Novel Chapter 3138 - "Mr. Hogan, I will get in touch with you again." The man said, "Just call me Eden."

Lucas: "You should be older than me, right?"

Eden was stunned for a moment: "I am twenty-five years old."

Lucas: "I am twenty-three."

Eden smiled: "Then you can call me by my name. My name is Eden Yancey. I will stay with you for about half a year. After half a year, I will leave."

Lucas: "Sorry, I haven't decided whether to accept this investment yet."

Eden was stunned: "You don't want such a large sum of money?"

He had never seen someone like Lucas who didn't want the money delivered to his door.

"I never thought your boss would invest so much money in me." Lucas put down the contract, said, "I haven't even met your boss in person. I don't understand why your boss trusts me so much."

Eden said: "For ordinary people, this amount of money is indeed a lot of money, but for my boss, this amount of money is not much. You don't need to think too much."

Lucas: "My company has other shareholders, and I am not the only one who has the final say."

Eden: "Are you talking about Mr. Niko Ward? When he picked me up at the airport, we chatted. He is much more enthusiastic about this cooperation than you. Of course, you can discuss it with him again."

Lucas: "There are many clauses in the contract, I need to study it carefully."

Eden: "Yes! You can find a lawyer to help you."

Lucas: "Yes."

Eden: "Is there a better house near your company? I plan to rent a house near your company."

Lucas showed embarrassment: "You can stay in the hotel first. Because I haven't decided whether to sign this contract yet."

Eden laughed loudly: "Okay, okay. Then I'll find a hotel first."

Lucas: "I'll drive you there!"

Eden: "Okay! I'll trouble you then!"

After Lucas sent Eden to the hotel, he returned to the company.

Niko saw Lucas and immediately followed him into the office.

"Ye, I saw the contract on your table just now. I didn't expect them to vote us 10 million." Niko was shocked, "It feels like a dream."

Lucas: "We are not worth that much money now."

Niko: "Don't belittle yourself! Since others think we are worth so much money, why should we refuse?"

Lucas: "I'll think about it again."

"What's there to consider? I read the content of the contract, and there aren't too many restrictive clauses in it. They don't interfere with our work content, and they just need to report on time. Lucas, what are you afraid of?" Niko was dazzled by joy, so he didn't quite understand Lucas's worries.

Lucas: "I never believed in the fact that there is a pie in the sky."

The smile on Niko's face disappeared: "Do you want to refuse?"

Lucas: "I didn't say I would refuse. I just need to calm down again."

"Okay!" Niko changed the subject, "Hazel has returned to Aryadelle, has she contacted you?"

Lucas had an unnatural expression on his face: "Why are you asking this?"

Niko: "I'm just curious! She likes you so much, I really hope you two can make it. Her family must be in good condition. If you marry her, you will be less stressed!"

Lucas frowned: "Are you thinking too much? You said that her family is well-off. Do you think her family will let her marry me? Fantastic!"
