

## When His Eyes Opened Read Novel Chapter 3122

**Novel Chapter 3122** -Niko answered first: "She is Lucas's assistant."

Miss Yoder: "Oh! Assistants can also make decisions for the boss? Mr. Hogan really dotes on employees!"

Niko laughed loudly: "That's not true. The two of them knew each other before, and it's not an ordinary boss-employee relationship."

Miss Yoder: "So that's it! Mr. Hogan, we are not very interested in your privacy. We asked you to fill out this form just because we want to know you better. After all, we have never contacted you before. As long as you fill in the information truthfully, and there is no major problem with the information, we can call you the investment money."

Niko felt that what the other party said was very reasonable, and this request was not too much, so he continued to lobby Lucas: "How about I write it for you? Anyway, I know your situation well."

Miss Yoder: "No! Every question needs to be answered by Mr. Hogan himself, so as to ensure the accuracy of the questions. My dad is very fond of a person's honesty. If Mr. Hogan is willing to answer the questions in this form seriously, My dad will be happy to send you the money."

Niko patted Lucas on the shoulder: "Lucas, make your own decision! I think Miss Yoder is very sincere."

Miss Yoder chuckled: "Of course I came here with sincerity, otherwise I wouldn't have made this trip in person. Mr. Hogan, you can think about it carefully. I will stay here for a while! What's your problem?, contact me anytime."

Lucas nodded: "Okay."

Miss Yoder took out a business card and handed it to Lucas: "Mr. Hogan, this is my business card."

Lucas accepted the business card.

Miss Yoder stood up: "Let's have lunch together at noon! I'm not very familiar with this place, it would be even better if Mr. Hogan could accompany me for a stroll when he is free!"

Lucas: "Sorry, I'm not free. If you need someone to accompany you, Niko can accompany you."

Niko laughed: "Miss Yoder, if you don't mind, I can be your tour guide."

There was no unhappiness on Miss Yoder's face, on the contrary, she had a very bright smile: "Then we can have dinner together, right?"

Lucas: "Okay. You choose a seat at noon, and I will treat you."

Miss Yoder: "Okay. Then I'll go back to the hotel first. I'll wait for your call at noon."

Seeing that Miss Yoder was about to leave, Hazel followed immediately: "Miss Yoder, let me see you off!"

Miss Yoder glanced at Hazel: "Okay!"

Hazel followed Miss Yoder to leave Lucas's office.

Niko and Lucas looked at each other.

Lucas: "Go and follow. I'm afraid she will offend people with her nonsense."

Lucas was not at ease with Hazel.

Niko nodded and immediately followed out.

Hazel held Miss Yoder's arm, and the two of them had already turned into the bathroom.

After entering the bathroom, Hazel let go of Miss Yoder's hand.

Hazel asked: "Miss Yoder, are you sent by my brother?"

Miss Yoder laughed out loud: "You know all about it?"

Hazel: "Hey, how could we keep our family affairs from me. Did my brother ask him to fill out that form?"

Miss Yoder: "Yes! Do you think there is any problem?"

Hazel: "That form is too problematic! How can you pry into other people's privacy like this?"

Miss Yoder: "Don't you want to know his details? You haven't seen him for three years, maybe he has changed? Hazel, I advise you not to interfere with your brother's plan."

Hazel: "But I feel like you're seducing him."
