

End

Okay so weirdly I wasn't able to upload the last few pictures for the opening chapter idk why or what happened but it wouldn't let me :(So here they are lol

So guys I really hope you guys liked the story it was my first time writing anything ever and I was pretty nervous but the comments really helped me continue!

I'm currently working on another cover with an amazing artist that I will really publish soon but for now this is the end of the story and I really hope you guys liked it thank you so much for the votes and the amount of people that read this story!

I honestly was having such a terrible week but you guys motivated me to continue this story which helped so much. Thank you everyone <3
