

When His Eyes Opened Read Novel Chapter 3162

Novel Chapter 3162 -Lucas: "No need. Let's see what's going on when I meet them!"

Niko: "Lucas, don't be afraid. Although we are not as good as them, we cannot lose in momentum. You must behave neither humble nor overbearing, otherwise you will be looked down upon by others."

Lucas did not speak.

Niko changed his mind again: "Forget it, you should have a better attitude then! Don't pretend to be aggressive in front of others. After all, others are much better than us."

Lucas: "Go to sleep!"

"I can't sleep! With such a big news, I will definitely lose sleep tonight. Hayden is my idol!"

Lucas: "I'm going to sleep."

After Lucas finished speaking, he hung up the phone.

The next day, early in the morning, the door of Lucas's house was slapped.

Lucas got out of bed in the middle of a sleep and half awake, opened the door, and Niko walked in immediately.

"Lucas, why are you still sleeping? How are you sleeping? I didn't sleep all night last night, and I still can't sleep now." Niko yawned after finishing speaking.

"What are you doing here when you can't sleep?" Lucas rubbed his eyes, "What time is it?"

Niko: "It was past six o'clock when I went out, and it must be seven o'clock now! Don't sleep! Let's go out to have breakfast later, and then I will take you to a haircut!"

Lucas: "???"

Niko stared at Lucas and sized him up and down, “I have to buy you some decent clothes. Otherwise, how would you meet people on Friday?”

Lucas: “Why can’t I see people anymore?”

Niko: “Your clothes are too bad! You can’t get on the stage!”

Lucas: “Have you lost your mind? I think my own clothes are very good. If her brother thinks my clothes are not good, then forget it!”

Niko: “Look at you, you are so stubborn! Only Hazel can stand your bad temper! When you buy new clothes to meet others, you also show respect for others. Your old clothes are faded and loose. Yeah, not formal at all.”

Lucas turned around and walked towards the bedroom.

Niko followed him.

Lucas opened the closet, took out a T-shirt casually, and put it on.

“Lucas, I usually listen to you, but this time you listen to me! I won’t hurt you. How much courage is needed for Hazel to come all the way here to pursue you! Now her elder brother is coming here specially to meet you, it’s also giving you enough face!” Niko persuaded.

Lucas: “Stop talking! I’m dizzy from talking about it.”

Niko: “Go and wash up! We’ll go out after washing up.”

Lucas took his trousers and put them on: “It’s so early, no one else’s shopping malls are open!”

“Let’s go out for breakfast first! The breakfast shop is open!” Niko looked anxious, and those who didn’t know thought he was the protagonist of Friday.

After the two had breakfast outside the meeting, Niko finished eating as quickly as possible, and then called Hazel.

“Hazel, I’ll take Lucas to buy clothes later, do you want to come together?”

Hazel was still in bed. She slept very late last night, so she was still sleeping.

Hazel’s voice was hoarse: “Okay...Okay! Where are you? I’ll go find you.”

“No need! We’re going to pick you up from the hotel after breakfast. You haven’t had breakfast yet, have you? What do you want to eat? We’ll bring it to you.” Niko was full of enthusiasm, “Lucas is very concerned about your elder brother coming. Hazel, you must speak for Lucas on Friday, and don’t let your elder brother bully him!”
