

Honoured 101

Chapter 101: What is our relationship now?

"Ashes in Love merch?" Zhao Tian muttered looking at the store in front of him filled with many plushies with chibi characters. The shelves were also adorned with an assortment of keychains and various trinkets, all proudly displaying the Ashes in Love branding.

Zhao Tian nodded his head "Buy whatever you want, I will pay..."

Mei Xiu smiled dryly hearing this "We can't buy it, you have to win it."

"Win it?" Zhao Tian looked to the side and saw some people throwing the balls and making the gifts fall down from the shelf to win it.

As Zhao Tian and Mei Xiu strolled towards the store, the shop owner walked forward "Welcome to the merch... but before you can continue you need to prove that you are a couple to win this merch."

Zhao Tian frowned "Prove to be a couple?"

The shop owner nodded his head "Well, these days.. friends act as lovers and I just saw a pair of siblings faking as a couple. So we need to prove that you are a couple before continuing."

Mei Xiu hurriedly hugged Zhao Tian's arm "We are a loving couple who's been in a relationship for two years."

The shop owner nodded his head "Then it is okay for you guys to kiss, right? That'll be proof of your relationship."

Wha-kiss? A rush of crimson flooded her cheeks, causing her face to glow with a deep blush. Her eyelashes fluttered nervously as she couldn't help but steal a brief, furtive glance at Zhao Tian's lips. The mere thought of kissing him made her heart race, pounding loudly in her chest. I have to k-kiss him?

Her eyes again looked at the plushies, 'Uhhhh, I want them so bad... but kiss?'

Zhao Tian spoke, "Why not?" H-Huh? Mei Xiu was dumbfounded and looked at him blinking her eyes "Tian?" a low mutter escaped her lips.

Zhao Tian slowly moved closer to Mei Xiu, delicately lifting her chin with his fingers and Mei Xiu's eyes dilated in shock as he brought his face close to hers.

Instinctively she took a step back, but Zhao Tian's left arm hugged her waist pulling her closer "Xiu..." his soft voice caressed her ears.

Her heart began to race at that moment and she opened her lips to speak "Tia- but his lips enveloped her soft lips and Mei Xiu's breath caught in her throat feeling the texture of his soft lips grazing against her lips.

Her eyes trembled causing her cheeks to flush an even deeper shade of pink and her heart fluttered in his arms. The soft caress of his lips... his tight grip on her waist... his warm breath hitting her skin left her intoxicated and she couldn't help but surrender under his touch, her body melting in his warm embrace.

As Zhao Tian pulled away from the tender kiss, Mei Xiu slowly opened her eyes, her gaze locked with his blue eyes causing the blush in her cheeks to intensify.

Being so embarrassed by the situation, Mei Xiu left the hug and went behind his back, burying her flushed face in his back. "T-This is..." she gently hit his back.

Zhao Tian chuckled faintly looking at the shop owner "My girlfriend is quite shy so..." The shopkeeper laughed and brought 10 balls as he paid the money.

Zhao Tian muttered, "Xiu, what 10 gifts do you need?" Mei Xiu meekly raised her head and pointed at a plushie from behind. *swish* *thud* and the plushie fell down.

She then pointed at another present and Zhao Tian threw the ball hitting it down. The shopkeeper was surprised as Zhao Tian continued doing this.

There was another couple beside them and the woman spoke "See that handsome guy, he is hitting all those gifts for his girlfriend, but you can't even hit one."

"I-I am also trying..."

After a while, "Haha... young man you are awesome." The shopkeeper said giving all the gifts in Zhao Tian's hand and Zhao Tian gave a nod, receiving them.

"Xiu shall we go home or shall we spend some more time?"

Mei Xiu thought it for a second and she knew it would be so embarrassing to look at his face anymore "To Home."

Hearing her meek voice, he chuckled in his heart. Mei Xiu moved beside him, her cheeks tinged with a hint of shyness as she gazed into Zhao Tian's eyes "Let me hold them." she muttered as she took the plushies and gifts from his hand.

They quickly walked to the parking lot and Mei Xiu placed the gifts in the back seat entering the car. Zhao Tian entered the car after her and started the engine.

vroom Sitting inside the car, Mei Xiu looked outside sometimes stealing a glance towards Zhao Tian and her gaze would inadvertently fall on his lips "I... didn't expect you would suddenly kiss me like that. I am your teacher youknow?"

Zhao Tian shrugged "I won't even go to college anymore, so you are technically not my teacher. Why? You didn't like the kiss?"

Mei Xiu shook her head "N-No, it's not like that..." In fact, she enjoyed the kiss, His lips brushing hers felt too good for her.

But the thing that's bothering her mind is... is it just like a one-time kiss for the gifts o-or is there any meaning behind it.

Zhao Tian continued to drive to his car and as she stopped in front of a traffic signal, he casually turned his eyes to look at the vehicle beside her.

Hm? A frown appeared on his face when he looked at the luxury car near him and the young man sitting inside it 'Zhu Xian, so here you are...'

After Teng Zen and Jee Ling's attack, Zhao Tian tried searching for Zhu Xian but he couldn't find him. Seems like he is in the nearby city.

...

vroom The car pulled over to the apartment and as Zhao Tian stopped the car, a soft sigh escaped Mei Xiu's lips "Thank you for today, Tian!"

Zhao Tian gave a nod and Mei Xiu slowly exited the car "Bye!" she waved at Zhao Tian before walking to her apartment.

And as Zhao Tian was about to turn the car, he noticed the gifts in the back seat.

...

tap *tap* Mei Xiu quickly ran over to her apartment and dashed to her room closing the door.
thud "Xi-eh?" Li Qianzhi was startled as Mei Xiu entered her room without saying anything.

thud She excitedly jumped onto her bed, her face beet red, again thinking of the kiss, Her fingers involuntarily touched her lips as she remembered the soft sensation of his lips over hers.

"Uhhhh that guy..." she yelled rolling on the bed. Did he do it for the gift? Or just a tease? Or some hidden feelings? b-but... he is so handsome, he even rejected many other girls and I am not that beautiful.

So there is no way, he is interested in me, right? Various thoughts encircled her mind and she couldn't control as her heart beat rapidly in her chest.

What is our relationship now?

knock But at this time, she heard a knock on her room door and she was surprised. "Grandma?" she called faintly as she walked near the door and opened it.

But seeing Zhao Tian, she was dumbfounded "T-Tian?" With a chuckle, Zhao Tian entered her room with the prizes he won "You forgot this..."

"Ah!" Only then did Mei Xiu realize about the gifts "I completely forgot about them." Zhao Tian placed the gifts on the bed and turned to look at her "You forgot another thing." he spoke with a playful smile on his face.

"Hm?" Mei Xiu was confused hearing this and saw Zhao Tian walking towards her "H-Huh?" she took two steps back as he walked closer to him, but since her room was not big her back hit the wall.

"Gotcha!" Zhao Tian muttered grabbing her waist and pulling her closer, her chest hitting his. Mei Xiu was all shy in his arms and she averted her gaze not being able to look at his eyes, her face flushed with embarrassment.

smooch Zhao Tian planted a kiss on her rosy cheek and her body flinched, the blush on her face deepening. She shyly moved her eyes to him and as Zhao Tian brought his face closer to hers, she unconsciously opened her lips, closing her eyes.

Again feeling his lips, a shiver went down her spine and she couldn't resist the intoxication as she indulged herself in savoring the warmth of his touch.

A little later, Zhao Tian gently ended the kiss and started to plant soft kisses on her cheek. Mei Xiu closed her eyes, surrendering into the moment, and lovingly embraced him by wrapping her arms around his neck. "Tian~" she let out a sigh.

The sensation of his kisses left her gasping for breath, her body responding eagerly to his touch.

smooch As Zhao Tian continued to shower her neck with kisses, her hands instinctively clung tighter to his neck, her racing heart betraying her words as she whispered "Tian, we are going too fast..." she mumbled out his kisses leaving her breathless.

Zhao Tian slowly withdrew his lips from her delicate neck, his warm breath tickling her skin. "I am leaving..." he whispered in her ears before letting go from her waist.

thud Mei Xiu leaned back on the wall for support as she felt her legs give up just from his touches. With a chuckle, Zhao Tian left the room.

After he left, Mei Xiu's fingers caressed her neck, and a smile slowly spread across her face. "What a bastard.."

Chapter 102: A talk with the Queen!

Inside a villa-

"Haaangh~ Haangh~!" A woman was riding a young man's dick and the woman had a sly smile on her face looking at the young man "Young master Zhu, are you liking it...?" she purred, her voice dripping with seduction.

Zhu Xian smirked and grabbed her hips moving her faster. The woman let out ceaseless moans "Hnggghh~ Youngmaster Zhu you are so awesome... your huge dick is almost near my womb... Hhnggh~ yeah"

smooch She leaned down kissing his lips and Zhu Xian grabbed her neck kissing her back.

knock At this time, they heard a knock on the room. Zhu Xian was displeased by the interruption "What bastards?"

"Young Lord, we brought her..." Zhu Xian's face lit up hearing this and sat on the bed, a smirk on his lips. "Bring her in!"

The door opened and a guard in a black suit came in with an unconscious woman in his hand and a handbag above her. Zhu Xian grinned and pushed the woman who was riding his dick out of the bed "Get off bitch!"

