

## HIS FAVOR 31

### CHAPTER 31: APOLOGY

The three of them came out here Huo Shi, Lan Min sad face: "How is it so unlucky ah, just so happen to meet my little uncle?"

Du Ruan spoke: "Didn't you say that your little uncle doesn't care about you?"

Lan Min rolled her eyes at him: "No, but I promised my little uncle not to skip class, now it's over..."

"Then you're quite miserable..." Du Ruan gave Lan Min a sympathetic look

"I'm afraid we won't be able to get in here in the future either ....." Huo Shi opened his mouth.

Du Ruan also reacted: "Crap! Little Uncle Blue can't be so cruel ...."

"What do you think ....." Huo Shi gave him a white look.

It's like skipping class to go to the Internet cafe, but found that the Internet cafe is the hairy elders of the open, certainly will not let them in again

They are a few of the family, and mutual friendship, this consequence is simply real

"Blue two ah blue two, you say how your elders came to c city, originally the mountain high emperor is far away, now it is good, equal to under their noses ....." Du Ruan shook his head with a sigh

"How do I know," Lan Min fried.

"Okay, it is also a good thing, senior task is to study well, these entertainment activities are banned also okay" Huo time to speak

Blue Min Du Ruan: "....." The first thing you need to do is to get a good idea of what you want to do.

The three of them went back to school

Anchor, Anchor and greet them

Du Ruan Lan Min is a smile: "An sister good ah ...." On the contrary, Huo Shi is a look of love.

An Chu: "....."

.....

The first thing you need to do is to go home after school and go to Du Ruan's house.

The first thing you need to do is to get back to your house.

He has already thought about it, no matter what, first admit his mistake, anyway, his little uncle also loves him, will not really punish him for anything.

Back to the villa

"Little Uncle~Little Uncle~Little Uncle~" Lan Min shouted loudly, then with a pang pushed open Lan Xuan Jingwen's room.

The next second Lan Min opened his eyes wide and shouted, "Ah ~ little uncle ~ how do you not wear clothes ...."

Eyes shifted down, and then a trace of envy flashed in his eyes

Blue Xuan Jingwen glanced at him, then slowly and methodically picked up the bathrobe aside and put it on, speaking, "I just took a shower."

"Ah, oh oh!" Lan Min nodded his head like a chicken pecking rice

"Is there something wrong?" Lan Xuan Jingwen spoke

"Little Uncle, I came to apologize to you, I shouldn't have gone back on my word..."

A smile surfaced in the bottom of Lan Xuan Jingwen's eyes, well still know how to apologize.

But then he said, "Little Min also knows that he should not break his promise? I remember we only agreed ten days ago, right? Ten days and you break your word, Min really think I'm free? Do you really think that I'm not interested in your business?"

At these words, Lan Min felt even more guilty, his little uncle had always been very good to him, almost everything was satisfied as long as he asked for it, and now it was so easy to make a request to him, but it turned out that he broke his promise in less than ten days, so when I think about it, I'm really a white-eyed wolf.

"I'm sorry~" Lan Min lowered his head, without the arrogant air of the past, like a little kitten that was left out in the cold.

"But little uncle you have to listen to my explanation ...." Then Lan Min blah blah blah gave a brief account of what happened today and why he went to the car lot to Lan Xuan Jing Wen

"Finished?" Blue Xuan Jingwen's face sank after listening to it and opened his mouth

Lan Min pecked at the rice

"So Min can stick his knife in for his friends, and can abandon our agreement at any time?"

Lan Min's head suddenly shook like a small windmill: "No, little uncle, I don't mean that"

"Oh? Then what do you mean?" Lan Xuan Jingwen asked rhetorically

"I ..... I was wrong, little uncle forgive me this time, okay, just once ....." Blue Min was asked, simply no longer dwell on this point, and directly began the most effective way to admit his mistake.

"Little Min every time will only come to this trick, is eating sure that I will be soft-hearted every time? Or am I just a dispensable elder in Xiao Min's heart who can be cajoled at the drop of a hat?"

This time Lan Min was aggrieved, he didn't know what to do, obviously he had already apologized ah, how come he still didn't forgive him.

"No, I did not, little uncle in my heart is very important ....."

Seeing Lan Min's aggrieved look, Lan Xuan Jingwen held up his forehead, really spoiled by him.

"All right, next time will not be an example!"

Is aggrieved blue Min heard this sentence, eyes lit up: "Ah ~ little uncle, you are not angry? Forgive me?"

Blue Xuan Jingwen helpless: "What to bother with you kids"

"Ah ~ little uncle, I knew you were the best, not with me in general, then little uncle you have a good rest, I will go back to the room first ....."

Blue Xuan Jingwen who was issued a good guy card: "....."

For several days in a row, Huo Shi did not speak to An Chu, but every time when school is over, will follow An Chu, just do not open his mouth to say a word.

The actual fact that Huo Shi did not open his mouth, An Chu tried several times and also stopped opening his mouth.

A cold atmosphere spread between them.

Huo Shi's face became more and more unsightly, and finally did not hold back to speak: "An An!"

"What's wrong brother?"

"Don't you feel that Rao is angry?"

An Chu: "....." She felt it with every strand of hair

"So?" An Chu tried to speak

"So you can't fucking coax me?" Huo Shi spoke fiercely, like an enraged leopard.

An Chu helpless: "I have apologized and coaxed, brother you still keep getting angry, what else can I do?"

"Then you won't keep coaxing?" Huo - little male on line

An Chu: "....." She could not refute

Then after thinking about it, she wrapped her arms around Huo and hugged him, saying softly in her ear

"Brother I know I'm wrong, you don't get angry eh?"

Huo Shi's body stiffened, and then fiercely spoke: "I forgive you, do not have the next time."

"Well, listen to you."

The best indication of the reconciliation between the two is that Huo Shih has been more attentive to An Chu from the first few days to the last few days.

In this regard, Du Ruan said: "Huo brother you this is also too doggish ...."

Huo Shi had a smug face: "What do you know?"
