

HIS FAVOR - CHAPTER 7: EXAM RESULTS

"Crap~, Blue Er Er, you're on an external hang-up this time, how come your ranking is so high? It's more than 800?" Du Ruan had an incredulous face.

At this time on the report card, Du Ruan 999th (second to last); Huo Shi 1000th (first to last)

"Hmph~, do you think I read your papers for nothing during the exams?" Lan Er had a dejected face.

"Excluding your and Huo's answers, in excluding the answer I chose myself, the correct answer does not come out?"

Du Ruan: "..... Bull batch"

At this moment the penultimate turned back to look at Blue Min sorrowfully: "Blue, you let the ranking has dropped one."

"Who let you guys so stupid, but also blame me for the ministry"

At this moment was alluded to stupid Huo time, Du Ruan, the third from the bottom: "....."

"Blue two children, you skin itchy is it"

Blue Min turned around instantly found three pairs of eyes eerily staring at themselves, Blue Min nervously smiled: "That Huo brother, Du San'er, the front table I'm not that... Meaning Ah ~ murder, lighter hands ~ brother"

The next scene is a scene of three violent beating a person.

This side, An Chu looked at their own results, 25, ten places back than last time, the eyes moved down, An Qiu 75.

Rolling the report card together in her bag, she could already envision what she could see when she returned today.

Her dad would be out celebrating with that stepmother of hers and An Qiu, I think.

"An An, how did the exam go?" Huo Shi came to An Chu's side.

An Chu lowered her eyes, then handed him the report card in her bag and spoke in a small voice: "I didn't do well in the exam~"

The first time I heard this, I was ready to comfort An Chu, but the moment my eyes saw the report card, the words in my mouth became: "Damn!"

Then, looking at a certain beginning who did not do well in the exam, a painful face opened: "An An ah, to be honest, your words are quite unbearable. This is not good, the total score of 685 this is not good? The first one is more than enough, okay?"

Anchu bewildered: "I am telling the truth ah"

The schoolboy Huo felt his heart was hurt by 10,000 points, covering his chest and leaving

The other side of the mind is unaware of the blows to An Chu: "....."

After school, Huo Shi, Lan Min, Du Ruan, and the penultimate, came directly next to An Chu.

"An An, go, to celebrate this time you got a good grade, brother is ready to celebrate you"

"Brother, is this too much trouble?"

"No trouble, we finally have a school bully in our middle, of course we have to go celebrate" The penultimate spoke.

Considering the presence of An An, so the four people found a restaurant with a more elegant and quiet environment.

Just go in, is about to enter the private box, suddenly with the opposite line of people bumped into a bump.

Eye to eye, An Chu bowed his head: "Dad ~"

"Dad? You still know to call me dad?" An Yan Hua said in anger, An Qiu mother and daughter were watching the good show beside her.

"An Chu, is this how you are fooling around outside, associating with some unsavory people?"

An Chu couldn't help but retort: "They're not misfits."

"Pa~" a loud sound, the crowd was stunned.

Huo Shi stood directly in front of An Chu.

An Chu covered her face, tears in her eyes, and stood out sideways, she was cowardly, but would not allow anyone to insult her friends, not even her father.

An Chu just stared at An Yan Hua.

Huo Shi then put An Chu behind him and spoke to An Yan Hua: "Uncle ~ it's not what you think, this guest today was invited by me, An Chu was just invited to attend."

"Yes, uncle~ it's not what you think..."

"Right"

Blue Min Du Ruan also came out to explain.

"And who are you? What does it matter to you if I discipline my own daughter?" An Yanhua was sarcastic in return.

As a few grandsons of the Imperial family, when have they ever let anyone point their noses at them like this, but at this moment they can't refute anything

"Just a few unknown punks, An Chu, you really put me to shame." An Yanhua then spoke

An Chu laughed bitterly: "Yes, I have embarrassed you, but when have you ever treated me as your daughter, have you ever treated me as your daughter?"

An Yanhua seemed to be poked at a sore spot: "An Chu, what are you talking nonsense?"

An Chu looked straight into An Yan Hua's eyes, "An Chu? That's really nice, I've never seen a father call his daughter's name with a first name."

"Isn't that what you're used to? What does it mean? Can you stop being so childish?" An Yanhua exhorted.

"Then, let me ask you, what do you want to do here this time? If I'm not wrong, it's to celebrate her, right?" An Chu pointed at An Qiu.

"Of course, your sister is so excellent, if you also get 600 points this time, I will also bring you out, it is you who is not striving, do you want to blame others?"

Once these words came out, An Yanhua immediately felt three sarcastic gazes falling on him and frowned.

"Hahahaha~ Hahaha" An Chu suddenly laughed and laughed with tears coming out of his eyes.

"Dad, you're always still so selfish and eccentric."

"Go home, don't be embarrassed here," An Yan Hua spoke.

"Your sister is usually generous and polite, while you are cowardly and selfish, so what's wrong with taking your sister out?" An Yanhua's voice snapped.

Huo Shi clenched his fist: "....." So want to hit this person in front of me, but then again he is An An's family.

The other three were equally angry, they had grown up as the youngest in the family since childhood and had never seen such a shameless father.

"Yes, dad, I will always be wrong, no matter what do you can't see, if you don't like me then why did you give birth to me in the first place?"

"Do you think I wanted to in the first place?" An Yanhua spoke reflexively.

The first thing you need to do is to kill your heart, but that's it.

"So even giving birth to me you are regretting, I know dad ~" An Chu directly turned and ran out.

Huo Shi and others instantly also followed.

From the beginning to the end of the waiter: "....." What a big melon, your circle is really messy.

In looking at An Yanhua, there was a hint of contempt in his eyes, other he did not know, but even his own daughter regretted giving birth to the person, certainly a scum: "Sir, please ~"

An Yanhua: "....."

From the beginning to the end of the happy then only Luo Fenghuan mother and daughter, personally admitted not want her, that does not mean that in the future An's group is her?

The first thing you need to do is to get a good idea of what you're getting into. Brother, brother, I feel so bad, my heart hurts so much~..."
