

Novel When His Eyes Opened Read Chapter 3104

Novel Chapter 3104 -Hazel knew that Lucas didn't want to owe people favors, so she immediately took the receipt for buying vegetables and handed it to him: "You can transfer the money for the vegetables to me! Actually, I'm not very good at cooking, so you don't need to transfer more money to me. I'll just have a meal."

Lucas took the small ticket and glanced at it.

The price was \$86.

Lucas took the receipt and walked towards the dining room.

On the table, there were three dishes and one soup. He thought it looked good, but he had no idea how it tasted.

Lucas picked up the chopsticks and took a bite.

Hazel looked at him expectantly: "Boss, how is it? Is it to your liking?"

Lucas: "Pour a glass of water."

Hazel let out an 'oh', and immediately went to pour water for him: "Boss, is it too salty? Is your taste so light now?"

Lucas: "No. I'm a little thirsty."

Hazel breathed a sigh of relief.

Lucas: "The taste is indeed not very good."

After Lucas finished speaking, he took out his mobile phone and transferred \$100 to Hazel.

Hazel looked at \$100 transferred by Lucas, and couldn't laugh or cry: "Boss, my cooking skills are only worth \$14? You might as well not give me more transfers! How insulting!"

Lucas was inconceivable: "Are you planning to let me praise you?"

Hazel: "No. I don't think the taste is bad!"

Lucas: "I didn't say it was unpalatable."

Hazel: "Then I'll serve you a meal?"

Lucas: "Yes."

Hazel served him a bowl of rice, and by the way, also served a bowl for herself.

Hazel sat down opposite Lucas, "Boss, do you have any other plans for the evening?"

Lucas: "Why are you asking this?"

Hazel: "Curiosity!"

Lucas: "Didn't you say you were leaving?"

Hazel: "Yes! So you don't have to guard against me..."

Lucas: "Then I don't need to tell you my privacy."

Hazel: "Ah? Alright! Then let me tell you about my plans for tonight?"

Lucas wanted to say 'I don't want to hear it', but before he could say it, Hazel began to ramble: "I'm going back to the hotel later, I need to take a shower, wash my hair, and wash my clothes."

Lucas: "It's really boring."

Hazel: "Is your nightlife exciting?"

Lucas: "I work overtime."

Hazel: "Then you are even more boring!" After a pause, Hazel said again, "Why don't we go out for a walk! I haven't been here for a long time, and I don't know if it's hot at night or not."

Lucas: "Where's the big guy who accompanied you to my company before?"

Hazel: "Huh? What are you asking him for?"

Lucas: "You let him accompany you."

Hazel: "He has his own business! You are always busy with work, sometimes you have to pay attention to combining work and rest! Let's go for a walk outside after dinner! I want to buy some gifts to bring back to my family. "

Lucas thought that Hazel was leaving, so it was nothing to agree to her request.

After eating, Hazel quickly washed the dishes and chopsticks, and then went out with Lucas.

The two came out of the unit building and ran into Aaron head-on.

Aaron looked at the two of them in shock.

Hazel and Lucas also looked at Aaron in shock.

Hazel stepped forward quickly, pulling Aaron to the side: "Aaron! Why are you waiting for me here? I am going shopping with Lucas, and I will go home by myself later. Go back to the hotel quickly!"

Aaron: "Huh? Are you two going on a date?"

Hazel: "It's not a date, it's just going out for a walk and buying some small gifts."

Aaron: "Can't I go with you?"
