

HIS FAVOR 38

CHAPTER 38: NEW YEAR'S COMING PEOPLE

The new year is approaching, through the window, An Chu seems to be able to see the lights outside, An Chu once again glanced at the phone, but there is no movement, today is already December 26th, said they have not contacted for nearly ten days.

The actual fact is that you can find a lot of people who have been in the business for a long time.

The actual fact is that you can find a lot of people who are not in a position to get a lot of money. The next thing you want to do is to send a text message to say hello, and the next second you give up, it's almost New Year's Eve, he should be very busy, but also to get together with friends, unlike yourself, only in their own small room slowly enjoy the loneliness.

But what An Chu didn't expect was that until New Year's Eve, An Chu didn't receive a message from Huo Shi, and all the messages she sent over were also lost in the sea.

The first thing you need to do is to get back to your room and remember what An Yanhua told her about the marriage, so she just felt irritated and ate hastily before going upstairs.

After taking a shower, it was already about 11 o'clock, and An Chu was about to go to bed when she suddenly saw a message from her cell phone.

An Chu opened it to see, only four short words: "An An, come out".

An Chu's eyes lit up and she hurriedly got up to look through the window and saw a figure she hadn't seen for nearly ten days

The black trench coat teenager was standing under her window, looking up at her direction, his slender figure looked even more lonely under the street light.

Despite the fact that she was wearing pajamas, An Chu hurriedly ran downstairs, through the darkened hall, and trotted all the way to Huo Shi's front.

He opened his mouth joyfully, "Brother ~ how come you're back?" The careful An Chu found that, after not seeing him for more than ten days, Huo Shi's eyes seemed even more lingering.

This is the first time I've ever seen a rabbit in my life.

An Chu looked around behind Huo Shi and spoke tentatively, "Brother, do you still want to go this time back?"

"What? An An doesn't want brother to go?" Huo Shi joked

An Chu pursed his lips, his voice was so small that he could only hear his own voice: "Well."

Huo Shi felt for a moment that he was going to do something assholeish.

"An An, brother has something to do back there, so I'll be leaving tomorrow morning."

An Chu's eyes widened in confusion, "Brother?"

"Hey, as soon as I got home, my parents threw me into the army, and called it training, you don't even know that the perverted instructor was just cruel, even the cell phone was taken away, it was a human tragedy..." Huo Shi began to sell misery.

"That brother is on vacation?" The actual fact is that you'll want to ask if you're coming to see her once you're on vacation.

An Chu's eyes were moistened by the time, it took at least six hours to drive from the imperial capital to C City.

Huo Shi felt An Chu hugged himself, the body will instantly stiffen, the two arms slightly raised is also afraid to move, feel the girl crying, instantly more panic, hurriedly explained: "An An, in fact, brother back to C City is also other things, you do not feel sad ah"

An Chu with a small milk voice spoke: "Brother, why do you have to be so good to me?"

The first time I met you, I wanted to spend it with you."

.....

Late at night, the two of them roaming the streets, An Chu wears a furry rabbit pajamas, very glad that they can also be worn out of doors

The sky rang with fireworks, illuminating the entire night, and even the young girl's eyes were extra bright.

Huo Shi felt that this time was worth it.

When An Chu returned to the An family, it was almost 1:00 am.

The actual fact is that you can't get to sleep this night, your mind is turning over and over with Huo Shi's face.

Huo Shi rested in the city of C, in fact, also did not sleep, to the end simply do not sleep, driving back to Kyoto.

When I returned home, I happened to see Mrs. Huo coming downstairs.

When she saw her son coming in from outside slightly tired, she was surprised: "Son of a bitch, what did you do to see people again, why do you look like you're running out of gas?"

"The last time you showed me a picture of that girl? OK ah child smash, there is outstanding, the original mother is still worried about your character can not find a daughter-in-law it, did not expect so powerful"

"All right, all right, Mom, I'm a little sleepy first go to rest ~" Huo Shi hastily interrupted.

"Then do you want to eat something in sleep ah?"

"No, I'm not hungry~"

Seeing Huo Shi go upstairs, Mrs. Huo nodded happily, "Daughter-in-law, good..."

Du Ruan woke up with a start and found himself standing next to a man, instantly awake with fright.

When she saw the person clearly, she instantly breathed a sigh of relief: "Ah Shao, it's you"

Si Shao gave him a cold, sidelong glance: "Or what?"

Du Ruan sat up, found himself without clothes, and was instantly confused

"Ah~A Shao, where are my, my clothes?"

Si Shao's thin lips curved slightly: "Took off"

"What, what? Who took them off? How did you take them off? Where did you take them off? Oh my God, my innocence!" Du Ruan did not dare to believe loudly

"Where did you think? Yesterday you were drunk, so I drove you back, Uncle Lin said it's not good to sleep with your clothes on, so I took them off for you" Si Shao looked at the person with a strange brain and explained

"The first thing you need to do is to take off your clothes.

"The first thing is to go wash up, then go downstairs to eat breakfast, as for Uncle Du's place I already called yesterday to explain," Si Shao looked at someone who had dropped the quilt halfway, turned around and left.

The first thing you need to do is to get a good idea of what you're doing. The first thing you need to do is to call Uncle Lin to pick it up.
