

When His Eyes Opened Read Novel Chapter 3119

Novel Chapter 3119 -Hazel nodded: "A little bit."

Lucas: "Then you hide later."

Hazel couldn't help laughing: "That's not the case. I'll stay quietly by the side later, and I promise not to talk!"

Lucas: "I'm talking about things, why do you stay in my office?"

Lucas felt that Hazel didn't have the consciousness to be an assistant.

Hazel: "It's not about important things. Brother Niko said, you don't really want to accept other people's investment. If that's the case, why can't I listen here? I can give you advice, in case the other party digs a hole for you, I can remind you in time."

Lucas: "If the other party digs a hole for me, do you think I can't see it?"

Hazel cleared her throat: "Of course I don't mean that. What I mean is... I'm not in the way here, why don't you let me listen to the gossip? I want to learn more! I don't make trouble, I promise not to make any noise."

Lucas's gaze stayed on Hazel for a few seconds.

He seemed to be thinking about whether to let her stay in the office to watch the excitement later.

"Boss, do you want tea? I bought a can of scented tea last night. I'll make you a cup. You can try it!" Hazel took out a can of scented tea from the display cabinet next to her, and before Lucas could speak, she directly took Lucas's water cup away and went to the tea room to make tea for him.

Lucas: "..."

Lucas had been deluding himself ever since Hazel entered his life.

That is, Hazel was his master, and he was just a chess piece that Hazel played with at will.

Of course, he could see that what Hazel did to him was for his own good.

It was impossible for others to do things like cleaning his house, buying vegetables and cooking for him for free.

So it was also difficult for him to be too fierce to Hazel.

After all, Hazel's purpose was not to be unable to get along elsewhere, but to stick to him.

After a while, Hazel brought the brewed scented tea to Lucas's table.

"Boss, try it." Hazel looked at him expectantly.

Lucas glanced at the chrysanthemum in the cup: "It was soaked in boiling water, you want me to drink boiling water now?"

Hazel scooped up a very small spoonful of tea water, blew it, and then fed it to Lucas's mouth: "Drink less and it won't be hot! Try it, I added honey in it, it will definitely be good drink."

Lucas: "I don't like sweet drinks."

Hazel: "This is not sugar water. This honey is delicious! You won't gain weight after drinking it. Why don't you try it!"

Lucas couldn't hold her back, so he drank the tea in the spoon.

The office door was pushed open, and Niko came in with investors. Seeing this scene, he was shocked in place.

Seeing the three people standing at the door, Lucas immediately got up from the chair.

Hazel followed to look towards the door, and was attracted by the beautiful woman beside Niko.

This beautiful woman had flowing long curly hair, wearing a tight white dress, and her facial features were as delicate as a heroine who came out of a movie.

Standing next to this beautiful woman was a man wearing glasses who looked like the woman's assistant.

Were these two investors?

When Hazel looked at the curly-haired beauty, the curly-haired beauty also looked at Hazel.

Niko smiled and said to the curly-haired beauty: “Miss Yoder, this is Lucas Hogan, the boss of our company.” Niko said, and then introduced to Lucas, “Lucas, this is Miss Yoder. She has come to negotiate with us in place of her father.”
