

HIS SECRET MILLIONAIRESS WIFE (LAUREN)

Chapter 75

Chapter 75

Thinking of Erica, such a beautiful girl, who committed suicide because of Lauren, a selfish and

indifferent person. Larry became more and more resentful of Lauren, Mrs. Bennett frowned with disgust

on her face.

“Your grandfather is upstairs. You go and see him. After that, you should leave. Don’t stay here in

recent days.”

Lauren did not say anything and went upstairs directly to see her grandfather.

“Wait,” Mrs. Bennett stopped Lauren after she took a few steps, “Although you are my daughter, Sally

and Erica are also the members of the Bennett family. If I know that you are bullying them, I will never

spare you.”

Seeing that Lauren did not react, Mrs. Bennett became more irritable and said angrily, “You’d better be

kind, otherwise, I will chase you out of this family!” This time, Lauren finally reacted. She looked back at

her mother.

Mrs. Bennett continued. “Even if your grandpa protects you, I will let you leave here!”

Lauren was speechless. She didn’t want to stay here at all and if it weren’t for her grandfather, she

wouldn’t have stepped into

this house at all.

Lauren ignored her mother, went upstairs, and talked with Mr. Bennett senior for a while. And then she

returned to college. Erica's situation was not good and was on the verge of death. Fortunately, the

Bennett family asked the best doctors with superb medical skills to save Erica. After sleeping for three

days, Erica woke up. Her once beautiful red lips was now pale. Clara was worried about her so much.

"Mom," Because she had been sleeping for too long, her voice was hoarse, "Am I in a dream?"

Clara held Erica's hand. It seemed that Erica was surprised by Clara's grip, and then she revealed a

satisfied smile, saying, "I must be in a dream! Only in dreams would Mom hold my hand."

Erica closed her eyes and put Clara's hand on her cheek, saying, "I am so happy. I wish I was your

daughter! But only in my dreams, I dare to think of this and call you Mom."

Hearing this, Clara finally cried, "You are my daughter." At this moment. Erica opened her eyes

immediately and her eyes were bright like stars. "Really?" Erica looked at Clara with expectation.

Clara nodded heavily and said, "From now on, I will tell the public that I am your mother."

Erica smiled brightly and muttered, "Even this is a dream, I am still satisfied."

Two months later, Lauren was told by Herman that Clara was going to hold a banquet to tell everyone

that Erica was her daughter. She was also going to change Erica's name into Erica Bennett.
