

When His Eyes Opened Read Novel Chapter 3114

Novel Chapter 3114 -Hazel understood her mother's mood: "Oh, will you tell me in advance when the time comes?"

Avery: "Of course. You still have to pay attention to safety over there."

Hazel: "I know. Mom, don't worry!"

Avery: "Yes."

After hanging up the phone, Avery came out of the bathroom.

It was night in Aryadelle.

When Avery called Hazel just now, she went to the bathroom to call.

Avery walked to the side where Elliot was sleeping worriedly, and patted Elliot.

"Honey, wake up." Avery turned on the bedside lamp, "Hazel won't be coming back for a while."

After hearing this, Elliot immediately opened his eyes and sat up: "Hazel isn't coming back?"

"No... She's not coming back for the time being. She said that she will come back when Hayden gets married. Because she found out that she likes Lucas."

Elliot frowned suddenly: "Why did she suddenly change? Did that kid give our daughter to..."

Avery: "Don't think about it! It's definitely not what you think! Hazel said that she found out today that Lucas had done her a big favor three years ago. She only found out today."

Elliot: "What's the rush?"

Avery: "I didn't ask carefully. Husband, we have to send someone over to look."

Elliot: "I'll go directly!"

“You will only reveal your daughter’s identity if you go.” Avery pressed Elliot, who was about to move, “Besides, we are going to organize a wedding for Hayden now. After Hayden’s wedding, if Hazel still refuses to come back, we will go to Thopiavelle.”

“Honey, it is absolutely impossible for me to agree to Hazel’s marriage to Thopiavelle. Even if Hazel insists on being with that brt, *that brt* can only come to Aryadelle.”

“I think the same as you.” Avery replied, “I believe Hazel can understand us too.”

....

Thopiavelle.

Hazel and Lucas had dinner together.

Lucas thought this was the last dinner with Hazel, so after eating, Lucas said, “Have you bought gifts for your family yet?”

Hazel shook her head: “I haven’t bought it yet!”

Lucas: “Will your cousin pick you up later?”

Hazel: “I should go back by myself. It’s not too far from the hotel I’m staying in. It only takes me half an hour to walk back.”

Lucas: “Leave early! Otherwise it’s not safe when it gets dark.”

Hazel: “The urban area should be okay! There are street lights on the street at night!”

Lucas: “Whether it’s safe or not has nothing to do with whether there are street lights.”

Hazel thought for a while and said, “If you’re worried that it’s not safe for me to go back, you can send me away!”

Lucas: “...”

Hazel: “Aside from working overtime and playing games at night, you should have nothing else to do, right?”

Lucas: "You really deserve a beating for what you say."

Hazel blushed and asked with a smile, "Did I say something wrong?" After a pause, she continued, "I made a decision today, that is, I will not leave for now."

Lucas frowned: "Why don't you leave?"

Hazel: "Because I think I like it here! And you are very kind to me..."

Lucas: "What do you mean? You don't want to stay at my house, do you?"

Hazel: "No...I know I don't cook very well...Actually, I can work in your company. You have read my information, I think I can help you...There should be a lot to do."

Lucas: "What exactly do you want to do?"

Hazel couldn't help laughing: "You are a big man, are you still afraid of me, a little girl?"
