

# HIS SECRET MILLIONAIRESS WIFE (LAUREN)

## Chapter 4

### Chapter 4

“Are you going to leave now? Again?” Leo turned his head and glared at Charlie angrily.

Charlie didn't have time to talk to his son, and said directly to the driver, “Take good care of him.” After

that, he got out of the car. The driver was nervous and said. “Mr. Frank, where are you going? What

about Leo? Do you want me to send him back home?” Charlie's gaze fell on his son, and then said,

“Send him to the Bennett family to attend the dinner.”

Let Leo attend the dinner party by himself. He was only four years old! The driver was stunned.

Charlie got out of the car and raised his hand to touch Leo's head, saying.

“Don't you want to pick a

wife for me? Now you can go

and choose!”

Lauren got off the subway elevator and Charlie immediately went to follow her.

After Lauren left. Wendy was finally relaxed, lying on the steering wheel and breathing. Thinking of

Lauren's words when she left. Wendy was both afraid and guilty. After calming down, Wendy made a

call.

On the other side of the phone was Sally's best friend, Monica Carter.

“Wendy?”

Wendy was tired and said, “She went to the subway.”

“Great!” Monica said happily, “Over there in the subway. I have arranged everything. There will be reporters, and I also hired a few men. When they saw Lauren, they would squeeze her and wrinkle her clothes, and then the reporters would take pictures of that. As soon as these photos are spreading, her reputation will be ruined!”

“Hahaha!” Monica was happy and she kept imagining, “Why is the daughter of Mr. Bennett crowded with the men on the subway? How would people think of her?”

Wendy frowned when she heard this, “Will it be too much?”

“Too much?” Monica sneered, “Lauren is the one who did too much! Wendy, do you know how she bullies Sally in the Bennett family? Sally is so kind so I know she would never take revenge so I will help her!” Monica was angry and continued, “It is just a small punishment for Lauren.”

“But...” Wendy was still afraid.

“Don’t worry!” Monica interrupted Wendy and said, “There is nothing you should be afraid of. They are not naked photos but some pictures of Lauren taking the subway. Sally is so good to you. Don’t you want to repay her?”

Speaking of Sally, Wendy turned silent. The reason why Wendy could be Mrs. Bennett’s assistant was

that Sally recommended her. Sally helped her get this job and helped her whether in her life or at work.

So Wendy thought she should help Sally this time!

The subway elevator arrived and the door opened, but she did not go out. When everyone else in the elevator walked out, she closed the elevator and went back to the floor.

Lauren took out her phone and made a call. Within a few moments, an RV arrived, and her assistant

got off the car to open the door for Lauren.

“Miss. Bennett, the makeup artist and stylist are here,” her assistant said.
