Novel Chapter 3105 -Hazel didn't expect Aaron to say such a thing.

"Are you trying to eavesdrop on us?" Hazel asked in a low voice.

Aaron: "What are you thinking! It's late at night, you are shopping outside, I must protect your safety!"

Hazel: "Could it be that Lucas can't protect me? He's a man anyway."

Aaron: "Aren't you afraid that he will do bad things to you?"

Hazel: "He's not that kind of person. You go back quickly! I'll go shopping with him and go back to the hotel."

Hazel pushed Aaron aside.

Seeing that the two of them had finished chatting, Lucas strode over: "Since your companion is free now, let him accompany you!"

Hazel: "My partner is not free! He came to tell me that he has something to do, he will be very busy these two days, please let me not disturb him!"

Lucas looked at Aaron.

Aaron looked at Hazel with a face of shock. He didn't expect Hazel, who had always been well-behaved, sensible and obedient, to lie without blinking.

If Elliot and Avery saw this side of their daughter, they would definitely be very surprised.

Lucas: "I'm not free either. If you want to go shopping, go by yourself!"

Lucas saw that Hazel was lying, so he turned and left.

Hazel watched him leave, her cheeks puffed up.

Aaron immediately pulled her arm: "Hazel, don't be dazed! There are many mosquitoes outside, let's go back to the hotel!"

Hazel complained: "Aaron, how could you wait for me at the gate of the unit building? If you waited for me outside the community, it wouldn't be so embarrassing just now."

Aaron: "How did I know that you two are planning to go on a date!"

"It's not a date, it's just going out for a walk after dinner. I'm about to go back to my country, so it's impossible for me to have anything to do with him!" Hazel explained.

Aaron saw Hazel's sincerity, so he said: "Okay! You can ask him out tomorrow!"

Hazel: "When he sees us together, he might think about our relationship! Maybe he won't let me go to his house tomorrow."

Lucas returned home, looked at the clean house, frowned slightly.

The last person who took care of his daily life so meticulously was Siena.

Although Hazel's appearance was different from Siena's, her identity was different, and her personality was also different, but Lucas felt the shadow of Siena in Hazel like never before.

Especially when looking into Hazel's eyes, he felt like seeing Siena.

Lucas returned to the room, turned on the computer, entered the network of Aryadelle, and checked Hazel's information.

But apart from Hazel's university and internship experience, no other information could be found.

In this case, there were only two possibilities.

The first possibility was that Hazel's identity was extraordinary!

So outsiders couldn't find any information about her. Everyone could only see the information she wanted to show the outside world.

The second possibility was that Hazel University may not have been in the Aryadelle before.

Both scenarios were possible.

Lucas thought about this problem until very late before falling asleep.

At night, he had a dream.

He dreamed of Siena.

He dreamed that Siena came back to find him, and Siena told him with a smile that she was not dead. Now out of college, so back!

He asked Siena in his dream, are you Hazel, is Hazel you...

Siena looked at him with a smile, and when Siena opened her mouth to answer this question, he was startled awake!

When Lucas woke up, it was already dawn.

He reached out and touched his forehead, it was covered with sweat!
