Chapter 2407

“Hahaha! Did you find a job after graduation?” Avery was amused by her words.

“No. I was hesitant to take the postgraduate entrance exam some time ago. I just decided not to take the exam recently.” Gloria introduced her situation to her in detail, “I never thought about getting married. Maybe I will never get married in my life. I can accept overtime and high-intensity work...”

Avery’s smile froze: “Gloria, why don’t you consider getting married? If you come to work here, we won’t have children because of your marriage. And deduct your benefits, and even force you to leave. There are many female employees in our company, if you don’t believe what I said, you can ask them.”

Gloria shook her head: “I don’t get married because the person I like is dead. I’m done.”

Avery was speechless.

Gloria: “Sorry!”

“It’s okay. Even if he doesn’t die, he won’t marry me.” Gloria pulled out a bitter smile, “He has someone he likes, but it’s not me.”

Avery: “...”

Avery didn’t know what to say for a while. As if something was stuck in her throat, she couldn’t speak.

“Miss Tate, do you think I’m a little stupid? Even though he doesn’t like me, I still give up on him? I find it ridiculous myself.”

Seeing that Avery didn’t speak, Gloria laughed at herself to ease the atmosphere.

“You can try to make more friends. He doesn’t like you, which means he’s not your real person.” Avery advised.

“It’s not that he doesn’t like me. When he is with me in private, he treats me very well, but he has his pressure. Miss Tate, our

Yonroeville is not as developed as Aryadelle, even people’s thoughts, and they all have heavy shackles.” When Gloria said this,

her nose was slightly sour, “That’s why I came out.”

Avery nodded: “Gloria, since you came out of Yonroeville, I-I hope you can get out of that relationship too.”

“At least I can’t let it go. Maybe I will figure it out later! Doesn’t the book say that time can dilute everything?” Gloria laughed.

“Well. When can you come to work?” Avery asked after finishing the heavy topic.

Gloria was stunned for a moment.

Could she come to work?

Avery wanted her?

Didn't Avery say that there were a lot of people who submitted resumes to the Tate Industries? Avery decided to hire her so quickly?

Gloria felt like she was dreaming.

“I can go to work anytime. I can go to work now.”

Gloria's cheeks flushed with excitement.

Avery smiled and said, “Don't you live in Avonsville?

If you come to work, you will have to rent a house.

How about you join next

Monday? I'll have HR send you an offer later.”

Gloria: “Renting is easy. Yes, I can do it today.”

Avery: “Then you come to work tomorrow?”

The Novel will be updated daily. Come back and continue reading tomorrow, everyone!
