

His Mistress My Nightmare Novel

Chapter 18

Chapter 18 Since that day , Mylie no longer concealed her ambition and began relentlessly harassing Grace .

She sent provocative text messages again and again .

You know what ? Every time he makes love with me , he growls my name .

Does he do that with you , too ? Call out my name ? Oh no , I shouldnt have asked that .

He probably hasnt touched you in a long time , right ? He says only I can make him feel satisfied .

You cant meet his needs .

Mylie also sent a series of photos .

Some showed her belly with a tattoo of Antonios name , some showed hickeys on her skin , and some showed a mans hand caressing her pregnant belly ... The most disgusting thing was that Mylie even mailed Grace a dress stained with evidence of their intimacy .

Grace sneered to dismiss all of this .

Once everything was set , Grace stared at the calendar , lost in thought .

Antonio suddenly hugged her from behind , his face rubbing against her neck .

Honey , whats the significance of the date three days from now ? Youve marked it .

Grace barely suppressed herself from pulling away , whispering , Its my parents memorial day .

Antonio froze , turning her to face him .

Youve lost so much weight these past six months .

Your parents will be angry with me .

Suddenly , he changed the subject , his eyes glinting with desire , We havent made out for a long time .

Now that your cold is gone ... Antonio had tried to have intimacy with Grace several times , but each time she had either been sick or on her period .

Right now , he wanted her badly .

Grace tensed up , every cell resisting , desperately searching for an excuse to refuse .
