

HIS FAVOR - CHAPTER 10: ABOUT TO FIGHT

An Chu walked into the class as usual, obviously still the same person, but the aura through the body seemed to have changed again.

The other students in the class naturally also noticed this phenomenon.

Classmate A: "Classmate, why do I feel An Chu has become better looking?"

Table B looked up for a moment: "It is indeed better looking, but I can't tell where it has changed."

Classmate C: "Yes, the features obviously have not changed, but it feels like a porcelain doll today"

"Damn!!! You feel the same way, I thought I was the only one who felt it, my features are much more refined"

"Speaking of which, together with a few years seem to have not noticed her features, did not expect so good-looking ah, I do not know if it is still too late to chase?"

"Think beautiful, you look so ugly, I chase is almost"

"Get lost"

.....

"Huh? I know, I know what's changed, temperament! It's temperament isn't it!!!" A student exclaimed as if she had discovered something

She reminded the crowd as if they also reacted to it

"My mother ah, temperament can make people so good-looking, I now cultivate my girlfriend temperament is not too late?"

"Think too much you, you simply do not have a girlfriend-"

"Zha Zhi Xin, old iron"

"But then again, people are already so good-looking, just the original are low, did not care about it"

"No, no, no, I should say that the original so a delicate face, but it is cowering incomparably, giving a sense of incongruity, always feel less harmonious feeling, but nowadays, I have to say, cowering or really beautiful ah."

"That's right, the kind of temperament on her body feels as hazy as a mist, but also soft and weak, just want others to pity her kind of feeling."

"Crap! You a female so evaluation, you will not be bent, right?"

"Maybe"

So many people discussing, An Chu naturally noticed, only did not expect the protagonist is himself.

As usual, sitting in his seat, pulling out his textbook to study quietly

"An Chu students, can I have your contact information?"

Anchu suddenly felt a shadow looming over her head, and looked up in confusion to realize that she was being called.

"I'm very sorry, I don't have a cell phone." An Chu looked at him sincerely

The student originally thought An Chu is perfunctory him, this era no cell phone, really think he is stupid, but looked at An Chu sincere eyes but feel that she said is true, and finally a face confused to go.

"Huo Huo Huo The first thing you need to do is to get a good idea of what you're doing.

Huo when puzzled looked up just in time to see being to contact that scene, see that person with a disappointed face away, and then a sigh of relief.

"What nonsense, did not see the old sister to the rejection of it?"

Blue Min: "... Huo, you when I just did not see your nervous eyes it"

Demolished Huo: "... That's my sister, who dares to ask me to kill him in the future"

Blue Min a face of contempt: "Huo, you are too much, how do not allow our sister to attract peach blossoms? Now inexperienced in the future by people can be cheated how to do?"

The face of Huo Shi suddenly darkened, gritted his teeth and said: "Anyway, not now, delaying her studies"

Blue Min: "Oh, it's useless for you to talk to me..."

Huo Shi, who realized what a stupid thing he had done: "....."

Until the class bell rang, Huo Shi witnessed wave after wave of people asking for contact information, and his heart was suddenly clogged with anger.

"Du Saner, you say our brother Huo since he is so unhappy with people looking for An Chu to ask for contact information, why not stop it?" Blue Min witnessed the entire blackface Huo opening.

Du Ruan smiled with a profound face and said two words: "qualifications"

"What do you mean?" Lan Min face confused

"Say you melon you still do not believe," Du Ruan a look at the retarded look.

"Roll~, Du Saner what do you mean, want to fight, right?"

"Hey hey~, don't be angry, you see what kind of relationship Huo and An Chu are?"
Du Ruan opened his mouth

"Brother and sister"

"Is it pro?"

"No," Lan Min then answered.

"This is not it, our brother Huo even in want to stop also have to take into account the feelings of An Chu, just a few days to know the brother to their peach blossoms all plucked you will be happy ah?"

"That's not true."

"And ah, even if you do not take into account An Chu, our brother Huo how can stop? If you stop it, it means he is interested in An Chu?"

"But our brother Huo already likes An Chu ah," Lan Min doubted

"The two of you stand outside, you're still so lazy in class," the teacher on the stage had a serious face.

The truth has been known to Lan Min not the slightest hang-ups, nimbly to the outside, Du Ruan followed closely.

The teacher's face on the stage was dark

Standing outside, Lan Min spoke to Du Ruan: "Du San'er, do you want to go?"

"Yes."

.....

The two of them went to two classes, and when they came back, both of them were obviously injured, especially Du Ruan's eyes were blackened on one side.

The two of them walked around the campus with obvious anger around them, none of them dared to come forward to talk.

Back in class, Huo Shi looked at the two with bruises and swollen faces and spoke, "What happened? What happened?"

Lan Min and Du Ruan bowed their heads, both reluctant to say, the reason being that it was too humiliating.

"Speak!" Huo Shi aggravated his tone.

"Huo is the gang from the third middle school." Lan Min said in exasperation.

"Haven't they already been beaten into submission?" Huo Shi was also puzzled

"They have a new transfer student who said he wanted to dominate the first, second and third middle schools, and just happened to see the two of us and took us both out?" Du Ruan opened his mouth.

"So the two of you together didn't beat him? You've been practicing martial arts all these years for nothing?" Huo Shi opened his mouth.

"How is it possible, Brother Huo, there are more than ten of them, we are just the two of us" Lan Min opened his mouth

Suddenly

"Brother ~" a soft voice sounded

Huo Shi looked up and spoke in confusion: "An An? What are you doing here?"

"I just saw that Brother Blue and Brother Du were injured, so I went to the infirmary to get some bruises and injuries medicine," An Chu spoke somewhat shyly.

In the end, a girl is careful and noticed this point.

"Thank you sister~" the two spoke in unison. This moment also treats An Chu as a real friend, their circle can rarely be someone to come in, they used to be because of Huo's face, but at this moment they are sincerely accepted. A person who gives sincerity, they naturally also have to return with sincerity.

The actual fact is that you can find a lot of people who have been in the business for a long time.

The actual fact is that the actual person is not only the actual person, but also the actual person.

"The first thing you need to do is to get a good idea of what you're doing.

"The first thing you need to do is to get a good idea of what you want to do. Blue Min then spoke

The face of Huo Shih became unsightly: "Of course you have to go, otherwise you two are not considered to be beaten in vain?"

"I knew Huo wouldn't abandon us, a great kindness, no way to repay it but to promise my body ~" Lan Min looked touched.

"Roll ~, I do not engage in gay"

"Fuck! If you don't want to, you can let our sister to also ah, you are going to murder?" Suddenly Du Ruan a ghostly wail.

"The actual fact is that the actual person's sister is not your sister," Huo said, as he pressed a cotton swab with medicine on Du Ruan's face.

"Grass grass grass grass ~ know brother Huo, lighter ah ..."

"Brother, why don't I do it?" An Chu at this moment also gave Lan Min on the medicine spoke