"What?" The woman was startled "Youngmaster Zhu?" Zhu Xian spoke, "You get out, I have a new food now... not interested in you anymore."

The woman's anger flared upon hearing this. She was a prostitute and Zhu Xian brought her here promising her money and villa. "Then my money?" she asked.

"Fuck off!" Zhu Xian yelled and the woman gritted her teeth as she stood up taking her clothes. "Your dick is so small that I kept fake moaning..." she yelled before leaving the room.

"WHAT?" Zhu Xian's lips twitched "That bitch!" she muttered and looked at the woman in the guard's hand "Put her in the bed."

The guard came in and put the woman on the bed. "You leave..." Zhu Xian spoke, and the guard left the room with a bow, casting an envious glance at the woman on the bed that he couldn't enjoy a woman like her.

Zhu Xian noticed this "I will give it to you guys after I done playing with her." The guard was surprised and bowed again "Thankyou, Young Lord." *thud*

Zhu Xian smirked "Just like I thought she was beautiful." he said looking at the woman on the floor. While driving the car around the city, he saw a woman walking on the pavement.

Seeing her, he was so interested in her and asked her guards to kidnap her and bring her to him. "Huh? Why the fuck did he kidnap her bag too..." he spoke throwing the bag away from her.

"Hmm.. they forgot to give her the Aphrodisiac? It will be a pain in the ass if she woke up and resisted."

He strolled over to a drawer that was close by and opened it revealing a glass bottle with pink liquid in it. *thirrsshhh* "Aaarrghhhhh!" Suddenly he heard a scream from outside.

Zhu Xian panicked upon hearing the blood-curdling screams "What happened?" he rushed to the door and flung it open, his heart racing with fear as he looked outside.

Seeing his guard burning in flames, he was horrified "H-Huh..." *tap* His eyes glanced at Zhao Tian walking towards his room "A-Aren't you?"

Zhu Xian instinctively took a step back in fear "W-What are you doing her- Aaarrghhhhh!"
However, before he could finish his sentence, a searing agony ripped through his body, causing him to cry out in pain. *thriishhh*

In a matter of seconds, his body became engulfed in flames and his burnt body fell on the floor.
thud Zhao Tian casually walked into the room and took the woman's body from the bed. His eyes fell on the handbag and he took it too.

He gently lifted her body onto his shoulder and used his astral sense "Where is the kitchen?"
woosh

As she stepped out of the luxurious villa after wearing her clothes, the woman was seething with rage "What a fucker! Promised me of money... and gave nothing. Fucking bastard...." she muttered in anger.

As she continued to walk on the side of the road *BOOOM* a huge explosion sound reverberated around the area and because of the shockwave, she stumbled on the floor. *thud*

"The fuck?" She turned around and saw the villa she was just in was burning brightly. *frissh* Her heart shook in horror seeing this. She would have been dead if she was there just now.

"T-Thank you bastard for saving my life..." She hurriedly stood up and ran away from there.

Zhao Tian watched the villa burning with the woman still lunging on his shoulder. *swish*

...

Sitting on a bench in the park, the woman's eyes fluttered open "H-Huh?" she was confused.
"Where am I?" she shook her head slightly dizzy.

"Are you okay?" Suddenly she heard a charming voice and turned her head. *gasp* She gasped in shock looking at the handsome man sitting beside her and her words stammered "U-Uh..."

Zhao Tian smiled faintly "You were collapsed on the floor, so I brought you here to the park. How are you now..." he spoke as he handed over a bottle to her.

"I am... okay." she muttered, feeling rather confused. She remembered someone pressing something against her face and she fell unconscious. Huh? Am I daydreaming?

With a shy smile, she took the water bottle from his hands "Thank you..." she spoke and drank some water. Zhao Tian spoke, "Your belongings are on that side..."

The woman glanced at her handbag and nodded her head "Thank you again." With a nod, Zhao Tian stood up "Ok, then..."

"Hm..." The woman gave a nod and glanced at his back "What a good-looking guy, should have asked for his number."

...

tap A woman with long pink hair, wearing a veil on her face walked through the grand hallway and was greeted by a female servant. The female servant bowed her head "Her Majesty is inside."

Ling Xin nodded and the female servant opened the door as Ling Xin entered the room. Ning Xue who was looking at an Envisage shard smiled "Xin'er..."

Ling Xin walked in and knelt on the floor looking at Ning Xue who was sitting on the bed "Your Majesty." Ning Xue shook her head helplessly "You and Hua'er are the same."

With a faint giggle, Ling Xin stood up settling herself on the couch "What are you looking at, Your Majesty..." Ning Xue spoke tilting her head "Just some images brought by Hua'er from the human world. I am quite curious about these normal people"

Ling Xin asked "Your Majesty, if you want you can go and just visit the human world." Ning Xue shook her head with a soft sigh "My body is not in a good state for long travels..."

Ling Xin remembered about Ning Xue's disease and changed the topic "By the way, where is Lady Hua..."

Ning Xue rolled her eyes as she lazily fell back on the bed "Oh? She again returned to the human world... I heard some interesting things happen inside the Ancient ruins. That someone suddenly appeared and broke the barrier."

Ling Xin nodded her head "With just a touch he broke the barrier." Ning Xue narrowed her eyes "I wonder who he is, I heard that he covered his face and all."

"Is it some cultivator from the western side? If it is really a cultivator from there... I have to take action. How dare he enter our Holy Land?" a cold voice escaped her lips.

Ling Xin sighed in her heart and she doesn't want to disclose information about Zhao Tian. "Your Majesty, the reason I came to meet you today was to talk about the Stormweaver sect."

Ning Xue hugged a pillow and nodded her head "Hm... I know none of them returned from the Ancient Ruins. I wonder what happened."

Ling Xin frowned "The Stormweaver sect people tried to kill me and my sect people and they also tried to kill the people from the Golden Flame Sect."

Hearing this, Ning Xue raised an eyebrow "I thought that old guy was up to something when I heard he agreed to enter the Ancient Ruins together. How did you escape from them Xin'er."

Ling Xin showed a faint smile "At that time another cultivator helped me escape and at that time some strong beasts came towards us. The people from the Stormweaver sect were caught by the beast and seems like they all died from the beast's hands." she uttered lies without even flinching.

She had already prepared last night how the Queen would ask questions and how to counterattack with lies.

"And see, Your Majesty... I got some of these treasures too." Ning Xue turned her lazy eyes to Ling Xin's palm and was surprised "A high grade astral stone?"

Ling Xin nodded her head "I got lots of these." the astral stone levitated in the air flying to Ning Xue. Holding it in her palm, she caressed the smooth texture of the astral stone.

"You got lucky Xin'er, it definitely worth a lot." Ling Xin smiled proudly hearing this and at this time, they heard a knock on the door. *knock*

"Your Majesty... the second elder from the Golden Flame Sect is waiting in the Royal Court to meet you."

Ling Xin muttered, "Must be about the Stormweaver sect..."

Ning Xue spoke "Ask him to return as I don't wish to see him now and say I already know about the things that happened inside the Ancient Ruins."

"As you say, Your Majesty!"

Ning Xue mumbled "The strongest Sect... ah, now that I remember it, the competition is coming close. Do you think your sect will win this time?" she asked discreetly glancing at Ling Xin.

Ling Xin smiled wryly "I hope..."

"Haha!"

...

At the same time, in the endless space, a blue object was moving around aimlessly. It looks like a shining blue object.

The bright blue thing turned towards a blue-green planet "This star seems plenty..."

Chapter 103: It is actually a treasure?

is actually a treasure?

"Huh? The fuck do you mean by they are all dead?" An old man sitting on a throne shouted in rage and the elders who seated beneath him flinched in fear. He is the Sect Master of the Stormweaver sect, Lang Jian.

An elder spoke with his head bowed "W-We don't know what happened inside the Ancient Ruins and the Golden Flame Sect have also lost some of their men."

"What we heard from our spy in the Golden Flame Sect was that there was a cultivator with the Sect Master of the Lunar Blossom Pavilion and as they intervened, the Golden Flame Sect elder escaped using that commotion."

"During that chaos, they also failed to clearly look at that cultivator's face."

"Ling Xin?" Lang Jian squinted his eyes as his gaze darted over the elders seated opposite him and found one of them missing "Where is Teng Zen?"

"We wrote a letter to him to go to the Ancient Ruins to accompany our First Elder. But he and Lee Jing never came there. We don't know what happened to them too."

"Tsk!" Lang Jian clicked his tongue in anger "Every fucking thing is against us. After long discussions, we finally got this deal with the Cheng clan to carry out this plan by the three of our sects and now we lost two of our elders?"

Lang Jian spoke in a cold voice "We shouldn't mess up this future plan and if we did... I would kill all of you."

The elders shivered to hear this "W-We will make sure this plan is executed well, Sect Master!" they all said in unison.

Lang Jian nodded his head "Write a letter to Zhu Manor and ask him about Teng Zen."

"Yes, Sect master."

...

wiishh The wisps of smoke continued to rise from the charred remains of the building. Amidst the destruction, a middle-aged man stood there clenching his fist in anger, his eyes turning red looking at the burnt body "Xian'er... my dear Xian'er."

Zhu Wan, with tears streaming down his face, stood beside Xiao Kim. "Xiao Xian...uhhhh." At this time, a man came near Zhu Kim "Mister Zhu, after analyzing we found the reason for your son's death."

