

## When His Eyes Opened Read Novel Chapter 3072

**Novel Chapter 3072** -Hazel immediately looked behind her.

“Sister Joanna!” Hazel saw Joanna and immediately walked towards Joanna.

Seeing Hazel, Joanna was very surprised: “Hazel, why are you here?”

“I’m here to look for you!” Hazel held Joanna’s hand, “I begged Sister Juliette to tell me your address.”

Joanna blushed: “Does your family know you’re here? Did you come alone?”

Hazel: “Yes! Originally, my parents were worried that I would come alone, but I just want to come alone. They can’t do anything about me.”

The front desk checked in for Hazel and called her.

Hazel got the room card, Joanna helped her carry the suitcase, and the two walked towards the elevator.

“Sister Joanna, have you had lunch yet? I’m so hungry! After I put my luggage in the room, let’s go eat!” Hazel didn’t have much appetite on the plane, so she was very hungry right now.

Joanna: “Okay. We won’t eat at the hotel. I know there’s a good restaurant nearby.”

Hazel: “Okay.”

After putting away their luggage, the two went to the restaurant Joanna mentioned.

Hazel didn’t know what to order, so Joanna made the decision.

After ordering and handing the menu to the waiter, Joanna looked at Hazel: “Hazel, you came to find me, does your elder brother know?”

“He knows! There are no secrets in our family.” Hazel said calmly, “My elder brother didn’t say anything.”

Joanna lowered her eyes.

Hazel: “Sister Joanna, Dorian has changed his name, should your parents tell you?”

“I said it.” Joanna replied, “The new name sounds nice.”

“Well, we all thought about it together.” When Hazel said this, she asked, “Sister Joanna, you suddenly decided to leave my elder brother. Is there a reason? They all said that you ran away because you were afraid, but I don’t think you are a coward.”

Joanna was stunned.

Hazel: “I read a sentence in a book, which said that there must be a reason for something to happen. You are not the kind of casual person. It is impossible for you to marry my elder brother suddenly. And regret it. You are not such a rash person.”

Joanna’s eyes suddenly turned red.

“Sister Joanna, if you encounter any difficulties, please don’t bear it alone. Behind you stand your family, and my family. We will help you.” Hazel continued.

Joanna: “I don’t have any difficulties...it’s your elder brother who has difficulties.”

Hazel was stunned for a moment: “What difficulties does my elder brother have? My elder brother didn’t tell us!”

“I heard that your elder brother’s company is in trouble. But your elder brother is the kind of person who won’t ask for help when he is in trouble.” Joanna reached out to wipe the tears from the corners of her eyes, “I saw him working so hard, and I can’t do anything, and I feel bad.”

Hazel laughed out loud: “So that’s the case. But since my elder brother is in trouble now, shouldn’t you be by his side? My elder brother is suffering a setback in his career and relationship. It’s really miserable!”

Joanna: “Hazel, how can you still laugh?”

Hazel: “Are you worried about my elder brother’s career? I don’t think the problem my brother encountered is too big.” After a pause, she continued, “I’ll call him now and ask.”

As Hazel said, she dialed Hayden’s number.

The phone rang for a while and was connected.

“Brother, is your company in trouble?” Hazel asked.

Hayden rubbed the center of his brows, his voice hoarse: “Little trouble, it’s almost resolved. Who told you?”

Hazel: “Sister Joanna told me. I’m with her now.”
