Chapter 2405

Avery: [Hahaha! Aqi is so good. You have helped us before, and Aqi is dedicated to his work. We are very relieved to have him protecting Layla. If you have any questions in the future, please let us know at any time. Don't be too outspoken.]

Katalina: [OK. Sister Avery, rest early.]

Avery: [Well. you should also rest earlier.]

After sending the text message, Avery prepared to rest.

Elliot's voice came from behind.

"Still asleep?" Elliot didn't fall asleep, he closed his eyes and felt the light coming from her side, so he opened his eyes.

"Katalina sent me a message. She said that her mother told her that Norah came to Avonsville."

Avery turned to face Elliot,

"Although Norah has no power or power now, we still need to pay attention. After that, who knows what her heart is twisted into."

“I will send someone to watch her tomorrow.” Elliot reassured her, “She is in Aryadelle and can’t find a decent job. I have blocked her. If When she comes out, I’ll know her news as soon as possible. But I haven’t heard from her, so she shouldn’t do anything at the moment.”

“Oh... maybe she just returned to Aryadelle!” Avery said this, yawned, “Husband, let’s sleep! I’m sleepy.”

Elliot: “Well.”

Elliot put his arms around her waist and patted her back with his generous palms.

After a while, Avery’s breathing gradually became even.

After she fell asleep, Elliot gently retracted his hand, turned his back, picked up the phone, found the detective’s number, and

sent a message: [Is there any news about Sasha Johnstone?]

Detective: [Not yet. She had plastic surgery and was not easy to find.]

Elliot: [Norah has returned to Aryadelle, you should focus on Norah. Norah must be looking for Sasha too. Maybe she has found it.]

Detective: [Good.]

The next day, 10 o’clock in the morning.

Tate Industries.

Avery met Gloria Wiens.

After seeing Gloria Wiens, Avery's first feeling was that she was a gentle girl.

Gloria Wiens looked smarter than the photo on her resume, her eyes were as gentle as water, and she looked like a good girl who followed the rules.

Gloria Wiens was very tall, making her look very tall and slender. Although she was tall, she did not feel oppressive.

"Gloria, sit down." Avery brought a bottle of mineral water to her, "Where did you come from? The HR manager told me yesterday afternoon that you are not available."

"Yes, I just graduated this year, and I still live now. In the house I rented from the university before." Gloria looked at Avery and answered cautiously.

"Well. You are from Yonroeville. You choose to work in Aryadelle now. Do your family support you?" Avery asked.

"My family supports my work. Aryadelle is better than Yonroeville in every way. When I was in college, my mother accompanied me here, and she liked it very much." Gloria replied in an orderly manner.

Avery: "I've been to Yonroeville before. The capital of Yonroeville is actually pretty good."

Gloria: “Yonroeville is very poor except for the capital. Aryadelle is better.”

“You won a gold medal in a tea art competition, right?” Avery asked her curious question, and at the same time, she glanced at her wrist, “I see journalism as a major in your university.”