Zhu Kim quickly turned his eyes to the Forensic reporter "How?" The man nodded "The gas in the kitchen has been blasted and caused a sudden fire spreading across the villa quickly burning everything."

"Because of that, your so- *grip* Zhu Kim grabbed the man's collar his eyes brimming in rage "What did you say? My son died because of fire? Someone killed him... someone fucking killed him." Zhu Kim shouted, his grip on the man's collar tightening as he shook it vehemently, his voice trembling with a mix of anguish and rage..

The man was bewildered "Mister Zhu, calm down..." However, Zhu Kim, with a menacing look in his eyes, spoke "And, I'll kill him... I'll find and kill him!"

Zhu Wan moved, placing his hand on Zhu Kim's shoulder "Brother calm down. We will find whoever killed Xiao Xian."

tap *tap* Zhao Kim could not stand to witness his son in such a gruesome condition, so he quickly left the room. But Zhu Wan stood there his eyes trembling in intense sadness looking at Zhu Xian's body.

There are so many cops in that place investigating the matter and among them is a female police officer who was very familiar with Zhao Tian, Cai Luo.

Cai Luo's gaze shifted from the charred remains of Zhu Xian to the lifeless bodies of the bodyguards that lay scattered around. Her eyes narrowed 'This is definitely a murder.' a deep sense of suspicion crept into her mind.

Cai Luo approached Zhu Lan and asked "Mr. Zhu. I know that you are in a bad state. But I have responsibility and I have to do my investigation..."

Zhu Wan gave a weak nod and Cai Luo asked "Do you suspect any potential threats who want to harm Zhu Xian?"

Hearing this, Zhu Wan shook his head "No..." If there is, it must be Zhao Tian but he should be already killed by Teng Zen and Lee Jing.

Cai Luo raised an eyebrow hearing this 'Isn't this guy with Zhu Xian when Zhao Tian banged his head on the Ferrari? Then why is he not suspecting him?'

Her gaze again fell on the dead body and her eyes glowed faintly. A soft sigh escaped her lips 'It is that bastard Zhao Tian who killed this guy.'

...

"Tian..." Sitting on Zhao Tian's lap, Chi Miya continued kissing his lips her arms tightly entwined around his neck, his hand grabbing her ass and squeezing it.

Meanwhile, Xia Shenyi who was sitting beside them was engrossed in the blank scroll in her hand "This gives off energy as a valuable treasure, but it's fucking empty."

Chi Miya pulled back the kiss and hugged him tighter, playfully kissing and licking his neck. Zhao Tian affectionately patted her head "You are also getting clingy like Ying'er..."

Chi Miya gently bit his neck leaving a hickey, her saliva still lingering on his skin "My time with you has reduced because of the headaches in the company... so of course I want more of your attention now."

Zhao Tian spoke running his fingers through her blue hair "Miya, I already advised you to sell the company. It will be burdensome to run the company now."

"I know it has an emotional attachment to you as it is your Father's company... but you should let it go. Or how about taking it under the Fei Company and we can change the Fei Company's name to Chi Company?"

Chi Miya nestled her face on his neck "I'll talk with Shui'er about this."

"Urgh, this sucks..." Xia Shenyi yelled in frustration looking at the blank scroll. Chi Miya raised her head hearing her frustrated sigh.

"Sister Shenyi you are quite fed up with that blank scroll, what happened?" Xia Shenyi spoke
"Actually this is a treasure Zhao Tian found in an ancient ruin, but there is nothing in the scroll."

Chi Miya raised an eyebrow "Maybe it is the old trick in the book, Sister Shenyi." Xia Shenyi was confused "What does that mean?"

Chi Miya looked at Zhao Tian "Tian, make a fireball in your palm." Zhao Tian gave a nod and conjured a fireball on his palm as she said.

Chi Miya spoke, "Now bring the scroll in front of the heat and see if anything appears."

"Ohhh!" Xia Shenyi was quite amused and brought the scroll near the flame and the scroll shined faintly as the letter began to appear- fucking not, nothing's happening.

-- Chi Miya was dumbfounded. It didn't work? Za faq?

"Well, I don't have any other ideas..." Chi Miya again nestled her face on his neck savouring the touch of his skin.

Xia Shenyi's lips twitched "I am gonna tear this shit down."

tap At this time, Shi Yixian walked out of her room, and at the same time, Fei Ziyu also came from that side. Seeing Shi Yixian, Fei Ziyu's body stiffened her eyes screaming 'I hate you.'

Shi Yixian didn't mind the little girl and walked towards the hall. Fei Ziyu snorted in her mind 'At least smile or greet, why is she always having such an emotionless face and never talks? And I hate you for hurting my master.'

"My Liege!" Zhao Tian turned his head from the couch and saw Shi Yixian walking towards them "Yixian!" he showed a faint smile.

Shi Yixian glanced at the scroll Zhao Tian was holding and asked "My Liege, are you interested in runes?"

Runes? Zhao Tian shook his head "No. Why you ask?" Shi Yixian's face remained stoic "I asked because you are holding a rune scroll, My Liege."

H-Huh? Xia Shenyi abruptly stood from her seat "Yixian, can you see the scroll?"

Shi Yixian gave a faint nod "I can." "Really? Tian... give me the scroll." Xia Shenyi hurriedly took the scroll from Zhao Tian's hand and showed it to Shi Yixian "Yixian, can you say what is here?"

"There are some runes engraved on it." Shi Yixian muttered and Xia Shenyi asked curiously "Do you know what is this rune for?"

Shi Yixian shook her head gently "No, I didn't study runes. I can only see what's written there." Xia Shenyi frowned "Wait a minute..."

A minute later, Xia Shenyi arrived with a paper and pen "Yixian, can you copy what's written there onto this paper."

Shi Yixian glanced at Zhao Tian and he gave a nod "Do as she says..." Shi Yixian nodded her head and drew the rune inscriptions on the paper.

"Ohhh!" Xia Shenyi was fascinated looking at the copy of the runes. "So what is written there?" Zhao Tian asked curiously.

Xia Shenyi glanced over at him "Eh? I also don't know rune language."

The fuck? Then why did you act like you know everything? Xia Shenyi squinted her eyes "Well, I know some basic thing... but this seems quite complicated. I'll have to refer to some books for a while." she spoke and quickly went to the warehouse.

As she left, Zhao Tian beckoned at Shi Yixian to sit beside him. Shi Yixian obediently sat beside Zhao Tian on the couch "My Liege."

"How is your body now?" Zhao Tian asked and Shi Yixian spoke "It remains the same and forever it will be as my cultivation base is almost broken. The only way I am living right now is because of your Ice energy, My Liege."

"I remember having ice elemental in the past, but your ice is quite potent as it can hold back even an Empyrean flame."

Zhao Tian frowned "As I thought, it is an Empyrean flame."

Shi Yixian nodded her head "Your Ice energy couldn't fully subdue the flame inside my body... so I will constantly need your energy in my body to hold back the flames or I will die."

"How horrible!" Chi Miya muttered in disbelief.

Shi Yixian continued "I can only use my sword and my sword intent. Still I am afraid that it would take a toll on my body if I used it for a long time."

Chapter 104: Again kissing her!

gain kissing her!

pakh *pakh* "Haangh~ Haanghhh~! Tiannnn..." Hearing faint noises, Zhao Ying who was lying on the bed, her eyelashes fluttered open as she brushed the pink strands of hair from her face and turned to look at the scene behind her.

Holding the headboard of the bed, Chi Miya was moaning in pleasure as Zhao Tian pounded her pussy from behind, his hands on her waist.

With a grin on his face, Zhao Tian pulled Chi Miya causing her to lose grip on the headboard as her body fell on the soft bed.

H-Huh? Chi Miya looked at Zhao Tian with clouded eyes "Tian...?" Zhao Tian turned her body, gently grabbing her thighs and spread them in a V shape.

Chi Miya was quite confused as Zhao Tian gently raised her thigh placing it on his shoulder. "Tia-" Zhao Tian again continued rampaging her pussy.

gasp Chi Miya gasped in pleasure because, in this position, his huge dick is again hitting her sweet spot. "Haaaanghh~!" a loud erotic moan escaped her lips and she closed her eyes in ecstasy as her body shook on the bed.

pakh *pakh* Zhao Ying gently moved as she sat on the bed. Looking at Zhao Tian, she slowly crawled towards him, cum dribbling from her pussy because of her movements "Tian'er!"

Zhao Tian who was ramming Chi Miya's pussy turned his head and saw Zhao Ying approaching him, her boobs jiggling seductively with her every movement.

Reaching him, she gently wrapped her arms around his neck taking his lips in a passionate kiss. Zhao Tian reciprocated the kiss, his left hand traveling down groping her ass.

Zhao Ying softly sucked on her lips and he didn't stop his hips movements still plummeting her pussy. Retracting the kiss, Zhao Ying smiled "I am gonna take a bath, Tian'er"

Zhao Tian gave a nod and she disappeared from there. *woosh* Zhao Ying appeared near the waterfalls and she walked in "Tian'er's power of teleporting anywhere inside this artifact is good. Haah!"

Meanwhile, Zhao Tian glanced at Chi Miya her pussy sucking on his cock and he gave a smack on her ass. *slap*

"Haangh Tian~" Chi Miya mewled and Zhao Tian felt her pussy tightening over his dick. "Urgh!" Zhao Tian grunted and increased his pace.

