

## When His Eyes Opened Read Novel Chapter 3121

**Novel Chapter 3121** -Hazel looked at Lucas's face and blinked: "Boss, I'm curious, so I came here to have a look."

Lucas: "What did you say before, do you remember?"

"I said I would never speak. I did not speak just now. I just came to see."  
Hazel looked sincere.

Lucas was speechless at her words.

Niko couldn't help laughing out loud: "Hazel, you are really not afraid of the boss!"

Hazel: "Is he scary? No? As a member of the company, I also want to care about the company's future development!"

Lucas's eyes moved back to the form.

Soon, Lucas frowned.

The questions on the form were really outrageous.

So outrageous that he thought he was having a strange dream right now.

For example, the first question on the form was: Is the body healthy? Are the parents in the family healthy? Is there a genetic disease?

The second question was: How many times have you been in love? How is your marriage status? Do you have a girlfriend? Are you married? Have you ever had a baby?

The third question was: How do you view marriage? How do you view your career?

...

Lucas's hand holding the form trembled slightly.

Mainly he was stunned by the questions in this form.

Niko sat next to Lucas, so Niko also saw the outrageous questions on the form.

Niko took the form from Lucas and took another look.

After reading it, Niko wiped his eyes and asked Miss Yoder: “Miss Yoder, did you take the wrong form? Are you sure you asked our boss to fill out this one?”

Miss Yoder smiled all over her face: “I only have this form in my bag. So I can’t take it by mistake. May I ask the question on this form, is there any problem?”

Niko laughed loudly: “Why do I feel like this is checking the household registration? Are we not a business cooperation? Lucas’s private life seems to have nothing to do with work, right?”

Miss Yoder still smiled: “Why is it okay? If Mr. Hogan is in good health, then our cooperation will be more secure! As for the issue of marriage and love, it is even more important. If Mr. Hogan is in a stable relationship, a messy private life will reduce many hidden dangers...”

Niko was persuaded and nodded again and again.

Niko handed the form to Lucas: “Lucas, go and fill it out! These questions are actually very simple...”

Lucas: “This is my privacy!”

Miss Yoder: “Mr. Hogan, you can rest assured to fill out this form. We will not disclose this form to the outside world, let alone discuss your private affairs outside. I hope you can trust us, just like we invest money in you, but not interfere with your business.”

Niko felt that the other party was very sincere, so he elbowed Lucas: “Lucas, just write it truthfully! Anyway, your situation is so simple, it doesn’t matter if others know about it.”

Lucas: “Why do I need to fill in the physical information of my parents? What does my business have to do with my parents?”

Miss Yoder smiled all over her face, intending to answer this question.

At this time, Hazel took the form from Lucas's hand.

Hazel quickly read the questions on the form, and then expressed her thoughts: "Boss, these questions have violated your privacy, if you don't want to write them, don't write them!"

Niko and Lucas looked at Hazel.

Miss Yoder spoke kindly and asked Lucas: "What position does this lady hold in your company?"
