

HIS SECRET MILLIONAIRESS WIFE (LAUREN)

Chapter 12

Chapter 12

When faced with so many people, the little boy did not fright at all, instead, he took a few steps forward

confidently. When he saw Lauren, his face turned red.

Leo cheered himself up quietly. He told himself to be brave because he liked Lauren very much.

Then Leo walked to Lauren with small steps, raised his head, and said in a serious tone, "Can I ask

you to dance with me?"

The whole room was immediately quiet.

Everyone looked intently at the two people in the center. This scene was so special!

It was inconvenient for Lauren to squat so she could only bend a little and then asked him, "What's

your name?"

Leo introduced himself in a serious way, "My name is Leo. I am four and a half years old. And my

father is Charlie Frank." After saying that, he bit his lips and looked at Lauren with expectation,

shyness, and happiness.

Lauren's heart suddenly softened. She stretched out her hand and said, "I'd love to."

The music started, and Lauren held Leo's soft hand and danced with him slowly. People were kind of

touched by such a warm scene, so they also started dancing.

After dancing, Lauren found a seat to sit down with Leo.

Leo was very curious about Lauren so he kept asking Lauren all kinds of questions, "You said that your name is Lauren." "Yes," Lauren nodded..

"Are you married?" Leo looked at Lauren nervously.

Lauren was amused by Leo's nervous face, and deliberately teased him, "Take a guess."

Leo shook his head and said, "I don't think you are married."

"How do you know?" Lauren asked.

Leo had a good reason and said, "If you are married, someone will dance with you tonight."

"Wow, you are clever!" Lauren rubbed his head.

Leo liked his hair very much so and even his father and grandmother were not allowed to touch it at

home. But he would allow Lauren to touch it.

"Lauren," Leo said to Lauren, "Are we friends now? You are the most beautiful woman I have ever met.

You can call me Leo and I really want to be your friend. If I miss you, will you come to see me?"

Leo and Lauren had stayed with each other for a very long time. In the end, the driver of the Frank

family stepped forward and said to Lauren, "I am sorry, Miss Bennett. Did Leo bother you much?"

Leo was very happy with a smile on his face, but when he heard the driver say that he bothered

Lauren, he suddenly became nervous. Will Lauren still like me? Leo thought..

He looked at Lauren and there was nervousness and worry in his eyes.

"No! I like him!" Lauren touched Leo's soft face and said.

Hearing this, Leo immediately became so happy that he even jumped, "I like you too, Lauren!"

That night, Charlie, who had been looking for the woman on the subway, returned home in vain. The

driver told him that Leo liked Lauren Bennett and hoped that she would be his mother.

Charlie,