"Angh~ Angh~ Angh~... Tiannnnn..." Chi Miya's body convulsed, her mind overwhelmed by the waves of pleasure that crashed over her. With each breathy moan, she inched closer to her ultimate release.

And then, in a moment of sheer ecstasy, her body trembled uncontrollably as pure bliss coursed through her veins.*squirt* She orgasmed, every inch of her being pulsating with intense delight and satisfaction.

Zhao Tian took her leg from her shoulder and leaned in kissing her lips. Chi Miya who was sensitive felt the pleasure from his dick rippling through her body and she instinctively entwined her legs around his waist kissing him back.

pakh *pakh* "Haangh~!" Gasps of pleasure escaped Chi Miya's lips and Zhao Tian finally came painting her pink pussy with his warm white sperm.

"Mmng~!" Chi Miya's back arched up and as Zhao Tian pulled back his dick, Chi Miya rolled on the bed, a delighted sigh escaping her lips.

...

Looking at Chi Miya sleeping peacefully, Zhao Tian left the room stretching his arms. Shi Yixian who was leaning on the sofa gently opened her eyes and looked at Zhao Tian walking in the hall only wearing pants.

Her eyes quivered a little seeing him and Zhao Tian also noticed her face changing a little. This is the only time Shi Yixian has a little emotion on her face instead of her stoic face.

Shi Yixian also knows that Zhao Tian is having sex with his women inside the room.

Seeing him, Shi Yixian stood up from the couch "My Liege!" Zhao Tian nodded his head with a faint smile and walked out of the grand mansion.

Shi Yixian followed him out of the mansion and Zhao Tian subtly turned his head "You don't have to follow me every time." Shi Yixian shook her head "How could I not? You are my Liege and I should be around you every time..."

Zhao Tian frowned hearing this "I placed a slave seal on you, so you won't harm me or my women in the future. It's not like I want you as my servant."

Shi Yixian gave a nod "But still, I promised you that I'd be your slave when I was on the brink of burning away. So I should act according to it."

Zhao Tian sighed in his heart and walked toward the array "I am going to cultivate...." Shi Yixian nodded her head and stood there watching over him.

...

Looking at Zhao Tian cultivating under the blue array, a hint of fascination flashed in Shi Yianian's eyes "The amount of astral energy his body sucking in is great. With this pace, I guess he should have started cultivating long ago."

"Even though there is an array, the cultivation speed is still fast. My Liege is quite... unique."

tap "Phew!" At this time, Xia Shenyi walked towards Shi Yixian. Shi Yixian, on the other hand, remained silent, her gaze briefly meeting Xia Shenyi's before turning away

Xia Shenyi who knows about her personality smiled wryly and spoke "It is hard to decipher that... I am still on it."

Shi Yixian gave a small nod turning her attention back to Zhao Tian."My Liege's cultivation speed..." she muttered and Xia Shenyi smiled "Oh, I forgot to tell you this, but Tian actually has the Honoured One's physique."

A slight frown appeared on Shi Yixian's face "The Honoured One? I kind of feel like I have heard this name somewhere." she mumbled under her breath.

Hm? Wait! At this time, Xia Shenyi realized that since Shi Yixian is from the Astral Realm, she should know more about this physique right "Yixian, do you know anything about this physique?"

Shi Yixian closed her eyes trying to remember and spoke in a low voice "The Heaven-defying physique... It is said that when this physique appears, the whole Realm would welcome the arrival of the Honoured One."

The whole realm? Xia Shenyi squinted her eyes "Anything else?"

"I... remember hearing that there have been only two people who were born with this physique... uh..and...hm?" Shi Yixian frowned slightly as she couldn't just remember.

"My memories are still a little fuzzy..." Hearing this, Xia Shenyi nodded "Don't strain... tell me when you remember."

Shi Yixian spoke "I am surprised that My Liege has the most powerful physique. I guess... I am honoured to be under him."

A dry smile appeared on Xia Shenyi's lips - _ - Don't say that with a straight face, it kinda feels odd.

...

clank The clanging sound of the plates and the sizzling of the food echoed through the kitchen as Mei Xiu continued stirring the Frying pan with the spoon in her hand.

Her eyebrows twitched in frustration "That bastard... if he comes today I am surely beating him..." she muttered continuing her cooking.

"Beating me?" Suddenly she heard his voice startling her and Mei Xiu quickly turned her head "T-Tian?" she stammered, her gaze meeting his as she saw him casually leaning against the kitchen's door frame.

Seeing the playful smile dancing on his lips, her anger melted as a subtle blush took over her face and she gently turned her gaze away, her heart flooding with embarrassment.

"Xiu!" His gentle voice reached her ears and she saw him walking towards her. His hand gently slid around her waist taking her in his embrace and the spoon slumped down from her hand.

Seeing the angry and aloof woman being cute and embarrassed in his arms, Zhao Tian chuckled faintly and leaned in for a kiss.

Before their lips could meet, Mei Xiu interrupted the moment by placing her hands on Tian's shoulders, gently pushing him "Tian... um... I feel like this is all going too fast."

Zhao Tian frowned slightly and she raised her head looking into his blue eyes "I mean... you kissed me two times, Tian... i-its not like I dislike lit, rather I am happy."

Her fingers pressed down on his shoulders as her eyelashes quivered in uncertainty "A-Are you serious about this? This relationship?"

She hesitated "I-I don't want to get my hopes up and..." she raised her right hand gently hitting his shoulder "If you said that this is a prank or joke... something like that, I would kill you, bastard," she muttered looking down at the floor, her heart racing in anticipation to hear his reply.

A chuckle left Zhao Tian's lips as he delicately raised her chin causing her brown eyes to meet his and he could sense the nervousness emanating from her as her eyes quivered slightly under his gaze.

He didn't say anything and softly pressed his lips against hers. Her grip on his shoulder loosened feeling the gentle caress of his lips and she couldn't but give in as she gently closed her eyes.

smooch She reciprocated the kiss, her hands moving around his neck gently clasping it and imitating his lips's movements.

"Huff!" Pulling back from the kiss, Mei Xiu exhaled deeply trying to calm her racing heart. But she couldn't take it anymore and quickly buried her face in his chest In embarrassment, a small smile spreading across her lips, a mixture of shyness and satisfaction evident on her face.

It has been bugging her mind for the past two days as she was not so sure about their relationship and now she was contended.

"So, why were you angry with me?" Zhao Tian asked and Mei Xiu gently lifted her head, her hand traveling down pinching his waist

"Where did you go for two days, you bastard? I was worried... because you k-kissed me and suddenly disappeared like that."

Zhao Tian chuckled "You could have called me..." Mei Xiu shook her head "No, that is so embarrassing..."

At this time, Mei Xiu remembered something and her eyes crescented in worry "Tian, my grandma..."

...

woosh A woman wearing a police uniform was quickly dashing through the air, her eyes glancing down at the city and her eyes narrowed "Where is he?"

Chapter 105: Against the woman!

creek Zhao Tian entered the room and saw the old woman lying on the bed weakly. As both Zhao Tian and Mei Xiu entered the room, Li Qianzhi raised her head and smiled "Tian!"

Zhao Tian walked to the chair beside the bed and sat on it. Li Qianzhi glanced over at Mei Xiu "Xiu'er, you were cooking, right? you can go and continue that..."

"Um, okay." Mei Xiu nodded her head and left the room. Li Qianzhi smiled looking at Zhao Tian "My body is getting weaker and weaker... seems like there are no medicines for old age haha" she muttered with a chuckle.

Zhao Tian had a frown on his face and inserted his hand in his pocket taking a pill bottle from his storage ring "Grandma, I have a good medicine for you that would instantly cure your illness."

Li Qianzhi squinted her eyes looking at the pill bottle "Pills created by cultivators?"

Zhao Tian raised an eyebrow "Grandma, you know about cultivators?" With a light laugh, Li Qianzhi nodded, "My husband is Li Jie's friend.. that means my Husband is also a military officer."

"He told me some things about cultivators and I know quite the basic stuff but I am surprised that you were also a cultivator... haha. Seems like Xiu'er got a strong friend."

Zhao Tian just smiled "Since you know, I don't have to explain much, this is body temperi-" "No need, Tian." Li Qianzhi interrupted with a sigh.

Li Qianzhi spoke "I have lived my life enough... I don't wanna prolong it anymore. It is already time to meet my Husband..."

"I have been a burden to Xiu'er over the past years and she worked hard to pay my hospital bills and take care of herself too. I... don't wanna bother her anymore."

Zhao Tian spoke "You don't have to worry about money..." Li Qianzhi shook her head "No, Tian... I will remain a burden to her and as I said... I don't want to prolong this life."

She smiled looking at Zhao Tian "But before leaving, I am glad that a good guy like you is her friend. Now I don't have to worry about her and can be rest assured."

A sigh escaped Zhao Tian's lips "Are you sure about this?" Li Qianzhi nodded her head "Damn sure, haha."

After a little while, Mei Xiu entered the room "Tian, the food is ready, and Grandma..." Li Qianzhi shook her head "I am not hungry right now. Go and serve for Tian first."

...

creek Mei Xiu again pushed the door's room and Li Qianzhi turned her head "Is he gone?" Mei Xiu smiled sweetly "Yeah, he left after eating lunch."

