything?” The woman in black didn’t think about it, and rejected him, “Go back and tell your dad. Your dad sincerely wants to talk to me, so let him do it himself or, don’t say anything at all! I can let this secret rot in my stomach. After all, I have a cheap life, how can I live?”

Seeing Emilio stunned, the black-clothed woman continued, “If Norah hadn’t been looking for me this time, I wouldn’t want to bring up the old things!”

WHEN HIS EYES OPENED

Chapter 2249

Emilio shook his head without thinking.

“You don’t like my cigarettes?” The woman in black took out a cigarette and put it between her fingers, then took out a lighter in her pocket.

“No.” Emilio took her cigarette case from her hand, opened it, and took a cigarette from it, “your cigarette is not bad. But it’s mainly cold. Pull down the scarf, and your face is cold.”

After She took out the lighter, She handed over her cigarette, and immediately set him on fire.

“I already said that we will meet in the park. Didn’t you ask for it by yourself when you wore a coat?” The woman in black showed no sympathy for him at all. After lighting the cigarette between her fingers, she pulled off the scarf and mask on her face and started smoking.

Only then did Emilio see her face clearly.

Before Emilio came over, he saw Sasha Johnstone’s photo.

Sasha Johnstone’s photo was obtained from his father’s investigation.

The photo of Sasha Johnstone that his father investigated was the photo that Sasha Johnstone archived when she was imprisoned in Yonroeville.

Photos could clearly see her facial features.

Emilio knew very well that Sasha Johnstone’s facial features were not what the woman he saw before her.

“Are you really Sasha Johnstone?” Emilio asked in astonishment.

Emilio took out his phone, clicked on the photo of Sasha Johnstone he had saved, and glanced at the photo again.

“You actually have my previous photos... I really underestimate you!” The woman in black was very surprised, but at the same time, she was not frightened by this incident, “I have plastic surgery.”

Emilio Looking at the woman in front of him in shock. He didn't expect her to give such an answer.

"I was bribed by Norah and almost killed Elliot and Avery. How dare I continue to live with my original face? It's you, aren't you afraid? After I escaped from Aryadelle, I was so scared that I couldn't sleep well every night. It wasn't until I had facial plastic surgery that completely removed my previous appearance, and then I started a new life."

"It didn't take long! Is plastic surgery so fast?" Emilio was suspicious, stared at her face and continued to look at her, "Isn't there a recovery period for plastic surgery?"
