

When His Eyes Opened Chapter 2720

Chapter 2720

Hazel hung up the phone and faced Avery.

“Teacher is looking for you right now, is there nothing wrong?” Avery originally wanted to wait for his daughter to finish talking on the phone in the dining room.

But She couldn't let go of it.

“It's nothing...it's the boy from the cannery before. He saw me meeting Malcolm in the coffee shop, so he secretly took a picture and posted it on the University forum...” Hazel didn't plan to say it, but if she didn't, she was afraid that her mother would ask the teacher in private.

“Did you meet Malcolm today?” Avery focused on this, “Why did he ask you?”

“He likes my sister, but she seems to ignore him. He feels uncomfortable, so he complained to me.” Hazel Let her mother feel relieved, “I persuaded him, he probably won't come to me in the future. He shouldn't bother my sister anymore.”

Avery: “Why did that male classmate of yours post your photos on the forum?”

“He led others to believe that I am the type of dishonest girl on purpose.” Hazel took her mother to the dining room, “The school has deleted the photos and messy posts on the forum. The teacher said that the course of the male classmate has also been adjusted. I won't run into him in the future.”

Avery nodded: “Has he apologized to you?”

Hazel turned on the phone and showed it to her mother: “He felt regret. Just now, he sent it.”

Avery looked at the screen of her mobile phone, and the male classmate indeed sent a long message, promising not to harass her again in the future.

“A good-looking girl from an ordinary family is easily harassed by men with bad intentions.” Avery said to her daughter, “If you encounter such a thing in the future, you still have to tell your mother. You're still young, and you don't understand that bad people have no reason to be bad.”

Hazel nodded: “I never encountered such a thing when I was ugly before.”

“This kind of thing will happen in the future. But you don't have to be afraid because most people are normal, with only a few exceptions.”

“Well, Mom, let’s eat!” Hazel was really hungry. After sitting down, she ate heartily. Avery’s appetite was not very good.

.....

Eric had gone to the Northland. Before leaving for the Northland, Eric told Avery.

Because Layla asked Eric to go, Avery didn’t say anything.

Avery also didn’t call Layla to ask why Eric was called to go to Northland.

At the same time, she didn’t tell Elliot about it.

“Hazel, do you know that your sister called Eric to the Northland?” Avery didn’t tell Elliot, but she could talk to her daughter.

Hazel didn’t even think about it, and immediately shook her head: “My sister didn’t tell me. Why did my sister call Mr. Eric to Bregon?”

Avery shook her head: “I don’t know what your sister thinks. She didn’t tell me.”

Hazel: “Mom, don’t worry. My sister may just call Mr. Eric to see the snow scene.”

Avery couldn’t help laughing after hearing what Hazel said.

“Actually, no matter what they do, I can accept it.” Avery was only worried about Elliot’s reaction after he knew about it.

“Your sister is not in a good mood recently. It may be more convenient for you two to speak your mind. Chat with your sister when you are free.” Avery said.

“Well. I’ll send her a message after I eat.”

After Hazel finished her meal, she went back to her room.

After she sent a message to her sister, she opened the dialog box of the boy with glasses again.

After re-reading his apology, Hazel deleted his contact information.

In the group, this topic had not been continued.

In the University forum, normal order had also been restored.

She saw a flower and grass selection event, so she clicked in.

In the main building of the post were photos and votes of some students.

She found the building of the broadcasting and hosting department, looked around, and then flipped through the comments.

–Why are Hazel’s options gone? [

] I still plan to vote for her!

–Yes indeed! Hazel is gone! I watched it an hour ago! Did Hazel ask to delete it?

Chapter 2721

–This is just an entertainment activity, why should I be implicated! I saw that Hazel has reached the second place! In fact, Hazel is number one in my heart! However, the one who ranks first now has a lot of background, and I heard that he spent money on tickets.

.....

Hazel’s face flushed. She did not expect such a voting activity on the forum.

She didn’t even know that she was quite popular.

Although she didn’t care about these false names, she didn’t expect so many people to vote for her, and she was quite happy.

She didn’t ask the administrator to delete her vote, it should have been deleted by the forum.

It didn’t matter if she deleted it, she didn’t want to attract too many people’s attention.

The more attention, the more trouble.

After a while, Layla replied to her message.

Layla: [I won’t be back until two days later. I haven’t seen the snow mountain yet!]

Just now Hazel sent her a message asking when Layla would come back.

Hazel: [Elder sister, are you going to climb the snow mountain by yourself?]

Layla: [I’m afraid I can’t climb it. I plan to take the cable car up at that time, just feel it.]

Hazel: [Oh, take more beautiful photos then.]

Layla: [Mmm.]

Holding the phone, Hazel wanted to ask her sister about Eric, but she was too embarrassed to ask.

If she lets her sister know that they all know, will her sister feel awkward?

Two minutes later, Layla's message came again: [I called Eric to Bregon. I plan to go to the snow mountain with him. At that time, I will completely break up with him, and I will never contact him again.]

Hazel was shocked when she saw the news from Layla.

Because she was shocked, she didn't know how to reply to the message.

She took her mobile phone, came out of the room, and called her mother.

Elliot came back, and Avery was accompanying Elliot on the first floor right now.

Hearing Hazel's call, Avery immediately walked towards the stairs.

Elliot also walked over.

"You go to eat!" Avery pushed him, "My daughter called me, but she didn't call you."

"I see why my daughter called you." Elliot was pushed away a step, and then followed Avery's footsteps.

Hazel came down from the stairs, and when she saw her parents looking at her expectantly, she immediately blushed.

"Dad, when did you come back? I didn't call you." Hazel's smile was so bright that Elliot laughed too.

"Dad just came back. Why are you calling mom?" Elliot asked.

Hazel lied without showing any signs: "I want my mother to help me choose clothes. I just saw a few winter coats online, and I don't know which one to choose."

"Can the quality of online shopping pass the test? If you want to buy a coat, Dad will have someone bring it home for you to pick out tomorrow." Elliot said fondly.

Avery glared at Elliot: "You don't understand the joy of unpacking our women's online shopping, go and eat!"

Avery took Hazel upstairs.

Upstairs, Hazel immediately showed Avery the news that her sister had just sent.

.....

Northland.

Layla and Eric had breakfast in the hotel restaurant.

“I’ve already bought a ticket to the snow mountain. I’ll be on the snow mountain later, and I have something to tell you.” Layla took a sip of milk and said solemnly.