Seeing her granddaughter smile, Li Qianzhi couldn't help but tease "Seems like you got so close with him, Xiu'er..."

"I..." Mei Xiu muttered before looking away embarrassed. Seeing her granddaughter's face Li Qianzhi was surprised "Don't tell me, Xiu'er you actually managed to..."

...

click As Zhao Tian opened the car door to enter *tap* *tap* he heard distinct footsteps and turned his head curiously. There he saw a policewoman walking towards him.

Huh? I couldn't sense her presence at all. He mumbled in his mind and narrowed his eyes as he felt a powerful aura emanating from the woman startling him.

"Seems like you are not hiding anymore, Miss Cai." He spoke, he always felt the policewoman was secretly a cultivator as he noticed a spark of astral energy within her in the past whenever he saw her.

But now she is not hiding and Zhao Tian tried to sense her cultivation 'Fuck! she is more powerful than me. Monarch stage?' These thoughts raced through his mind as he narrowed his gaze.

tap Cai Luo quickly walked over to him and *clank* "Mr.Tian, you are getting arrested for murder."

Huh? Zhao Tian gazed down at the handcuffs that encircled his wrists and *crack* he broke the metal handcuffs into pieces, a small frown on his face "For murder?"

Cai Luo sighed in her heart as she knew he would break it easily. *grip* In the next instant, she firmly clasped onto his right wrist, her grip tightening. "Yeah for murder." she nodded as she dashed into the air. *woosh*

In mid air, Zhao Tian raised his left arm punching her and Cai Luo easily blocked his punch with her left hand. *fwish* As he raised his leg to kick her, Cai Luo let go of his hand dodging his kick.

flick Using space ripple steps, Zhao Tian instantly retreated back a few steps creating distance between himself and the policewoman, as he raised his head looking at the policewoman floating in front of him.

'Why am I always getting chased by some problems? Now, I have to deal with this woman?'

Cai Luo spoke a little confused, "The first time I saw you, you were a regular human but now, suddenly you are in the 8th level of Sovereign Astral Stage, how?"

"I don't know, maybe your Astral Sense is defective." The reason is that in the beginning, Zhao Tian's cultivation base was hidden by Xia Shenyi but now Zhao Tian is concealing his aura by his own accord.

"Quite a nasty tongue you have." *fwish* She disappeared from his sight and Zhao Tian felt a punch coming toward him. He instinctively took his sword from the storage ring and *clank* he blocked her punch with the sword.

woosh But the force sent him hurling in the air and Zhao Tian quickly stabilized his body 'She is not using her full power.'

Hmm? Cai Luo glanced at her hand "My hand is kind of tingling... what is that sword? What grade?" she took a glimpse of the black sword in Zhao Tian's hand.

woosh Cai Luo again appeared in front of Zhao Tian trying to punch him. *clank* Zhao Tian again parried with the sword because he knew even if she was holding back, taking her punch on his body would be fatal.

clank *clank* *clank* The sound of metal clashing filled the air as Cai Luo continued to do a barrage of punches around him as if she was testing him and Zhao Tian, his movements fluid, deftly blocked every punch that came his way.

fwoosh "Are you really in the Sovereign stage? Your reflexes and power seem like you are in the Emperor Stage." A low mutter escaped her lips.

clank The two of them again collided in the air exchanging blows and Zhao Tian knew very well that she is holding back her strength and she is just toying with him.

'Got you!' Blocking her punch with the sword, he deftly swirled the sword in his hand *sleech* as it pierced through the flesh in her arm.

Hm? Cai Luo raised an eyebrow looking at the injury on her hand and stopped her attack "Not bad!" she spoke squinting her eyes.

swoosh Zhao Tian retracted the sword back into his storage ring and asked "So did I pass whatever you tried to do just now?"

"Oh? You realized I was testing you." Cai Luo asked and Zhao Tian squinted his eyes "Are you getting revenge now for trying to kiss you?"

Cai Luo shook her head "I'll punish you for that later...this time, I came here to talk with you about the death of Zhu Xian."

Zhao Tian rolled his eyes "Ah, yeah... I am the one who killed him."

Cai Luo spoke looking at him in a stern voice "You know very well, that cultivators like you should not intervene in normal humans' problems and kill them. It is against the government's peace treaty with the cultivators."

Zhao Tian shrugged "I saw a woman getting kidnapped by a guy and that guy tried to rape her. So I killed that guy and saved the woman... I don't see anything wrong here. And he is the one to first send people to kill me."

Hearing the story, Cai Luo narrowed her gaze "Well that's a valid reason I guess. Any man trying to rape a woman should be killed obviously."

Zhao Tian gave a faint nod, curiosity dancing in his eyes "Are you the Ombudsman of this nation?" he asked because he heard from Li Jie that the Ombudsman is the strongest cultivator the government has and Cai Luo is in the Monarch stage.

"The Ombudsman?" She again glanced at her outfit. "No, I am just using this police job to blend in with the normal world, I am not necessarily with the government."

"And the Ombudsman of this nation is an old man, not me."

"I see..." Zhao Tian murmured and Cai Luo spoke "Be careful doing things like this. I know you are powerful, but the Zhu family has the backing of one of the top sects in the Holy Land of Zhenzhu."

"If you acted so flashy, you might get caught in the eyes of the people from Zhenzhu. Be cautious... I am leaving you with a warning only because of that 'one' thing."

Eh? "What one thing?"

swish But he didn't get his answer as she was already gone.

Chapter 106: Different kind of dinner?

Sitting on the sofa, Zhao Tian closed the scroll he was reading and tossed it down. "Ah!" Fei Ziyu who is standing behind him on the sofa swiftly caught it and placed it with the collection of other scrolls neatly arranged nearby.

She quickly took a scroll from another set and brought it near him "Master here..." Zhao Tian took the scroll from her scroll and went through the contents.

Fei Ziyu had a smile on her face as she continued to assist. For her, this is more than enough. Even though he doesn't love her, he often has sex with her to increase his cultivation.

And for Fei Ziyu, this is a win-win... as she got to stay beside him and he is also using her body. But she has a glimmer of little hope that one day he will reciprocate her feelings and also come to love her.

tap At this time, Xia Shenyi walked out of her room stretching her arms. Seeing Zhao Tian a smile bloomed on her face, she strolled near him and sat on his lap, entwining her arms around his neck. "Tian!"

Zhao Tian gently held her waist with his left hand as he continued reading the scroll. Curiously, Xia Shenyi peeked to see what scroll was he reading.

A slight frown appeared on her face "You are looking for pills?" Zhao Tian gave a nod "Yeah, I was searching for any efficient pills that can increase my cultivation even more."

What the- Xia Shenyi grabbed his face making him look at her "Tian, your cultivation speed is already great. You have dual cultivation and you are cultivating under the array with such an environment dense in astral energy..."

"You are also sometimes eating pills as candy... and you reached Sovereign Astral Stage in like two months. You are saying this speed is slow? This is just ridiculous... Tian."

A soft sigh escaped Zhao Tian's lips "I am kind of worried, Shenyi." Xia Shenyi narrowed her eyes "What do you mean by you are worried?"

Zhao Tian spoke "I faced death two or more times during my battle with Yixian. Well, she is from the high star, so she is obviously stronger than me."

"But yesterday I saw a woman who was in Monarch Astral stage... and if she wished she could have taken my life instantly instead she toyed with me."

"And I could hurt her only because I had a divine tier weapon with me. If not, I would have blasted away just from her punches." he muttered.

After knowing that cultivation exists in this world, Zhao Tian's top priority was to protect his Mother and Big sister, and now his family has grown even bigger. So he know he needs to be stronger to protect them.

"And this dumb fucking author has added an Overpowered tag to this book instead of weaktostrong tag, so of course I have to be overpowered."

Xia Shenyi let out a giggle hearing this and leaned in closer pressing his face on her boobs "And the answer is right in front of you."

Hm? Zhao Tian raised an eyebrow and Xia Shenyi leaned down whispering gently "Fuck me!"

A smile appeared on her lips "I am a virgin and I have high cultivation that you... so if you dual cultivated with me day and night, you might even cross the Emperor stage quickly. What do you say?"

Zhao Tian chuckled hearing this "Tempting offer, but I'll pass I guess."

Xia Shenyi pinched his cheek "Why? Just break your promise." Zhao Tian shrugged "I can't take back my words..."

"Hmph!" Xia Shenyi snorted and hugged him resting her head on his shoulder. Zhao Tian patted her back as he continued reading through the scrolls.

Fei Ziyu's eyes quivered seeing this, a race of envy in her eyes as she bit her lips anxiously. Even though he uses her body, she longed for affection like this, his gentle strokes and him patting her back softly.

"Hahh!" she could only sigh as she was in no position to ask him love. She could only cherish this Master slave life with him for now.

...

swish Zhao Tian appeared in his new room and glanced through the window and it was already night. He sensed Zhao Suyin and Zhao Ying sleeping in their rooms.

"I wonder if there is still dinner in the kitchen."

As he made his way downstairs and moved towards the kitchen "Haangh~! Hnghh~!" he suddenly heard some muffled moans.

Huh? He instantly turned to the closed door of his Mom's bedroom. Mom? To be convenient, Zhao Suyin chose a room near the kitchen and Zhao Tian was hearing moans from her room.

He slowly walked to her room and gently turned the doorknob opening the door *creek* "Mom?"

