

His Mistress My Nightmare Novel

Chapter 19

Chapter 19 Because just the thought of you fooling around with another woman with my name on your body makes me sick ! Grace nearly blurted it out .

But with only three days left , she couldnt afford to jeopardize everything now .

So , Grace suppressed her disgust and said , I had it removed to get a new one .

She added , I was planning to give you a surprise .

Is that so ? Antonio should have been relieved .

But for some reason , he felt a lingering unease .

It felt as though he was about to lose her ... Grace took the opportunity to stand up and put some distance between them .

Do you remember this hourglass ? I found it while cleaning today .

Mm , back then , you were reading a novel about the desert and felt so melancholic .

Recalling the past , Antonio couldnt help but smile .

So I took you to the real dessert and collected this sand .

Grace asked , So , does your heart still feel the same as before ? Without thinking , Antonio quickly replied , Yes , just like before .

That smile succeeded in dispelling the worry in Antonios eyes .

He froze for a moment .

Today , Grace seemed unusually cheerful and talkative .

As long as she was happy , he was happy .

Antonio glanced at the prominent wedding photo again and told himself that he probably was just overthinking .

With that thought , his furrowed brow relaxed .

Three days passed , and the day of departure nally arrived .

Antonio had promised to accompany Grace , but just before they left , Mylie called him away .

Mylie knew what day it was and still summoned Antonio , intentionally provoking Grace .

Little did Mylie know this was exactly what Grace wanted .

In the afternoon , Mylie sent Grace another message .

It was a picture of them shopping for baby supplies together .

Instead of staying silent , Grace called her this time .

Mylie , who had been excitedly picking out baby clothes , glanced down at the incoming call and froze .

For days , Grace hadnt shown any reaction to her provocations .

She heard Graces cold voice .

Mylie , why do you have to push me ? Ill haunt you even in death ! Mylies expression immediately changed .

Grace , are you trying to scare me ?! The next second , a loud crashing sound came through , startling Mylie .

Meanwhile , Grace watched the distant ames rising into the sky , slammed her phone down onto the ground , and put on her sunglasses .

The professionals would deal with the rest .

In the helicopter , Grace looked back at the city she had lived in for decades .

Goodbye , Antonio .

Goodbye , Astonburg .

From today on , Grace was dead .

She would embrace her new life as her twin sister , Alison Parrish .
