

HIS FAVOR 43

CHAPTER 43: COMING BACK

Then the next second surprised voice sounded: "Sister An?"

An Chu heard the words and stood up, spoke: "Huang scruples"

Huang scruples scratching his head in confusion: "No, Sister An, what are you doing here in the middle of the night?"

An Chu paused for a moment: "I'm here to take a break."

The midnight relaxation? Of course this sentence Huang scrupulous did not say out, really big brother is brother even the way to relax are so different.

"In that case, then we will not bother you, we will leave first."

An Chu nodded and signaled for them to leave.

After taking them to leave, An Chu exhaled, today is still relatively lucky, but who can guarantee that every day is so lucky, today in the end she was careless, if this time encountered a group of people is not Huang scrupulous them, then the consequences are unimaginable.

If not for the mercy of the initial brother, today she will not be as good, so there is a cause and there is bound to be a consequence.

Anchu slowed down a bit and got up to go home.

Time flies, and the time has come to start school.

The first thing you need to do is to get ready to go to the airport to pick up the plane. Last night she received a weibo, not much content, only a few words: "An An, I'm back."

When she was going out, she happened to be met by An Qiu.

It was a good coincidence that she stopped An Chu: "What are you doing?"

An Chu frowned: "This is none of your business."

An Qiu spoke: "Of course it's not my business, it's dad who said that you must be at home at noon today."

Must be at home? An Chu looked at An Qiu with confusion.

An Qiu shrugged: "It's useless for you to look at me, Dad made the decision, I'm just responsible for the notice."

An Chu did not say anything, but directly side stepped and spoke: "Understood"

Let her have to be at home, left but again the matter of joint marriage, the first few times she had to put off with the priority of school.

And she had also side tracked the meaning of the official line far, the other side seems to be not too keen on the matter of marriage, this An Chu understand, if the marriage that must be the An family high climb

The first thing you need to do is to get a good idea of what you want to do.

This, An Chu is not particularly worried, as long as Guan Xing Yuan is not agreeable to this matter, Uncle Guan and Aunt Shao should not let their only son marry a woman they do not like.

An Chu closed her eyes and let these thoughts fly away. Then called a cab and went to the airport in C City.

The cold and handsome teenager came in a black trench coat, mixed with frost, but the moment he saw the girl the ice and snow melted, smiling like a Uh, silly.

Then the voice full of laughter sounded: "An An"

An Chu sniffed the beautiful eyes flashed with surprise, then trotted over to be: "Brother, I miss you so much"

"So did An An miss me ah ~" the joking voice came

"And me," Lan Min also then picked up the words

Anchu's little face was instantly tinted pink.

"You two have itchy skin, don't you?" Huo Shi gritted his teeth.

The first thing you need to do is to get a good idea of what you're getting into.

Huo Shi: "....."

Du Ruan: "....."

Even An Chu also laughed.

Du Ruan suddenly remembered something: "An An, have you written your winter vacation homework?"

Lan Min nodded his head repeatedly on the side.

An Chu was confused for a moment and looked at the two of them, "Winter vacation homework?"

Huo Shi coughed: "It is, the tests distributed down by our teachers in various subjects."

An Chu listened and gave them a suspicious look, then nodded.

The three who felt the gaze: "....." They felt the contempt from the school bully

Back home, An Chu lay in bed, her heart was glad that her friends had returned.