Meanwhile, inside the room, Zhao Suyin was fingering herself, her fingers caressing and penetrating her moist folds. Her eyes closed in ecstasy, her body quivering with the intense sensations pulsating through her.

"Hngh~ Haangh~!" Moans of delight escaped her lips as she surrendered to the euphoria of her own touch, feeling the warm release of love juices trickling down her thighs. "Yes... Mmng... Tian'er... fuck.." she gasped, lost in the overwhelming pleasure consuming her.

creek "Mom?" *gasp* But hearing her son's voice, In an instant, her heart skipped a beat, and she hurriedly adjusted her pajamas as she closed her eyes pretending to be asleep.

'D-Did he hear that?' she turned to the left showing her back to Zhao Tian who just entered the room, her heart racing in panic. Zhao Suyin closed her eyes tightly and was so ashamed wondering if Zhao Tian saw her masturbating.

H-Hm? Zhao Suyin felt the bed shaking a little and was confused. Is he in the bed? In the next second, her question was answered as Zhao Tian gently pulled her waist drawing her closer to him.

Zhao Suyin's closed eyelashes quivered as she felt the warmth of his skin hitting her back, his charming voice softly caressing her ear "Mom!" as he embraced her more tightly.

As Zhao Suyin opened her lips, she could feel the warm breath of Tian near her ear, gently tickling her senses. 'Tian'er...' she mumbled in her mind. *badump* As her heart raced with anticipation, she felt his hand slowly tracing a path from her waist, gradually going towards her chest.

Zhao Tian opened his palm softly groping Zhao Suyin's boob over her dress. "Hmngh~!" unconsciously a low moan escaped Zhao Suyin's lips

Seeing that she still showed no sign of resistance, his hand became more bolder. Zhao Tian's gentle fondlings turned into a strong one as he started kneading her breast.

Closing her eyes, Zhao Suyin let out low moans "Mmngh~ Tian'er..." not resisting his touch as she let his hand wander over her.

click With a slight click, Zhao Tian's lips curled into a mischievous smile as he undid the top buttons of her pajamas. As his fingers moved along the fabric, he pulled her shirt aside, unveiling the white bra which is holding back her breasts. Still, Zhao Suyin didn't open her eyes and feigned sleep.

Zhao Tian pulled down her bra as her voluptuous boobs popped out. *gik* Zhao Suyin's body flinched as his warm palm grabbed her bare boob causing a pleasurable sensation to course through her. "Hnngh~!"

Zhao Tian fondled her boob, his fingers sinking in the plushness as he continued changing her boob's shapes to his desire. He gently raised his finger teasing her nipple, circling the areola.

Zhao Suyin's lips quivered as she felt his finger grazing over her sensitive nipple, causing a wave of pleasure to course through her body.

"Hnngh~!" With every delicate touch, she fought to suppress the moans that threatened to escape her lips, biting down on her soft lips in an effort to maintain control.

Zhao Tian gently toyed with Zhao Suyin's nipples, lightly squeezing them and causing her to squirm in pleasure. "Hangh~!"

At this time, she felt something hard and hot hitting her ass. She was shocked to feel his dick rubbing her ass 'My son's cock is so hot... I can feel the heat seeping through the dress! Tian'er...' She didn't show any resistance and unknowingly began to press her ass against his hot dick.

Tempted by the juicy ass of his mom rubbing his dick, Zhao Tian brought his hand down slowly pulling down her pants to her knees. Zhao Suyin also didn't mind this and let him do as he wished.

With a smirk on his face, Zhao Tian pulled down the white panty from her waist showcasing her plump ass delicately pressed together like a bun.

Zhao Tian ran his fingers over her ass, softly squeezing them in his hand. H-Hm? Zhao Suyin's body froze as Zhao Tian slid his finger in between her ass cheeks touching her asshole.

She was overwhelmed with embarrassment as her face flushed a deep shade of crimson 'D-Dear, that's the wrong hole... take your finger from there...' she screamed in her mind.

Feeling her body trembling in his arms, Zhao Tian retracted his finger from her asshole and brought his hand to the front softly caressing her abdomen.

As Zhao Tian's hand traveled down from her abdomen to her crotch, Zhao Suyin bit her lip, her heart swelling in anticipation. Ever since Zhao Tian ate her pussy making her cum, she longed for his exquisite touch on her pussy again.

'Yes, dear a little down...' she murmured in her mind as Zhao Tian's fingers slid down and reached her thighs. 'Ah, no not the thighs...'

Feeling that it might be hard for Zhao Tian if she kept her thighs clasped, she lifted her right leg gently so that Zhao Tian could easily access her pussy.

Seeing this, Zhao Tian moved his fingers to the gap between her two thighs softly brushing her clit. Zhao Suyin felt electricity surge through her body as Zhao Tian teased her clit and a satisfied sigh left her lips 'Yes, son touch me even more...'

Zhao Tian moved, running his fingers along the moist petals of her pink pussy. As he delicately parted the outer folds, he carefully slid a finger inside, feeling the warmth and wetness of her love juices enveloping his finger.

Zhao Suyin's eyelashes trembled in pleasure as she felt his finger plundering her pussy 'Haanhhhh~ Yes, Tian'er... two fingers... one is not enough.'

As if understanding her wish, Zhao Tian slid another finger into her, gently stretching and exploring the depths of her inner walls with his skilled fingers causing her to moan softly in pleasure.

'Ahhhh... mmmnhh... I love you, Tian'er...'

"Hyaangh~!..T-There..." Zhao Suyin let out a breathy moan, her body contorting in pleasure as Zhao Tian skillfully moved his finger in a back-and-forth motion.

"Hmgh~! Angh~!~." Moans of pleasure escaped her lips as Zhao Tian's relentless assault on her body overwhelmed her senses. She tried to suppress her moans, but they leaked out eventually.

With each stroke, his skilled fingers navigated every crevice of her slick entrance, delicately stimulating her most sensitive areas.

"Hngh~!..Haagh~!..Angh~!" Zhao Tian's finger poked and stretched her inner vagina walls with his fingers. And love juices were dripping from her pussy like an overflowing dam.

Seeing that her pussy is moist enough, Zhao Tian took his dick out from his pant. "H-Huh?" Zhao Suyin gasped in shock as her eyes jolted open feeling his hot dick grinding against her ass cheeks "T-Tian'er? what are you....' she stammered, taken aback by his unexpected advance.

Seems like he wanted to eat a different kind of dinner tonight!

Chapter 107: *Mommy*

"Hmnggh~!" Zhao Suyin couldn't help but emit a soft, suppressed moan as Zhao Tian slid his cock in between the inviting curves of her ass cheeks rubbing them in between her thighs.

"Haangh~!" A moan slipped past her lips as she felt his hot cock caressing the outer folds of her pussy intensifying the surge of lust in her body.

Her body convulsed as Zhao Tian continued to rub his hard dick on her moist outer folds smearing his cock with her love juices.

"Mmnggh~!" Her lips trembled in nervousness as she was obviously tempted to give in to her lust and let her son slide in his huge dick but at the same time, she is his mom...

She glanced down and saw his big dick poking out from in between her thighs with each thrust from behind. I-Is he using my thighs to masturbate or does he want to?

With a deep breath, she gathered her courage and turned her head slowly to meet his gaze, her breathing heavy. *huff* Zhao Tian saw his Mom's face flushed in deep crimson and her parted pink lips as she exhaled in pleasure her hot breath hitting his face "Tian'er..." she whispered, her eyes trembling in intense emotions.

He couldn't help but be captivated by her seductive and lustful face which turned him even more as he found it very sexy.

His eyes locked on her tender lips, and he slowly moved closer. "Mom!" he muttered as he planted a soft kiss on her lips. *smooch* HUH? Zhao Suyin's eyes widened in sheer shock as she felt the touch of his lips over her lips.

Gently kissing her, Zhao Tian looked into her silver eyes and seeing her son's tender eyes, the same eyes that held so much love and affection, her heart melted and she couldn't resist him as she kissed him back closing her eyes in blissful surrender.

smooch Zhao Tian greedily sucked on her lips and Zhao Suyin also tried to reciprocate the intensity, lavishing his lips with tender caresses and affectionate suckling to match his fervor.

Feeling her clumsy lip movements, Zhao Tian pulled back the kiss and Zhao Suyin gently opened her eyes *gasp* she again gasped in surprise as she felt the head of Zhao Tian's dick slowly spreading her pink petals. "Hmgh~!"

Their eyes met, filled with desire for each other, and the air in the room seemed charged with lust. The only sounds that could be heard were their heavy breaths and the pounding of their hearts, creating a tense silence that enveloped them both. *badump*

Zhao Tian opened his lips to speak "What do you say, Mom?" he asked as he tenderly caressed the tip of his dick against the pink walls of her vagina.

Zhao Suyin's eyes trembled as a wave of emotions flooded her heart "T-Tian'er *huff* I am your mothe- *smooch* However, before she could complete her sentence, Zhao Tian gently hushed her with a delicate and affectionate kiss.

Pulling back the kiss, Zhao Tian muttered "Think as a woman, not as my Mom..."

Hearing this Zhao Suyin's heart shook "Hnngh~!" she looked down and saw Zhao Tian still stroking her pussy to enter in.

A lot of emotions swirled through her mind and she was so hesitant and she didn't want to reject her dear son as she loves him so much after all. She turned her head, showing her back to him.

