

When His Eyes Opened Read Novel Chapter 3155

Novel Chapter 3155 -Seeing that Lucas was more persistent, Hazel didn't say anything more.

Hazel: "I trust you."

Lucas: "What do you believe in me?"

"I believe you will be very powerful in the future. At least you will be more powerful than you imagined." Hazel boasted, "It is meaningless for us not to compare ourselves with others. We live for ourselves, not to meet other people's expectations."

Lucas: "I don't have such high ambitions."

Hazel: "You don't need to be too ambitious! I know what you're thinking, you're afraid that you won't be good enough for me, and my family will object, aren't you?"

Lucas did not speak.

Hazel: "My parents are not like that. You may not believe me when I tell you this. When there is a suitable opportunity, I will take you to meet them. Even if we are just ordinary friends, you can still meet my parents!"

"Let's talk about it later!" Lucas picked up the water glass and took a sip of water.

Hazel: "Well. Anyway, we are still young, so don't worry."

After dinner, it was half past nine.

There were significantly fewer cars on the road.

"I'll take you back to the hotel." Lucas said.

Hazel shook her head and said, "I'm too full; I want to take a walk. You walk with me."

Lucas: "Okay."

“Are you tired? If you are tired, go back and rest first.” Hazel thought that she slept in the afternoon, but Lucas might not have slept.

Lucas: “Not tired.”

Hazel: “Even if you are tired, you will say you are not tired.”

Lucas: “Then you still ask.”

Hazel: “I just want to ask! You don’t take the initiative to ask me questions.”

Lucas looked at Hazel and said, “What do you want me to ask? Do you live in Aryadelle? You can guess that your life is wonderful without asking.”

Hazel smiled and said, “You think too much. You see, my family is so good. When I return to such a family, the pressure is actually quite high. They chose a very good university for me, and the students in it are very special. Excellent; I can’t compare with others at all. In order to catch up with others, I have to spend more energy studying than other students. In the past three years, I have been studying hard. I finally graduated, and I finally breathed a sigh of relief.”

Lucas: “What are your plans next? Does your family have any demands on you?”

Hazel shook her head and said, “They never put any pressure or demands on me. They think that I am safe and healthy. I studied hard before, which is also the pressure I put on myself.”

Lucas did not speak.

“Including my coming to Thopiavelle now, they didn’t stop me. But they made me a request, that is, I can’t marry far away.” Hazel told Lucas about her embarrassment, “I have been with you since I was born. They have been separated for eighteen years; they don’t want to be separated from me, and I don’t want to be separated from them again, so I agreed to their request.”

Lucas understood very well: “Yes. You can go back after a while! This place is far inferior to Aryadelle. It is inferior in every aspect.”

“I will go back, but not now. Let’s talk about it later!” Hazel didn’t want to put pressure on Lucas, “Lucas, don’t think too much, don’t put too much pressure

on yourself. If you like me too, then you must not give up on me easily because you think you are not worthy of me. I can give you time, and I can wait. “

Lucas’s footsteps stopped; her Adam’s apple rolled, “You can choose a better one when you go back to Aryadelle.”

Hazel: “For me, you are the best.”
