At this time was ignored Du Ruan: "....."

Suddenly blue Min seems to remember what some low said: "My face injury, if my little uncle saw it is estimated to tell my old man again."

Du Ruan gave him a white look: "Are you a pig? Find an excuse to put off the past can not? What fell down, hit a tree, hit by a car"

"Du Saner, you can't hope for my good? Do you think my little uncle is a fool?" Blue Min angry

"Can't."

"Blue brother, you are not seriously injured, at home slightly lower a little head, if you do not look carefully then should not be able to see ~" An Chu in a side explanation

"Look, it's really my sister who is thoughtful ~" blue Min hands cupped heart-like

An Chu pursed his lips and smiled, this smile like a pear blossom bloom, Huo time also was indistinct for a moment.

"Crap! Huo brother, why do you have a demented face?" The company's main business is to provide a wide range of products and services to its customers.

Huo Shi's forehead jumped: "Roll~"

"Well then, sister An Chu I was abandoned by brother Huo, you must love me~"

Lan Min looked like an abandoned woman

"Blue two children, I think if you are looking for a draw, Huo may really meet you."

Du Ruan suddenly righted himself on the side and said

"What are you talking about? The actual fact is that you will not be able to get the best out of your own personal computer.

The company's main business is to provide a wide range of products and services to its customers.

"The fools can see that Huo wants to beat you up, right?"

Feels like he was connoted by the blue Min: "....."

On the contrary, Huo Shi, slightly messy black hair, handsome face, school uniform buttons slightly loose two, but like a cocky and unrestrained young master.

The first thing you need to do is to take a look at the website.

The company's main business is to provide a wide range of products and services to its customers.

"Why, it's your master me, last time beat the two next to you, this time even you are also playing, so that you know who is the king of this area."

"Heh ~ King? I think it's the king," Huo mocked back

There was a chorus of laughter

"You... Don't be a hardass, you'll be on your knees begging for mercy..." The face of the yellow hair on the other side became ugly

"Since you want to kneel so much, then Huo Shi words fell, Huo Shi side of the people directly rushed up, the two sides immediately fought.

The two sides immediately got into a fight. They said they were actually holding their own guys, swinging towards each other, wooden sticks, bottles, bricks

Huo Shi did not take anything, but still in the crowd to swim with ease.

The first thing you need to do is to take care of a few people and then kick them in the head, followed by a kick to the chest and a punch to the stomach.

"All fucking stop!" Huo Shi brought a loudspeaker from nowhere and shouted.

The crowd looked in Huo's direction and found Huang Mao standing there with his back collar and a bruised nose, as if he was a defeated rooster.

The people of the third grade naturally had no fighting spirit, as their own boss was almost killed by the other side.

The faces of the people of the first school were full of pride, especially Lan Min, a feeling that his tail was going to the sky.

"You guys go back first," Huo Shi opened his mouth, making the people of the first school look at each other, and the people of the third school also do not know what to do.

But his boss has spoken, the people of the first middle school, although they do not understand, but also go away.

And look down at the time: "time is also late, do you want us to send you back?"

"No, my family will be worried if they see it," Huo replied.

"Then, you take care on the road, we will go back first," the police spoke

The yellow hair, who happened to be arrested, heard this sentence and shouted in anger: "Huo Shi, you wait for me, I will not let..."

The words have not finished, this police officer directly walked over and snapped - a hit on the head of the yellow hair: "Now still do not know how to repent eh?"