She slowly brought her hand down to his dick and placed its head in the pink folds of her pussy "Be gentle my dear..." she mumbled her action spoke louder than her words.

With a smile, Zhao Tian hugged her tightly as he slowly inched his dick deep into her pussy slowly stretching open her tight and delicate pink walls.

"Hnngh~!" A soft moan escaped her lips as she felt the head of his dick slowly opening her outer folds.

He could feel the trembling of her pink folds and how even more wet liquid was dripping from them, coating his thick cock,

He leaned in whispering "Mom, I will completely ravish this beautiful body with every inch of my body, completely making you mine, and will continue to do that forever."

Zhao Suyin's heart raced to hear his words and a slight pain flickered in her eyes as Zhao Tian pushed deeper, causing her pussy to stretch.

Zhao Tian felt a barrier in his path, he kinda expected her to be a virgin but he didn't expect the hymen would stay intact after all these years.

With a soft sigh, he pushed in tearing the hymen and Zhao Suyin gritted her teeth in sheer pain "Urghh~ T-Tian'er..." she whimpered, her eyes welling up with tears.

Zhao Tian slowed down his movements and as Zhao Suyin tensed in pain, he felt her pussy walls tightly clutching on his cock giving him intense pleasure.

"Mom!" Zhao Tian gently turned her head and kissed her lips, while his hands are exploring her boobs stimulating her nipples to alleviate the pain.

Zhao Suyin also eagerly reciprocated the kiss trying to forget the intense pain which feels like almost splitting her body as Zhao Tian's dick is huge to take in.

After a while of kissing, Zhao Suyin pulled away from the embrace, her chest rising and falling rapidly as she tried to catch her breath. *Huff* Gasping for air, she looked up at Zhao Tian with a mixture of desire and anticipation prompting him to move his hips slowly.

As Zhao Tian pistoned his dick, Zhao Suyin still felt a little pain in her vagina but at the same time, she also felt the pain slowly getting replaced by pleasure. "Mmngh~!"

Zhao Tian moved his hips back and forth sliding his huge dick inside her pussy. Zhao Suyin's eyelids fluttered as she felt his dick spreading her pussy with each thrust giving her pleasure.

pakh "Mmngh~ Tian'er~~" Zhao Suyin experienced a sensation where the initial discomfort she had felt began to dissipate, making way for an extraordinary wave of indescribable pleasure that engulfed her mind and body, leaving her completely consumed by its intensity.

Seeing that Zhao Suyin was getting used to it and she was enjoying it, Zhao Tian decided to push himself even further, intensifying his speed and increasing the force of his pounding.

pakh *pakh* With each thrust of Zhao Tian's cock into Zhao Suyin's pussy, she couldn't contain the overwhelming pleasure that coursed through her body. "Tian'er... Tian'er..." Moans of ecstasy filled the room as she called out his name in a breathless symphony of desire.

The sound of their bodies coming together created a symphony of passion that reverberated off the walls, intensifying their connection and heightening their pleasure.

"Haangh~ Dear... Dear.." Zhao Suyin was lost in the sensation of being filled by Zhao Tian, her moans becoming more urgent and desperate as she surrendered herself to the pleasure he was giving her.

pakh "Angh~!!!" Her body quivered uncontrollably as Zhao Tian's throbbing cock expertly explored the depths of her wet pussy.

"Tian'er!" The sensations overwhelmed her, causing her to gasp his name with every breath. Zhao Tian, too, was consumed by an insatiable desire as he relentlessly pounded into her, losing himself in the intense pleasure that coursed through his veins.

Each thrust brought them closer to the edge of ecstasy, their bodies moving in perfect harmony as they both reached the peak of pleasure together.

"As they relished in the taboo pleasure, *squirt* Zhao Suyin came first and Zhao Tian who was also on the edge, *splurt* shot his white magma filling her womb with his semen.

"Tian'er~!" Zhao Suyin's back arched up as an erotic moan left her lips her mind still consumed by the pleasure.

Zhao Tian gently turned her body and removed the whole pajamas. Zhao Suyin looked at Zhao Tian with misty eyes "Tian'er."

With a tender smile, Zhao Tian hugged her in his arms and Zhao Suyin closed her eyes feeling the warmth of his body lingering on her skin.

She doesn't want to think about what will happen tomorrow morning, how to explain this to Zhao Ying, or anything. For now, this night... all she wanted was to be in his arms holding him tightly, to feel his warmth and comfort, to be in her dear son's arms... not as his mother but as his woman!

Chapter 108: Morning with Mom!

In a dimly lit dark room~

fwisshh AThe room was shrouded in a thick, ominous mist giving off an eerie vibe, And in the center of the room, there was a naked woman lying on the bed, her body trembling in horror looking at the dark mist but she couldn't move as she was pressed down by an invisible force.

treikkk "Uh?" The woman's eyes trembled in utter terror as she saw some dark, writhing tentacles creeping out from the swirling mist surrounding the room.

'W-What is this? What the shit is happening?' She screamed in her mind as her body convoluted in the bed. The dark tentacles slowly inched to the woman's body much to her horror.

The tentacles swiftly grabbed both of her thighs slowly stretching them showing her vagina. The woman's eyes shook in fear as the tentacle slowly closed near her pussy.

slick And in one slick motion the tentacle entered her vagina plundering her inner walls. 'Urghhhhhh!' The woman screamed in her mind as she felt the wet tentacles thrusting and writhing inside her, delving deep and even reaching her womb.

"URGHHHHHHHH!" She screamed in horror feeling a terrible pain sweep across her whole body as she felt she was getting sucked by the tentacles.

The woman squirmed on the bed in pain as the tentacle continued to suck her energy leaving her utterly helpless. With each passing moment, she could feel her strength ebbing away, her eyelids growing heavier as her life force was sapped from her body.

screeecchhh The tentacles continued to suck energy from her body and a little later, the body of the woman gradually got skinnier and skinnier, and the woman's life was long gone.

The tentacles voraciously drained her blood and life force, leaving behind only her skeletal remains covered in a thin layer of skin. With a chilling *thriiishh* suddenly black ice covered her body freezing it and in the next instant, it shattered into pieces. *crack*

feen Amidst the dark mist oozing with evil energy, a pair of green eyes opened as a glint of light passed through those eyes. "Hmmm...." a sweet hum echoes through the silent room where tentacles are slithering around.

"The women in the Red Light district are getting tasteless... it's been a while since I tasted a virgin." a feminine voice escaped those tantalizing pink lips.

"Haah.. but still, I finally reached the stage I needed to be. It's time to start with those bitches I guess." a hit of anticipation can be heard in those words.

...

"What? Y-You saw that?" Zhao Suyin yelled and her face turned deep red. With a chuckle, Zhao Tian nodded his head "I even heard my name in between your moans."

"Ahhh!" Zhao Suyin exclaimed burying her face on his chest in embarrassment. She did not expect that he actually saw her fingering herself.

Zhao Tian just smiled seeing her silly acts as she lay on his arms in the soft bed, her silver hair cascading across his hand.

His gaze became tender as he delicately brushed a loose strand of silver hair behind her ear. "Tian'er..." a soft mumble escaped her lips, her fingers drawing circles on his chest.

"Hm?" Zhao Tian responded and Zhao Suyin nestled her face on his chest "We crossed a line, we shouldn't..." she muttered in a low voice.

A soft chuckle left Zhao Tian's lips, his hand on her waist getting firmer "I am sure you are happy..."

Zhao Suyin raised her face, locking eyes with him "Of course I am..." she spoke, placing her hands on his shoulders, gently pushing him onto the bed as she moved sitting on top of him.

A soft smile crept upon her lips, as her eyes softened "I love my son, so much after all... I don't know if it's familial love or a love towards a man... but Tian'er..."

Gently, she reached out and took hold of his wrist, carefully guiding his hand to her boob "I know one thing, if I ever needed to be touched by a man... I want it to be you. I only want you to touch me and see me like this."

Zhao Tian smiled upon hearing this. In a tender gesture, she leaned closer, brushing her lips against his and closing her eyes to relish the kiss, and Zhao Tian reciprocated, gently sucking on her soft, inviting lips.

Retracting the kiss, she placed her forehead over his their eyes meeting "Tian'er, I wish to wake up every day to the feel of your breath on my neck... The warmth of your lips on my skin... The sound of your heart beating with mine..."

"Haha!" Suddenly she burst out laughing amused by her own words. "Maybe I am in love with you after all."

"Ah!" Zhao Tian playfully pushed her onto the bed and leaned in to nuzzle his face against her neck, planting small kisses along her skin. "Haha... Tian'er..." Zhao Suyin laughed, enjoying his teasing affections as she wrapped her arms around him in a warm embrace.

"Hmnggh... my nipples Tian'er... haha..."

Zhao Tian pulled back his lips and Zhao Suyin pinched his cheek a cheeky grin on her lips "We have to freshen and I also have to prepare breakfa-"

gasp At this time, Zhao Suyin realized something and fear gripped her eyes "T-Tian'er..." Her heart raced as she looked at Zhao Tian, her mind filled with worry and anxiety, fearing the worst.

"Mom?" Zhao Tian was confused by her sudden yell. Zhao Suyin's lips trembled "Tian'er, h-how to explain this to Ying'er."

A slight frown appeared on Zhao Tian's face hearing this "I will talk to her." Zhao Suyin's heart shook and she hurriedly shook her head "N-No, Tian'er... don't."

