Novel Chapter 2962 -Joanna immediately turned off the screen, and explained to Juliette with a smile: “Mr. Tate and I have not added friends, so let’s take pictures with your mobile phone! Isn’t your mobile phone newly bought? The pixels are better than mine.”

Hayden: “Since you didn’t add it before, let’s add it now!”

As Hayden said, he turned on his phone and called up his QR code.

Joanna thought she heard it wrong, and the QR code he handed over appeared in front of her.

“Joanna, hurry up and scan! If you don’t scan, I will!” Juliette hurriedly urged Joanna when she saw Joanna in a daze.

After Joanna responded, she immediately walked towards the desk.

“I’m a little thirsty, I’ll drink some water first.”

While looking for a water cup, Joanna unlocked the phone and clicked on the code scanning interface.

She only had a photo of the twins in the background of her phone, which was not in her social account.

So after she took a sip of water, she walked back to Hayden and scanned Hayden’s QR code.

“May I add you as a friend, Mr. Tate? Don’t worry, I won’t bother you; I just want you to lie on my friend list so I can be more motivated by viewing your profile picture every day.” Juliette made a small request.

Hayden was probably moved by her sincerity, so he nodded.

After Juliette successfully added Hayden’s friend, she immediately wanted to give Hayden dessert.

“It’s okay, Mr. Tate, if you don’t want to eat it. You may give it to your secretary or assistant. The desserts in our store are not bad.” Juliette enthusiastically sold them.

Hayden: “My mother forced me to eat.”

Hayden didn’t really want to use the word ‘forced’, but in fact it was Avery who urged him to eat.

Just to let Hayden try Joanna. This dessert shop was not that bad.

“Ah? Hahaha! Is your mother so good?” Juliette felt that Avery was very gentle, intellectual and dignified, but she never thought that Avery would force his son to eat dessert in private.

After Juliette packed a bag of desserts for Hayden, she respectfully sent him out.

Juliette: “Mr. Tate, come and play when you are free! We welcome you anytime!”

When Hayden walked to the side of the car, he looked back.

Joanna stood behind Juliette, a little shy.

“Joanna, he saw you, he saw you!” Juliette excitedly said to Joanna after Hayden turned his head.

Joanna: “I think he is looking at you. You are so passionate and beautiful. If I were a man, I would like you too.”

Juliette’s eyes twinkled like stars: “Really?! Joanna, don’t lie to me!”

Joanna: “Of course I didn’t lie to you. If he likes you, I’ll be the first to support you. I’m relieved to have you as Dorian’s stepmother.”

If Hayden had to choose a stepmother for Dorian, Joanna would of course choose her best friend Juliette.

“This... Are you thinking excessively? Although I have a great deal of respect for Hayden, I wish I could sleep with him or something. I never considered marrying him, all right? This type of wealthy family is May I marry here? I would not even do so in my dreams!” Juliette laughed.

Juliette’s family conditions were much better than Joanna’s. Even Juliette had such low self-esteem in front of Hayden, Joanna dared not think about it.

Hayden drove back to the company and put the dessert at the front desk.

The girl at the front desk was so excited when she saw the dessert given by the president!

“Thank you Mr. Tate! Thank you! I will definitely work hard!”

After Hayden entered the elevator, the girl at the front desk immediately took a picture of the dessert with her phone. After taking the photo, she shared it company’s group: Dessert from the president! Have a blast day!

After a while, the news spread throughout the company.

And the gossiping female colleagues also found out that the dessert given to the front desk by the president was bought at Ju-Ji Dessert.

Novel Chapter 2963 :-“Have you ever been to this dessert shop? How does it taste?”

–“This dessert shop was only opened last year! I haven’t bought it, but I plan to go to this shop for lunch! It’s so close to our company!”

–“Let’s go together! Check out the dessert shop where the CEO goes!”

–“And me, me, me! Count me in!”

...

At noon, the Ju-Ji Dessert Shop welcomed a group of employees from the Dream Maker Group.

Employees of Dream Maker Group did not have to wear uniforms to work, but they must wear badges.

Joanna saw that the staff were too busy, so she came to the front to help.

After seeing the badges on the chests of several customers, Joanna asked them puzzled: “Are you all employees of Dream Maker Group?”

“Yes! Our boss came to your store today to buy desserts. Do you recognize him? Our boss is Hayden! We all checked in because our boss came here today!” A female employee said excitedly.

Joanna: “...”

Unexpectedly, Hayden had the ability to carry goods.

“Your boss did come to our store today.” Joanna smiled and helped them pack desserts, “He’s pretty handsome.”

“I have never seen our boss in real life! I heard that he is more handsome in real life than in photos!” The female employee showed a nympho look.

“Don’t you all work in the same company? Why can’t you see him in real life?” Joanna was a little puzzled.

“The company is so big, it’s so easy to meet the boss! Our boss has a separate parking space and his own private elevator. He doesn’t come in through the company’s gate every day.” The female employee explained, “I guess it was to deliver desserts to the front desk today, and the boss came through the company gate.”

Joanna: “...”

The life of the rich really limited the imagination of ordinary people.

“Our store has signed a contract with your company! From now on, our store will deliver desserts to your company every Monday afternoon.” The dessert shop employee said proudly.

“Ah? Really?!” The employees of the Dream Maker Group were shocked, “Who is your boss? Are you familiar with our boss?”

The dessert shop staff continued to speak proudly, pointing at Joanna and introducing: “This is our boss.”

Everyone looked at Joanna with a ‘swish’.

Joanna didn’t expect her employees to be so talkative.

“I’m not familiar with your boss...not at all...I know your boss’s mother a little bit. Auntie ordered dessert from me to take care of my business.” Joanna tried her best to clear up her relationship with Hayden.

If they returned to the company and spread rumors, Hayden would definitely hear about it.

Hayden hadn’t found a wife yet, so it would be bad if this made it harder for him to find one in the future.

“Boss, you are amazing! You actually have something to do with our boss’s mother. You will definitely become more and more successful in the future!”

Joanna was very happy to be praised: “Do you drink milk tea? Let me treat you to milk tea!”

“Thank you boss! We will come here often in the future! You are so close to our company!”

Joanna said in her heart, what a coincidence.

Friday.

Joanna personally delivered five hundred desserts to Tate Industries.

Layl happened to be fine, so she took Joanna to her office for tea.

“Joanna, do you have a weekend off? I have a concert ticket here. I really wanted to see it before, but I have something to do and I can’t go there tomorrow, so I’ll give it to you!”

Layla stuffed the concert ticket into Joanna’s hand.
