

## When His Eyes Opened Chapter 2529

### Chapter 2529

Layla: "Uh...I've been under a lot of stress recently, and my menstruation has been delayed for a few days..."

Elliot's face turned red suddenly: "Then you have to go to the hospital for an examination. Let Mom will accompany you to the hospital."

"I'm a little afraid of going to the hospital, so I'll talk to my mother first. Dad, I'm hungry, let's go eat first!" Layla held her father in one hand and her mother in the other, happily building.

"Layla, do you have something on your mind?" Elliot guessed, "Is it a matter of work?"

Layla: "No! Dad, I'm fine, but sometimes I have random thoughts... If you ask me about my random thoughts... What, I can't say."

Avery helped her daughter explain: "From school to society, many people will have this stage. You don't have to worry."

"Well. Didn't Eric give 6 tickets? Three for Ben and Gwen, three for us, how about it?" Elliot said.

"Tammy also likes Eric very much." Avery did not forget his best friend at this time.

"Tammy has already asked Eric for tickets. I asked in the group, but Ben and Gwen didn't have tickets." Elliot said, "After the concert, I can ask Robert to go back to Aryadelle."

"It seems that you don't want him to suffer at all. He didn't say he couldn't bear it, so you can't bear it first." Avery teased.

"If he just wants to learn maintenance techniques, why does he go to Hayden's? He can learn it at home. I'll ask a master to come and teach him. There are so many cars in our garage, he can dismantle any car he wants." Elliot said.

"If he breaks down my car, I'll break him down." Layla looked at Dad.

"Father is wrong, of course your car cannot be moved." Elliot corrected immediately, "Mom's car is not allowed either. Dad's car can be dismantled for him."

Layla glanced at her mother, her eyes said: My brother will be killed by father spoiled.

Avery has become numb.

Elliot actually had the same attitude towards the three children.

It's just that Robert was the youngest and preferred to act like a baby to him.

Thopiavelle.

The video of Lucas beating Austin Gagnon at the hot pot restaurant was spread.

The video was seen by Piper Lawson, daughter of the Lawson family.

After seeing Lucas's sharp and handsome facial features in the video, Piper was attracted by his appearance.

In addition, Piper Lawson hated Austin Gagnon very much, so when she saw someone daring to beat him in public, her affection for Lucas immediately rose.

After Piper Lawson found out that Lucas was the third son of the Hogan family, she immediately went to find her father and contact the Hogan family.

The Lawson family is a well-known wealthy family in Thopiavelle, with a higher status than the Gagnon family, so when the Lawson family contacted Mr. Hogan and explained that they would come to visit, Mr. Hogan suddenly laughed all over his face.
