

# HIS FAVOR - CHAPTER 5: BIRTHDAY PRESENT

But even though she barely slept, she always slept restlessly.

The next morning, An Chu got up and cleaned the tie that Huo Shi had given her carefully, and then put it aside, hoping to return it to him as soon as possible.

The actual fact is that you can find a lot of people who have been in the business for a long time, and you can't even find them.

When it's time to eat, An Chu ate early and then prepared to leave.

An Yanhua saw the frown reprimanded: "Look what you are now, can not wait for sister? Is there any sisterhood left?"

An Chu smiled bitterly, is she the one who has no sisterhood?

Thinking of this An Chu spoke softly: "If you go late, you will not be able to catch the first bus."

An Yanhua frowned: "What's going on? You and Qiuqiu is not a school? The driver didn't pick you up as well?"

An Qiu, who was watching the drama on the side, hastened to speak: "Dad, it was Xiaochu himself who didn't want to sit, saying he wanted to enjoy the scenery back home by himself."

An Yanhua looked back at An Qiu and reprimanded, "Nonsense."

Then he turned his head again to look at his timid daughter, a burst of boredom, and spoke, "From today onwards you will go with your sister."

"Thank you, Dad," An Chu bowed his head, knowing that he was not taking the car because he was sorry for himself or anything, but as a member of the An family but still taking the bus to school, the An family could not afford to lose face.

In the car

Anchu looked at the person sitting next to her, a burst of impatience, directly in An Chu's arm twist again

"Okay, An Chu, I can't believe you're still telling on dad, you've become smart..."

An Chu dodged to the side and spoke in a whisper: "I am also dad's daughter, if you are bullying me, I will tell him."

An Qiu sneered and did not care: "Then you go, it is not like you have not sued over the years? I am the heir of the An family in my father's heart, and you are just a pheasant, want to compare with me, do not see yourself not qualified?"

An Chu was silent, it was true, her father always ignored her and was even bored, but so what: "An Qiu, don't go too far!"

When An Qiu heard the other party's tone, she spoke mockingly: "Oh, An Qiu? An Chu you really have the guts to get up ah, how do you forget how to cry and call me sister, crying and begging my mother?"

Anchu small face suffocated red, yes, she did not forget, how could she forget ah, when Luo Fenghuan came to the An family, in the case of their own mother did not pass away a few months to call another woman mother simply impossible ah.

But she still did, in the birth and dignity conditions she chose the birth, she remembered that Luo Fenghuan took advantage of her father's business trip, directly shut her into the room for three days, during which she was not given any food or drink, and then ah little she could not hold out, then cried and called Luo Fenghuan mother, begging her to give herself a bite to eat.

Long time, An Chu bowed her head noisily and said, "I'm sorry, sister."

"Hm~" Anchu lightly snorted no longer pay attention

The bullying of a person for more than a decade, see themselves no matter what the other party will not have the heart of resistance, really boring, just their own occasionally angry to scold her to vent vent.

The exam is not over, today is still an exam, as always An Chu pack up their things, ready to leave suddenly feel a shadow over themselves, An Chu looked up

The small voice speaks: "Brother ~"

Huo Shi looked at the girl in front of the brother mouth a soft soft shouting their brother, suddenly felt that today to school this day did not come in vain.

He waited for a day in his seat, but did not see the girl give him a birthday gift, and finally could not resist before he came to speak: "An An, where is my gift?"

At this time Blue Min Du Ruan also joked next to: "Sister-in-law good ~"

"Sister-in-law your sister! This is the old man sister ~" Huo when a slap on Du Ruan's head.

"A lover finally becomes a brother and sister?" Lan Min, the douchebag, was puzzled.

An Chu's face burst red!

"In the blind thought old man hammer burst your head, have said is the old man sister!" Huo Shi anger

Then turned his head to An Chu introduced: "This is Du Ruan can be called Du San Er, this is Blue Min can also be called Blue Er Er"

"Brother Du~, Brother Blue~" An Chu obediently called people

This is Huo time is not happy, why the old man's sister to call others brother.

And blue two a righteous face: "An Chu sister, do not worry, you are Huo brother's sister, is also our sister, in the future there is something, just say, we must be obliged."

The movement on their side has caused a commotion in the class, even though it is the end of school, but there are still many people did not go, have all looked to their side.

They were wondering how their schoolmates had all gathered around An Chu, the little transparent one.

"The first thing you need to do is to look around and see what you're looking at, and then I'll blind you.

The moment these words came out, the crowd immediately talked a lot, seems to be no intention to go, at this time Huo Shi eyes sharp sweep, immediately do birds and beasts scatter.

"Shit ~, really or Huo brother you work."

Huo Shi at this moment is also some headache, just he has to An Chu open up to ask once, but unfortunately by the two douchebags in front of you to interrupt.

Now in the opening, this ..... Well, he was embarrassed

The two of them are the only ones who can take their anger out on the two of them, eerily speaking: "Du San'er, blue two'er, see you tonight at the training ground."

The two of them are the same as the other two.

Huo Shi ignored these two douchebags, but asked, "An An, I'll send you back today~"

An Chu smiled a little and softly spoke, "Don't bother you brother, there's a driver to pick me up today."

"Okay then~" Huo Shi resentfully.

.....

An Chu had just gotten into the car when she heard An Qiu ask in a condescending manner

"An Chu, what is your relationship with Huo Shi?"
