

When His Eyes Opened Read Novel Chapter 3145

Novel Chapter 3145 -Hazel looked at Niko's reply, and immediately replied: [Brother Niko, how is Lucas doing recently? Is he all right?]

Niko: [He's all right! Recently, the investor sent a man over to pester him every day.]

Hazel: [Huh? Is it what I think it is?]

Niko: [What do you think?] [

]

Hazel: [Didn't you say that man pestered him every day? That guy likes him?]

Niko: [Haha! Should not be! That man is not very familiar with our side, so we drag him wherever we go. But he doesn't like to play outside. Originally I said I should go with that person, but that person didn't want to.]

Hazel: [Where did they go to play?]

Niko: [Bars, nightclubs... are the places where men prefer to hang out!]

Hazel: [...]

Niko: [Haha, I feel that the two people sent by this investor are not serious. Hazel, I will tell you about the matter here when you come over. Are you home having fun?]

Hazel: [It's fun!]

Niko: [No wonder you have been back for so long. I thought you didn't plan to come to Thopiavelle anymore!]

Hazel: [I promised to go back, so I will definitely go back. Brother Niko, do you have any gifts you want? I can bring it to you.]

Niko: [I heard that there is a very powerful company in your country that manufactures drones. It seems to be called Tate Industries... Can you help me buy a newest drone? I can transfer the money to you, just bring it for me!]

Hazel smiled: [No problem.]

Niko: [By the way, there has been big news in your country recently. We have good media reports here! Do you know Hayden Tate? He's the brother of the boss of the Tate Industries that I just mentioned. Hayden recently got married to a commoner woman.]

Hazel couldn't help it, and laughed out loud: [You know it all, and of course I know it too.]

Niko: [Tell me, how happy you must be to be born into such a wealthy family!]

Hazel: [Yes.]

Niko: [Hazel, your family is quite rich, what class is your family in Aryadelle?]

Looking at the information on the phone screen, Hazel wondered if Niko knew her identity.

Otherwise, after mentioning Tate Industries, he would mention eldest brother, and now ask about her family's class.

Hazel: [Brother Niko, let's talk in detail when I go to Thopiavelle.]

Niko: [Alright! Waiting for you to come over! If it is inconvenient to carry the drone, then send me an international express.]

Hazel: [OK! I will send it to you!]

After chatting, Hazel twisted her neck and found her sister standing beside her.

Hazel stood up immediately: "Sister, when did you come here?"

Layla: "I've been here long ago. I saw you were giggling, so I came here to ask what you were doing, who knew you didn't notice me at all."

Hazel: "Haha, chatting with a friend."

Layla: "From Thopiavelle?"

Hazel: "Yes."

Layla: "Lucas?"

Hazel: "No. He is Lucas's friend. The company they started together."

Layla: "Oh, is it so fun to send a message? Wouldn't you be happier when you were with Lucas?"

Hazel: "Different happiness."

Layla: "You two haven't confirmed your relationship yet, so what if you confirm your relationship?"

Hazel: "Maybe confirming the relationship will not be as exciting as it is now."

Layla: "Life can't be intense all the time. If you really want to be so nervous and exciting all the time, you will either have a heart attack or high blood pressure hahaha!"

Hazel: "Sister, I have booked a flight ticket to Thopiavelle tomorrow. Haven't told my parents yet."

Layla: "You've already booked your flight, so tell them! I asked Harry just now, and Harry said that Lucas has not yet fallen into the hole dug by the elder brother."
