Chapter 2447

Avery: “Mike, do you think you are still young? You are a little smaller than Elliot.”

Mike’s smile suddenly solidified.

“You have a tender face. I have your medical report, and your physical condition is not as good as Elliot!”

Avery put the facts in front of him.

Mike suddenly shut up.

Half an hour later, the two came to the restaurant and met Gloria.

The waiter brought the dishes to the table, and Avery picked up the chopsticks and said, “Are you all hungry? Eat!”

Mike picked up the juice pot, poured Avery a glass of juice, and then asked Gloria, “Assistant Wiens, what do you want Juice?”

Gloria saw that Mike was an informal person, so she nodded and thanked him.

Before Mike poured the juice to Avery just now, he didn’t ask Avery if she wanted juice.

Their relationship must be very good.

“Assistant Wiens, are you still used to work?” Mike said with concern. “At the end of the year and the beginning of the year, you will be a little busy, but it will be a lot easier in normal times. You can get through the internship period and you will almost be able to relax.”

Gloria: “I’m working dedicatedly. President Tate is very kind to me, and other colleagues take good care of me.”

“Well. I heard that your family sells tea.” Mike chatted, “Do you have any good tea recommendations for our family?”

Avery glanced at Mike: “Why are you asking this? Do you want to buy tea from Gloria’s family?”

“Don’t Ben like to drink tea? He’s getting married soon, and I haven’t decided what gift to give him!” Mike picked up the juice cup and took a sip of juice to moisten his throat, “How do you feel about giving tea?”

Gloria said, “Our tea is only sold in Yonroeville and the surrounding small countries. Even if I ask my mother to send tea, I’m afraid the logistics will take a long time.”

“It’s okay! You ask your mother to send me some delicious tea and aslo send it to the Tate Industries.”

Mike said, “How about I

taste the best tea from your family!”

Avery: “Can you not put so much pressure on people? It’s not up to you to judge whether their tea is good or bad. Besides, you don’t know how to taste tea at all.”

Mike: “Didn’t I want to cheer for her family?”

Avery: “You can sell tea well even if you don’t support other people’s tea.”

Gloria saw the two of them quarreling, Immediately smiled and said, “President Tate, I will ask my mother to send some tea leaves, and I will make them for you to drink. In fact, there is no good or bad tea. Because everyone’s taste requirements are different.”

“You are right. I’m afraid it will be too much trouble for your mother.” Avery said sternly.

Gloria: “No trouble. My mother loves me very much.”

After lunch, Gloria returned to the company.

Avery sent Mike back to his residence.

“Your new assistant is not bad. She looks very smart.”

It was still Mike who drove the car.

Avery: “Yeah.”

“Her family is so rich, and her mother loves her again, how can she be willing to let her work outside and suffer?” Mike said, “She stayed here to work for her boyfriend!”

Avery: “She doesn’t have a boyfriend! Why do you say that?”

“She doesn’t have a boyfriend? Then how did the strawberry print on her neck come from?” Mike laughed with determination,

“She must have a boyfriend!”

“I asked her in the morning. She was bitten around the neck by a bug.”

“Avery, why are you so innocent? How could it be bitten by a bug? Trust me, it was bitten by her boyfriend!” Mike exclaimed.
