

HIS FAVOR - CHAPTER 14: GUAN XING YUAN

And so it went on, for about ten minutes or so.

A small villa, Huo Shi body casually around a white color bathrobe, the water on the hair is still dripping down, looks handsome and wild, one hand holding a hair dryer blowing hair, the other hand to look at the phone, see An Chu sent a message, directly throw the hair dryer casually

"An An, where is my brother?"

"Brother was just in the shower"

"What's wrong, what happened?"

"Talk to me, I'll give you a break."

The first time I saw the message from Huo, I had a very complicated feeling in my heart, so in this world, there are always people who care about her.

I thought about it and replied

"No matter brother, just want to talk to you"

Huo time to see this sentence, the heart thought must be aggrieved, but do not want him to worry, how good a girl ah

"Is that your stepmother has bullied you? The actual fact is that you'll be able to get a lot more than just a few of these.

"The actual fact is that you'll be able to get a good deal on your own, and you'll be able to get a good deal on your own..." An Chu also did not see the outside

"What do you mean thank you? I'm not sure if I'm not a good person. Huo Shi sent over

The next thing you can do is to say, "You must tell your brother what you have suffered, don't hold it in your heart, you will easily get sick!"

An Chu: "....."

The two spoke for a while, at the end, An Chu spoke: "Brother, there is a weekly test next week, how about I help you make up for it"

"Hahahaha sister ah, what silly things to say, hanging a dozen years, make up classes for me useful?"

"Yes it brother, good night / smile"

Huo Shi looked at the smile expression, a dumbfounded, must be An An does not understand the smile meaning, and then nodded self-affirmation: it must be so

"Good night" Huo Shi returned to the past, and then proceeded to work on their own business.

I don't know the red line of the moon to hold not, steel and cement soil are broken off a

.....

Another sunny day, the class teacher Pan language teacher came to the class as usual

"Everyone quiet, there is something to announce with everyone ~"

The crowd suddenly silenced and looked up at teacher Pan

"Okay, you can come in now" said Mr. Pan to the door

As Mr. Pan's words fell, a figure walked in and immediately caught the eyes of the crowd

A pair of gold-framed eyes, handsome features, and the warm temperament, a class of girls said, ow ~ their class ushered in another schoolboy, this is the other class envy can not benefit, they are also too Mrs. ... too happy. So happy!

I heard the teacher say, "Let's introduce to you, this is the new classmate who came to our class, it is said that the official students are also very good grades, we must get along well ah, come official students, introduce yourself"

The official line far pushed their own gold frame "Hello everyone ~ I am the official line far, but also please give you more guidance," said, also raised a big smile

The following female students immediately boiled up, loudly echoed: "sure to teach ~"

An Chu looked up seriously at Guan Xing Yuan, and then lowered his head again to continue his own business

"All right, are girls, also not reserved" Pan teacher interrupted and said

Then a girl below picked up a sentence: "Teacher, my tablemate is a boy, but he also shouted"

Teacher Pan: "....." This class of students is really difficult to lead

Pointing to a seat, spoke, "Guan Xinyuan you sit there"

"Good ~" smiled and agreed, then sat on the right side of the fifth row by the window seat

Then Guan Xing Yuan sized up An Chu sitting in the center of the front row, she just stared at him all the time, that pair of clear big eyes is really unforgettable to him

"And then there is one more thing, today these two classes exam"

"Ah ~ not the day after tomorrow to start the weekly test?" The crowd wailed in unison

"ah what ah, you are senior, not senior high school, still thinking about playing it, not allowed to turn in early, everyone must be serious up, not allowed to hand in white papers hear, our class last a certain Huo surnamed students, handed in a few white papers, this is irresponsible to their lives know? Do you think you can live up to your teacher? To the parents?"

The teacher's words fell, the people all look at the back row playing with the phone
Huo Shi

The first thing you need to do is to get out.

Pan teacher: "....."

The atmosphere is a little awkward, the crowd looked at the face of the teacher Pan, white to green, from green to purple, from purple to black, a moment like a palette of colors, a group of students at the bottom to hold the laugh

It took a while for Mr. Pan's face to slow down

"Study member, distribute the test papers down"

said, directly slammed the door to leave, the crowd said, Pan teacher is so difficult ~, another day of dislike by the bully

Huo Shi as always open the test papers, ready to make up a sleep first

"Hey hey ~ Huo brother Huo brother, you sleep again ah" Du Ruanzi shouted from behind

"Du Er'er, say something quickly have fart quickly put, in disturbing the old me to sleep, I give you not finished ~" Huo grumpy online

"Brother Huo, do you think the new transfer student is particularly handsome?" Du Ruan then spoke

"It's none of my business" Huo rolled his eyes

"The new student is a very good person.

"Cut the crap and say what it means?" Huo Shi looked at Du Ruan

The new transfer student has been looking at An Chu? He seems to be thinking about it, do you think he is interested in An Chu?"

"He dares?" Huo Shi blurted out, then reacted to his own overreaction, opened: "should not it, they should not have any previous interactions, and besides, An An certainly will not like him"

"Cut ~ are you An Chu? How do you know people won't like" Du Ruan rolled his eyes at Huo Shi

So said, Huo when also really compared the two of them, on the face, not comparable, fart, they are better, on the height, are almost 184 or so, on the family, back from abroad should not be bad money, in is the achievement, he is the school bully, himself is the school dregs, think of this Huo when panic: "hell ~ An An will not like the school bully, right? "

Du Ruan face confused, a moment did not keep up with Huo Shi's brain circuit: "Huo, what the hell are you thinking ~ what school bully? The actual fact is that you'll be able to get a lot more than just a few of these.

Huo Shi: "....."

"But then again, how come you're staring at transfer students, or at An An?"

Feeling Huo Shi's sorrowful eyes, Du Ruan loudly a: "Damn, Huo, where do you think, my goddess is in front of him, I look at my goddess is not to look at him"

Divine logic

Huo Shi twisted his head, staring at the paper in front of him, couldn't help but think, would An An really like a school bully?
