Chapter 2444

“I can agree to your request, but I will not marry you.” After thinking for a moment, Gloria said, “I am not targeting you, I am a non-marriageist. If you don’t believe me, you can ask my boss.”

“Why don’t you want to get married?” Hayes asked curiously.

“Some people yearn for marriage, some don’t like marriage. There is no reason, they just don’t like being tied to another person.”

Gloria said lightly, “Furthermore, even if I say I want to marry you, my parents will not agree. It is impossible for them to promise me to marry in Aryadelle.”

Hayes smiled: “I have no intention of forcing marriage. I am not that casual. I just like your appearance very much, you are very beautiful and your figure fits me very well.”

“I’m so unlucky.” Gloria mocked herself.

The smile on Hayes’s face disappeared: “Am I that bad? You just look down on me like that.”

Gloria: "I'm not familiar with you. I told you that I'm not married, I don't get married, I-I don't like men, but you force me to fall in love with you, think for yourself, how annoying you are."

"You have the handle in my hands, yet you dare to speak to me like this, Gloria, you are really not afraid of provoking. Are you mad at me?" Hayes couldn't hold back his face, and was a little annoyed.

He thought he was very polite to Gloria.

"What you said just now, are you farting again?" Gloria continued unceremoniously, "Didn't you say that you like my appearance and body? I just said a few words to you, but you started disliking me."

Hayes laughed angrily at her words.

Hayes: "Gloria, I really didn't expect you to have such a side in private. It surprised me. I found that I like you more and more."

Because Hayes said so, Gloria shut up.

Hayes: "Why don't you talk? I'm afraid of talking too much. Do I like you more?"

Gloria looked like she was bitten by a poisonous snake, and immediately threw off his hand.

“Didn’t you just say you promised to be my girlfriend? Touch your hand, what’s wrong?” Hayes smiled, but the smile was cold.

“Don’t you want to know who is looking for you? As long as you listen to me and fall in love with me, I’ll be happy, and maybe I’ll

tell you.” Hayes used this clue to threaten Gloria.

Gloria gritted her teeth and reminded herself to calm down.

“Don’t do this in public. I don’t like it. If you always only care about your own happiness and don’t care about my feelings, I think

that sooner or later, I’d rather risk my life than be humiliated by you like this.” Gloria stated her bottom line.

“Okay, you don’t like to be like this in public, so I’ll be more restrained outside.” Hayes retracted his hand,

“Gloria, are you going to live with me, or am I going to live with you?”

Gloria shook her head: “Are you in such a hurry? Can’t you do it without a woman?”

Hayes looked helpless: “Have you never been in a relationship? Other people are in a relationship and live together. I really need

women, don’t women need men?”

Gloria: “I don’t need...”

Hayes: "I know what you're saying. Just pretend you don't need women, but I need women. Since you promised to be my girlfriend, then we have to live together. If you don't want to move to my place, I can move to yours. That way you don't have to bother you with what to do." Hayes was not discussing with her, but informed her, "Don't worry, I will not go back on what I promised you. I will respect you in public in the future, and I will not force you to marry me."

"Give me a few days! I need to adjust my mood."

Gloria was in a terrible mood...

"Gloria, I told you so much, it's useless? I won't eat you, why are you afraid of me? If I give you a few days, how can anything change? You still won't like me. Why don't you? Just live together and cultivate feelings quickly." Hayes rejected her request,

"We'll go to my place together after dinner later, I'll pack my things, and then go to your place."

Gloria: "....."

"Let's not tell Elliot and Avery about the two of us together." Hayes weighed it and said, "Let's make it public later in the year! By the way, do you want to go back to Yonroeville during the Spring Festival?"

“The Spring Festival is Aryadelle’s holiday, not Yonroeville.” Gloria said coldly.
