Novel Chapter 3077 -Everyone immediately shut up.

A bold secretary walked up to Harry, pulled Harry, and asked in a low voice, "Mr. Harry, who is the boss on good terms with? Can you let me know? After all, last time Ms. Picard slept with the boss directly. Oh, Ms. Tessa this time, looks pretty good too!"

Harry: "When Ms. Tessa comes out later, you will know."

"Okay! From the looks of it, Ms. Tessa should be out of luck."

Harry: "You're pretty good at guessing."

"Because the expression you spoke just now was a bit gloomy."

Harry pushed the glasses on the bridge of his nose: "Are there any?"

"Yes. I feel that Ms. Tessa's coming to the company today is definitely not a good thing." The secretary analyzed, "When Ms. Picard came here before, you laughed very happily. But you are obviously not in a good mood now "

Harry gave the secretary a thumbs up.

CEO's office.

After Tessa entered the office, she immediately walked up to Hayden with a smile.

Tessa: "Hayden, last time we met, I asked for your contact information and you refused to give it. I am really happy that you asked me today."

Hayden: "Who told you to talk nonsense in front of Joanna? Ms. Tessa, last time your father introduced you to me and said that you received the best education from childhood to adulthood. Is this your quality? Do you think you provoke me and you? If Joanna breaks up, will I fall in love with you?"

Tessa's face turned red, and she was very embarrassed: "Joanna filed a complaint with you?"

Hayden: "She's not like you, she won't tell anyone's right and wrong in front of me. Ms. Tessa, I called you here today to tell you that Joanna is my wife. I will marry her. Talking nonsense in front of her, I'm not just calling you to talk."

Tessa's eyes were red: "Hayden, is Joanna that good?"

Hayden: “Whether she is good or not, I don’t need external approval. As long as I think she is good.”

Tessa: “At least tell me, why did you choose her instead of me? What’s wrong with me?”

Hayden: “She is kind and pure, but you don’t have what she has.”

Tessa: “Hahaha! This kind of words are just deceiving people who don’t know! My dad told me that Joanna gave birth to a pair of twins for you. So your parents like her very much. And she just listened to your family members’ opinions! I thought you had your own opinions, but I didn’t expect you to listen to your family members’ opinions like this!”

Hayden: “I have a harmonious relationship with my family. The basis of a harmonious relationship is that our judgments on people and things are basically the same. They like Joanna, and I like Joanna. You can’t think that just Because the results of these two things look the same, I don’t have a mind of my own.”

Tessa burst into tears: “Since you like Joanna so much, then I wish you two grow old together!”

Hayden: “Thank you.” After a pause, he said, “You can go.”

Tessa left Hayden’s office crying.

After Tessa came out of Hayden’s office, she quickly ran towards the elevator.

Secretary room.

“Ms. Tessa is crying!”

“Is she crying? Why didn’t I see it! I only saw her shadow ‘whoosh’ flying away from me!”

“Ms. Tessa is absolutely crying! I heard her sniffing!”

“It seems that Ms. Picard won. Ms. Picard is the best! Ms. Tessa not only has a prominent family background, but also looks like a doll. As a woman, I would be moved by seeing it, but our boss is not moved!”

Hayden pushed open the office door and walked out.
