

When His Eyes Opened Read Novel Chapter 3120

Novel Chapter 3120 -Hazel murmured in her heart: Brother sent a beautiful woman to test Lucas on purpose, right?

After Miss Yoder shook hands with Lucas, the two sat down on the sofa.

Hazel took her mobile phone and sent a message to her sister: [Sister, my brother deliberately sent a super beautiful beauty over. As a woman, I am attracted to her. Brother is too cruel!]

Layla: [Hahahahaha! You take a picture and show me! Look how beautiful she is!]

Hazel raised her mobile phone, facing Miss Yoder, ready to press the shutter.

At this time, Niko strode up to Hazel: "Hazel, go get Miss Yoder a glass of water!"

Hazel immediately put away her phone and asked Miss Yoder: "Miss Yoder, what would you like to drink?"

Niko was slightly surprised: "Does our company have anything else to drink besides water?"

Hazel: "I bought scented tea, and there is also the best Sophora japonica honey! Brother Niko, do you want to try it?"

Niko: "Let's entertain the customers first!"

"Oh..." Hazel looked at Miss Yoder.

Miss Yoder also looked at Hazel: "Just give me a glass of water."

Hazel: "Okay, do you want hot water, cold water or warm water?"

Miss Yoder: "Warm water."

Hazel: "Okay, just wait a moment."

After a while, Hazel came over with two cups of warm water and put them in front of Miss Yoder and her assistant respectively.

Miss Yoder took the warm water and thanked politely: "Thank you."

Hazel: "You're welcome."

Hazel finished speaking with a smile and stepped aside.

Miss Yoder saw that Hazel was standing in the office and didn't intend to go out, so she chatted with Lucas directly.

Miss Yoder: "Mr. Hogan, hello, my father saw the games you made before and thought you had great potential, so he wanted to invest in you."

Niko walked up to Lucas and sat down: "Miss Yoder, your father is really discerning. Lucas is indeed very powerful. You will definitely not lose money if you invest in him."

Miss Yoder smiled and nodded: "I came here today to convey my father's meaning, and at the same time, I want to know Mr. Hogan's thoughts."

Niko immediately winked at Lucas and asked Lucas to speak.

Lucas: "I can accept investment, but I don't accept investors interfering with my work."

Miss Yoder nodded: "Any other requests?"

Lucas: "Not for now."

Hazel took a mobile phone and secretly took a picture of Miss Yoder.

After successfully taking the sneak shot, Hazel sent the photo to her sister.

Layla saw the photo and sent a bunch of hahahaha.

Hazel replied: [Sis, why are you laughing like this. Do you know this woman?]

Layla: [I don't know. But this woman is indeed beautiful. She looks very glamorous, and younger men will prefer this type. Brother's move is really ruthless!]

Hazel felt a little uneasy: [If Lucas fell in love with her, then I would go back to Aryadelle.]

Layla: [Hahaha! Don't be sad, Hazel, if you can't pass such a simple test, then this man will definitely not be able to marry.]

Hazel: [Well, I know.]

Hazel put away her phone and looked over to the sofa.

Miss Yoder took out a document and handed it to Lucas: "Mr. Hogan, since you have the intention of cooperating, please fill out this form. After filling it out, I will take it back and show it to my father."

Hazel heard what Miss Yoder said, and immediately walked towards Lucas, wanting to see what kind of form this was to fill.

Hazel stood behind the sofa where Lucas was sitting, with her head down, looking at the form in Lucas's hand.

Lucas smelled Hazel's unique fragrance, and immediately turned her head to meet Hazel's eyes.
