

HIS FAVOR 37

CHAPTER 37: GOING BACK TO KYOTO

Huo Shi saw the other party completely missing just arrogant flame, eyes flashed a trace of coldness, spoke: "Miss Zhong, you are joking, not what I want, after all, it is us who are falsely accused, aggressive is not us."

Zhong Wenya's face is not good, look up to Huo Shi, eyes already have a trace of wetness, open wide beautiful eyes to Huo Shi, voice pitiful: "You really want to be so heartless? Really do not think a little of our friendship?"

In addition to arrogant and domineering, beauty drops tears, let people good heartache.

Others: "....." This strong green tea breath

Next to the blue Min simply to be Zhong Wenya's tumultuous operation stunned, if not he grew up with and Huo Shi together, determine only a few days ago to meet her for the first time, he felt that Huo did something sorry for her

Oscar owes her a little gold man child, in the heart silent evaluation

Huo Shi saw the other side suddenly up tears also stunned, look around to make sure it is about themselves, and quickly back a step: "Do not, Miss Zhong; we are not familiar with"

Then turned his head to look at An Chu: "An An, there are always unruly people who want to harm me"

Bystander: "..... What is this inexplicable feeling of coolness"

An Chu smiled a little: "Brother ~, take care of the dragon body"

Zhong Wenya saw Huo Shi at this moment even take her as a joke generally said to An Chu, face faintly frozen for a moment.

Huo Shi turned back to look at Zhong Wenya and spoke: "What to do Miss Zhong should have a sense of proportion, should also know that our An An is framed, otherwise how unwilling to find the police?"

Zhong Wenya speechless, hesitated in three, then went to An Chu's front and said, "Miss An is sorry, I misjudged you."

An Chu smiled faintly: "I do not accept"

Zhong Wenya's face was ugly as he looked at An Chu: "You"

An Chu look unchanged spoke: "Miss Zhong, think you must be mistaken about one thing, to apologize or not is your business, accept or not is my business, and ~" An Chu's words turned: "I do not see your sincerity, I do not know if your apology is sincere or false, and how I dare to accept it easily. ."

After saying that, An Chu's words paused again: "I think you owe me an explanation."

The company's main business is to provide a wide range of products and services to its customers.

Zhong Wenya closed her eyes, then pointed a finger at someone: "This matter is we framed Miss An, she gave me the idea to steal the necklace I accidentally broke in An Chu's tent, saying that this can give An Chu a big lesson, I was hot-headed, so I agreed, anyway, I did not mean to."

I didn't expect the other side to sell their teammates so stress-free.

The others all followed the direction Zhong Wenya pointed, An Chu was surprised: "The school committee?"

Fei Fei Dai hurriedly waved his hand: "Not me, I did not know that person was you, I just said it casually, did not know she would take it seriously"

The crowd is in an uproar, can come up with such an idea, even if they do not know who the other party is, it is not too vicious.

At the moment there are looking to An Chu, eyes slightly sympathetic, good tragic a girl. Then reacted and began to envy, people can have half an hour for her to call a helicopter, a huge amount of cash boyfriend / brother, in look at their own, really what is not.

The staff saw the state of affairs towards an unexpected direction to go, and quickly came out to play a roundabout

"All young ladies, since the incident has come to light, why not just stop here" After saying that also with a prayerful look to An Chu, he kind of see, that clear-cut teenager seems powerful and ruthless, but in fact is everywhere and this discussion.

"We run this winter camp industry is not easy, if this thing is a big deal, it is estimated that we will have to close down in the future, now is near the New Year, a little bit of grace, let next year everywhere smoothly, the heart wants to achieve, so also please Miss An you are generous"

An Chu heard the staff said so, frowned, as if she felt that if she did not stop is the ten evils of the same.

The staff member saw An Chu frowned and did not react, and quickly spoke: "In order to express our apology, we will give you and your friends a full refund of the cost of this winter camp, what do you think?"

An Chu smiled and looked up at Huo Shi: "Brother~"

Huo Shi smiled lightly: "An An's decision is fine, I'll listen to you."

An Chu looked at the two rows of black-clad people and Uncle Shen, pursed his lips, did not want to bother Huo Shi

Open mouth: "Brother, let's go back"

This word is to let them off the hook.

Huo Shih contains a smile and said: "Good ~"

.....

The actual fact is that you can find a lot of people who are not able to get a good deal on a lot of things.

An Chu looked at the two sides standing neatly in black, bending down in unison to let them go up, this moment An Chu felt inexplicably a little bit of shame

As expected after going up, Du Ruan sighed: "Huo, you are also too good at playing it"

Huo Shi spoke: "I see you still enjoy it"

Du Ruan: "....." It's true.

As a teenager, who can not have a mobster dream

They went back, the rest of them are just short of becoming lemon spirits

"Oh my God, three teenagers, only one young lady, group favor ah"

"The point is that there is also money, and handsome..."

"Helicopters, ah, two rows of black, ah, I did not expect to see this battle in my lifetime"

"Once again, I ask myself from the depths of my soul, why is the heroine not me?"

"All right, all right, it is better to look less, this image to see more easily dreamed"

Guan Xing Yuan looked up at the flying away helicopter and narrowed his fascinated eyes

"I told you, my sister is not simple" disdainful voice

"Xiaoqiu ~ don't say that" Guan Xing Yuan spoke gently

"Cut, as you wish ~"

.....

Back home, An Chu sat in her room and did two sets of papers. At the end of the day, An Chu saw a WeChat message from her phone

Brother: "An An, we're going back to Kyoto"

An Chu quiet a first: "When"

Brother: "Tomorrow morning"

An Chu's phone snapped loose and fell on the table, then slightly panicked, picked up

Edited some messages, and then deleted them again.

After thinking about it for a long time, he sent it over: "Then have a good trip"

Brother: "But I can't let you go"

Anchu see this message, heart beating violently

The first one is a quiet one: "I can't let you go either, but we can contact each other through cell phones"

The first time I saw this message, I could no longer hide the excitement on my face, An An also said she couldn't let go of him, this is not between relatives to let go, but also not right they have no blood relationship should be between the opposite sex to let go, between the opposite sex to let go of that does not mean like?

Even sent a: "to talk, ah, do not ignore me"

"Brother, you think too much, how will"
