

His Mistress My Nightmare Novel

Chapter 11

Chapter 11 Ms.

Parrish , are you sure you wanna fake your death and live as your twin sister ? Grace Parrish paused and then said firmly .

Yes .

The person on the other end seemed surprised , but he soon responded , Alright , well be on it right away .

It should take about 30 days .

After hanging up , Grace stood on the presidential suite terrace , gazing into the distant neon lights .

Right after she was born , her parents created a fake twin sister identity for her , just so she could escape danger if needed .

Who would have thought ? It became her tool to break free from the husband she once loved .

Suddenly , fireworks erupted in the sky , lighting up the entire night .

The live stream on her phone was flooded with envious comments .

Im watching Mr.

Kaufmans fireworks show ! Anyone else here ?! I heard Mr.

Kaufman spent a fortune hiring experts to put together this fireworks show for his wife ! Wow , hes loaded , handsome , and super romantic ! I wish I could be his wife ... Dream on .

Theyve really been through thick and thin together .

Not everyone can be Grace Parrish .

What about the next year ? Grace sneered as if to laugh at herself .

Everyone in town knew how much Antonio Kaufman loved Grace .

He even named the company after both of them .

When Grace was kidnapped , Antonio negotiated with the kidnappers alone , almost losing his life to save her .

Later , to help Grace recover , Antonio traveled the world searching for renowned doctors .

And he gathered a bunch of rare treasures just to please her .

They had known each other since puberty .

Back then , Antonio was the dominant rich boy , while Grace was the quiet yet strong willed noble lady .

Later , his family suffered a downfall , and her parents passed away .

They supported each other through the tough times and eventually became the perfect couple that everyone envied .

However , three months ago , Grace stumbled upon his betrayal ... At this thought , Grace felt a sudden chill , her heart aching .

Then , a shawl was draped over her shoulders , carrying a faint scent of soap .

Chapter11 She turned around and saw Antonios handsome face .

He pulled her close , cooing , Silly girl , why are you out here ? Youll catch a cold .

His gentle tone was full of concern .

They got inside .

Antonio took out a velvet box .

Grace recognized it right away .

It was a Patek Philippe pocket watch , which recently caused a stir by fetching a high price at an auction .

The watch face was etched with a photo of them embracing each other .

The inside of the back cover had an ancient inscription , with their initials engraved and connected by the symbol & .

Antonio gazed at Grace , his eyes sparkling with deep affection .

Grace , this represents my love .

My heart pounds for you no matter in the past , present , or future .

His lips curled up slightly .

When we grow old , well pass it on to our children .

Grace stiffened in his embrace , feeling bitter .

Sadly , they wouldnt have a future , let alone children .

Just then , a phone rang .

Antonio let go of Grace , answering the call with an annoyed face , Didnt I tell you ? Tonight is my private time .

Any business matters will have to wait until tomorrow .

But the caller seemed persistent , and Antonios tone grew increasingly impatient .

Chapter11 Grace cut in , sounding like a considerate wife , Its okay .

You can go .

Business comes first .

She must get used to being alone on Valentines Day .

Antonio was surprised yet touched , Reluctantly , he pecked on her forehead .

Youre so understanding .

Then , he grabbed his coat and left .

The room was quiet , with only the ticking of the clock .

Grace stared at the photo , lost in thought .

Finally , she closed the pocket watch .

By accident , she unlocked her phone , and it automatically switched to the next live stream .

There was a sudden knock at the door of a presidential suite with identical decorations .

Mylie Sparks appeared on screen , her face beaming with excitement .
