In the evening, An Chu came out of the theater with a pale face, Huo Shi asked with a worried face, "What's wrong with An An?"

An Chu shook her head and said she was fine, she would be fine after resting for a while, she didn't tell Huo Shi because she was really disgusted by some of the spy killing images in the movie.

The actual fact is that you can't get a lot of money from the company.

An Chu: "....." Immediately remembered the fear of being dominated by the movie, and then a hard face said, "Okay, then thank you brother"

The incident of Pan Yuexiang seemed to have passed, the online verbal criticism of her also gradually returned to calm, An Chu also refused Huo Shi's request to follow her around for protection

In the early winter season, it was only slightly cold, An Chu was dressed in a light-colored cotton jacket, looking at the bare branches on both sides of the road, and only found it interesting.

I didn't realize that I had reached a deserted alley.

An Chu sighed, she was just looking for a chance to relax and unwind, and somehow she ended up in the alley outside the school.

The company's main business is to provide a wide range of products and services to the market.

But these people seem to be coming for An Chu, and the distance from An Chu is getting closer and closer, to confirm that it is not good, An Chu pulled his legs and ran, but it was too late, to see An Chu run, the group of people behind, they immediately even disguise are not disguised, speed up the pace to follow.

But An Chu a small girl's speed is far from the speed of that group of people, in the blink of an eye, they were surrounded.

At the same time, all this happened to be seen by Fei Fei Dai who was passing by the end of the alley. Fei Fei Dai recognized that the one who was surrounded was An Chu, the former study member, and she squeezed her palm and pretended not to see it.

Back to the classroom, found An Chu's seat is empty, gaze back, found Huo Shi is lying on the table sleeping, there are some of the tangled, she knows An Chu and Huo Shi relationship is good, but at the moment she suddenly do not want to tell Huo Shi this matter

An Chu heart shocked: "I do not know you, what do you want?"

A person nudged An Chu: "Ask our boss"

Yellow hair came out from the crowd, looking at An Chu with a regretful face: "Originally there was no relationship, but you and Huo Shi that grandson good friends, so we have a relationship"

An Chu stopped the panic in his heart: "You have a grudge against him, you go to him to go ah, find me a weak woman count what heroes and heroines?"

The yellow hair smiled twice: "Heroic and good man? Heh, Huo Shi designed to send us to the police station this thing, he did it righteous?" The thought of this matter he is angry, a good fight, the results of the fight did not fight well, but also sent to the other side of the education for most of the month, think of this face suffocated!

Yellow hair while tying An Chu with rope, while speaking, "Shut up"

Others also seem to feel that this is not a matter of honor, silently shut up, are seventeen or eighteen-year-old boys, self-esteem is naturally also high base, with is a person silently spoke: "Boss, this is really not enough honor"

Yellow hair smells directly kicked that person: "Roll your damn"

An Chu saw their attitude, the heart instantly had an idea, spoke

"Do not you want to find Huo Shi? You can kidnap me and take a picture to send to Huo Shi, then let him come alone, then you can take revenge?"

After the words, the yellow hair spoke directly: "Do you think I'm stupid, he will come alone?"
