

## When His Eyes Opened Read Novel Chapter 3133

**Novel Chapter 3133** -Hazel was fascinated by the sight, and couldn't help murmuring: "Lucas, I'm Siena! Don't you recognize me? Is it so hard to recognize? Although my face has changed, my personality has changed. I'm not changed! Besides me, which other girl would treat you so well?"

Hazel couldn't help sighing when she said this.

There was a knock on the door behind her.

Hazel immediately turned her head and saw Niko at the door.

She was quite frightened.

She walked quickly to the door, pulled Niko out, and closed the office door.

Hazel: "Brother Niko, why don't you make a sound when you walk?"

"I didn't make any sound when I was walking. It's obvious that you were fascinated by the man, so you didn't hear it!" Niko said this with a smile, "Hazel, is Lucas so handsome? I'm so fascinated! I don't think I'm worse than him? Why don't girls come after me?"

Hazel stared at Niko, then joked, "Lucas is more handsome than you."

Niko: "I am taller than him!"

"Is there? I think you two are about the same height!"

Niko: "One centimeter tall is also tall!"

Hazel: "Oh...I think he's just the right height, I don't like it so much if he's a centimeter over."

Niko's face was distorted with anger: "I will tell Lucas when he wakes up later, and I will say that you are staring at him like a pervert."

Hazel: "Just say what you say! I don't think he will be scared. I just stared at him, and I didn't do anything to him."

Niko: "Hazel, why are you so shameless?"

Hazel: "If I want to be shameless, you will threaten me?" After a pause, she said again, "By the way, I have already sent Lucas's form to the investor."

Niko: "So fast? What did he fill in? Tell me."

Hazel: "I filled it in. He is not willing to fill it in!"

Niko: "I guessed that he didn't want to fill it in! Then what did you fill in?"

Hazel: "I just filled it out!"

"How can you fill in the form blindly? If the investor knows that the information in the form is wrong, others may not invest in us! If I had known that you filled in the form blindly, I would have done it!" Niko's head was on fire.

Hazel: "Brother Niko, don't worry! There should be no problem."

Niko: "Are you so confident?"

Hazel: "Because Lucas didn't want this investment much at first! So even if the investment goes bad, our company will still operate as usual, right?"

Niko: "No one comforts people like you!"

In the evening, Hazel went to the hospital to visit Lucas's mother.

Mrs. Hogan was a little surprised to see Hazel coming alone.

Mrs. Hogan: "Why didn't Lucas come with you?"

Hazel: "He's working overtime at the company! I can't help him, so I came to see you."

Mrs. Hogan's face was haggard, but she was in a good mood.

"Auntie, can you eat cakes?" Hazel took out a small mooncake from her bag, "This is our country's mooncake I bought in the supermarket. In two days, it will be the Mid-Autumn Festival. In our country, I spend this holiday with the family. So I will go home when the time comes."

Mrs. Hogan took the mooncake from Hazel: "Then you go back, will you come here again?"

Hazel nodded with a smile: "I'm still here."

Mrs. Hogan laughed: "Hazel, do you like my son?"

Hazel didn't hide it: "I kind of like it."

"Did you tell him? He's a bit dull and doesn't attract girls. I'm very worried. I don't know if he can marry a wife in the future." Mrs. Hogan sighed and took a bite of the mooncake.
