

## Novel When His Eyes Opened Chapter 3100

### Chapter 3100

Lucas: "Do you like me?" After a pause, he asked again, "What do you like about me?"

Hazel's heart beat faster: "You look very handsome."

Lucas seemed to hear a joke, "You are lying!"

Hazel: "How do you know I'm lying?"

Lucas: "Based on your appearance, I believe that there must be many men around you who will pursue you. There must be men who look better than me."

Hazel: "Okay! In fact, between people, sometimes fate is also important. I think we are very destined."

Lucas: "You don't want to tell the truth, do you?"

Hazel: "That's not the point. Do you want to take your mother to Aryadelle for medical treatment? If so..."

"No." Lucas refused her proposal, "I asked her before, and she said that she is not going anywhere, but staying in the country."

Hazel: "Is your mother afraid of spending your money? I can really understand her feelings."

Because when Hazel's mother-in-law was sick, she refused to buy painkillers in order not to spend money. Just to save some money for Hazel to spend.

Lucas: "Your words are like adding salt to other people's wounds."

"I'm sorry. I just want your mother to live longer. I can help you with money..."

Hazel lowered her head, her tone getting lower and lower.

Lucas: "I see that you're rich, but I will never ask for your money!"

Hazel was a little discouraged: "If we had known each other before, wouldn't you be less resistant to me?"

Lucas: "If the two of us knew each other before, why don't I remember you at all?"

Hazel: "People change, including appearance."

Lucas: "Are you kidding me? I have been like this since I was a child."

Hazel: "..."

Lucas drove the car to the entrance of the company and stopped.

Lucas: "Don't follow me! I really hate people like you who have no sense of boundaries! I've given you several chances, but you still can't tell why you came here. If that's the case, I don't want to know the answer!"

After Lucas finished speaking, he strode into the building.

Hazel looked at the back of him leaving, the expression on her face became very sad.

Why did God make fun of people like this?

In the past, she and Lucas had a master-servant relationship, and they were not from the same world.

Now, she and Lucas were still not from the same world.

If she told Lucas that she was Elliot's daughter, she felt that Lucas would be farther away from her.

Hazel sat down by the steps, staring at the busy traffic in front of her, in a daze.

She didn't want to go back to the hotel. Although she couldn't stay by Lucas's side now, she was very close to Lucas.

Her mom and dad wouldn't let her stay in Thopiavelle, so she would go home in a few days.

Before going home, she wanted to spend some time with Lucas in this way.

It was a farewell to her past youth.

This farewell might never be seen again.

In the afternoon, the sky began to drizzle lightly, but Hazel was still sitting on the steps, not moving.

This kind of light rain, she used to get wet a lot.

Night Technology.

Niko took a cup of coffee and sent it to Lucas's office.

"Lucas, your little assistant is outside in the rain!"

Lucas frowned: "You mean Hazel?"

Niko: "Yeah! I just went down to smoke, and I took a takeaway, by the way, and I saw her sitting on the steps, stupid. Her clothes were all wet, and she didn't know how to hide from the rain. Because she was so abnormal, I didn't dare to talk to her."