"Hm?" Zhao Tian raised an eyebrow and Zhao Suyin spoke "H-How will she think of me when she came to know I had sex with you... I scolded her for loving her brother and now I..."

Zhao Tian spoke comforting her "Don't worry, Ying'er won't think like that. I'll talk to her."

But Zhao Suyin still reluctant shook her head "No, please Tian'er... don't talk about us with her."

"Then you want to keep our relationship secret from her forever? She is gonna know about it anyway, so let it be today..."

Zhao Suyin who was still conflicted shook her head hugging him "Please understand Tian'er... for now, keep it secret from her. My heart is not yet ready..."

Hearing her persuasion, a sigh escaped Zhao Tian's lips and he gave a gentle nod "Ok then..."

"Thank you, Tian'er!" *smooch*

...

"Haha!" Zhao Suyin playfully giggled, continuing her cooking as Zhao Tian affectionately brushed his cheek with hers his hands wrapped around her waist from behind.

"Are you sure it is not hurting? If you want, Ying'er will do the breakfast." He was concerned that his mother may be pushing herself too hard.

Zhao Suyin turned her head placing a kiss on his cheek "Don't worry, I am perfectly alright... I can cook."

tap *tap* At this time, they heard hurried footsteps and Zhao Ying hurriedly entered the kitchen showing a peace sign "Good morning, Mom!" she spoke still quite sleepy.

"Good morning!" Zhao Suyin showed a fond smile and Zhao Ying raised her eyebrows "They seem even more closer now...'

"Did you guys again watch movies at midnight?" she asked thinking that they might have spent even more time together for them to get close.

Zhao Tian nodded "Yeah, yesterday was quite restless with Mom."

"Hoh..." With a playful glint in her eyes, Zhao Ying closed the distance between them, gradually making her way towards him while Zhao Suyin blushed faintly hearing his words.

"Tian'er!" Calling him softly, Zhao Ying kissed him, and Zhao Suyin saw it from the corner of her lips, perhaps a little jealous because she could not kiss him openly like her daughter.

...

H-HUH?! Zhu Kim stood up from his couch in extreme shock, his hands trembling reading through the contents of the letter.

Zhu Wan who was sitting beside him was surprised by Zhu Kin's sudden yell. "What happened? What does it say"

Zhu Kim turned his eyes at him "Master Teng Zen and Lee Jing did not return to the Sect from the human world."

Zhu Wan frowned "What happened to them? Did they delay in entering the Holy Land"

Zhu Kim spoke "It is said in this letter asking for us to search for Master Teng Zen and Master Lee Jing."

"Maybe they fought some strong people while returning to the sect and... dead?"

Zhu Kim shouted "Don't speak on sense like that... Arrange people to find Master Teng Zen and Lee Jing. What about Xian?"

With a sigh, Zhu Wan spoke "They are still investigating the house searching for any clues. If it is really a murder... they will soon notify us."

"Hmm Good. I want to kill that fucker who dared to kill my son!" he muttered coldly clenching his fist.

Chapter 109: A truck chase!

"Hmmm..." Sitting on the chair Xia Shenyi mused looking at the stack of papers with many rune scribbles, there were also some crumbled papers around her.

She squinted her eyes in thought and she realized something as she quickly took the book flipping the pages. "Where is it...hmm?" she flipped the pages and stopped at a specific page.

"Here it is." She opened the page and brought the rune she drew near it searching for similarities. A hit of surprise flashed in her eyes "A rune related to space energy?"

"I will talk with Tian when he returns..." she muttered to herself as she again began to skim through the book hoping to find more information.

...

screechhhh The loud screeching sound of tires echoed through the highway as a massive semi-truck dashed through the road at high speed thrashing the other vehicles in its path.

vroom The sound of engines roaring filled the air as two cars followed the truck which was speeding through the highway causing utter chaos.

The truck driver clucked his tongue "Fuckers, thinking that bringing protection might catch their eyes... we came with no protection."

"But some bastards still caught us! Shit!" In frustration, he shouted, "Move, damn it!" *thrash* he again blasted away a car in front of him.

vroom As the vehicles relentlessly chased the truck, one of the men inside the car peeked out through the windows with a gun in his hands.

bang *bang* With a steady hand, he took aim at the wheel of the truck and fired, the loud bang echoing through the air. *thud* The shot hit its mark, causing the truck to shudder and the tires to deflate.

screechhhh The truck began to lose balance as sparks emanated from the road and the driver's eyes trembled as he saw the left turn ahead of him "Shit already went down!" In a desperate attempt to save himself, he hastily swung open the door and jumped from the truck.

thud He rolled on the side of the pavement and one of the men in the car shot him *bang* and the bullet pierced through his chest instantly killing him.

crasshhh Losing the driver, the truck lost all its control and tumbled up on the highway its parts crashing into some cars and it stumbled out of the road. Amidst this chaos, the container secured on its back was jostled away, tumbling out of the road.

screech The men quickly pressed their brakes on the cars and headed towards the container that had become separated from the truck.

thud They quickly exited the cars and rushed towards the container. "Go! Go! Go and quickly retrieve the serums."

"Yes, boss!" The men rushed and broke the door of the container. When opened, all you can see is a steel box attached to the center of the container.

"Hurry up!" One man entered, removed it from the center, and rushed outside. "Leave!" They quickly entered their cars and fled from the scene.

fwheen *fwheen* As they rushed out of there, the police cars also came to the scene. *thud* They hurried and saw the devastation that happened on the highway causing huge traffic and chaos on the roads.

"Quick! Clear up the debris..."

"Those thugs in the cars escaped."

"Ask for the helicopters to follow them!"

"First let's clear the traffic here!"

vroom *vroom* The two cars revved their engines and sped through the city streets and they split up as the car with serum went in one direction and the other went in different.

After driving around the city for quite some time, the car went towards a tall building with the name 'Hun' at the top of it. As the gates opened the car entered in.

tap The men inside came out of the car and took the lift to go upstairs. Inside the lift, one of the men couldn't help but let his curiosity get the best of him "Do you know what kind of serum is in it?"

The other man shook his head "Only our Boss knows it."

"Oh, I want to see what that serum looks like!"

"Don't be curious... just shut up and stand there."

"U-Uh, okay!"

fwish As the lift reached the top floor, the doors opened and they quickly walked to the luxurious office.

Standing in front of the door, the man spoke "Boss it is here..."

"Come on, quick! Enter." A hurried voice was heard from the inside. *creek* As the men entered in, the middle-aged man who was sitting on the seat stood up, a hint of madness dancing in his eyes.

"Give me! Give me! hahaha!" He ran towards the man and quickly took the box from his hand. The others were startled to see their Boss act like crazy. Just what is in that serum?

"Leave, leave!" The middle aged man exclaimed and he slowly placed the box on the table with utmost care, his eyes filled with excitement looking at the box.

He looked at the box carefully and was confused "He didn't even put any locks? Haha, what a fool... that guy, Miles Williams." With a mischievous grin, he proceeded to open the box *click*

As it reopened, there was a yellow serum in a glass tube fixated on the center. The middle-aged man's eyes shook in excitement "YES!!! THIS IS IT!!!"

click He quickly took the glass tube and carefully twisted it open. *gulp* Without any hesitation, he quickly gulped down the whole serum in one gulp.

"Haah!" *trash* He threw the glass tube and a smirk appeared on his face. "Let's see what this immortal serum actually does."

"Urgh!" He growled in pain as he felt a stabbing pain spread throughout his body, tearing his muscles and bones. "Arrrrghhhhh!" He screamed in agony and his body convulsed as astral energy flowed into his body.

threiiiK As his body underwent a mysterious transformation, an eerie sense of madness seemed to consume him completely. "YAHHHHHH!!! HAHAAHAHAHA!" With a sinister gleam in his eyes, he let out a burst of maniacal laughter that echoed through the air, reverberating with pure insanity.

...

In the meantime, at the top of another building, inside the private chamber of Fei Lingxi's office "Hnngh~! Master..." a moan escaped her lips as Zhao Tian sucked her nipples pushing her onto the couch, her office clothes disheveled.

Fei Lingxi softly grabbed his head as Zhao Tian's tongue played with her nipple teasing and tantalizing it. With a playful bite, Zhao Tian released her nipple, leaving Fei Lingxi wanting more.

Zhao Tian raised his head and spoke "Oh, I forgot to say one thing..." Fei Lingxi who was enjoying his touches opened her eyes "M-Master?"

"When Miya arrives, buy her company under you and if she wants... also change the name of your company."

Hearing this, Fei Lingxi was startled "C-Changing the name is very hard Master..." Feeling Zhao Tian's breath on her neck as he leaned in closer, she couldn't help but shiver "I don't know if she asks, you have to change it!" he muttered before kissing her lips.

Unable to withstand the overwhelming temptation, Fei Lingxi found herself succumbing to his desires as she passionately reciprocated the kiss, fervently indulging in the sweet sensation of her Master's lips against her own.

BOOOOM At this time, an earth-shattering explosion reverberated through the air startling Fei Lingxi and her heart skipped a beat in panic.

"M-Master..." In fear, she hurriedly hugged Zhao Tian and he hugged her back with a frown on his face "Don't panic..." His soft voice reached her ears and Fei Lingxi was surprised because this was the first time, Zhao Tian was holding her gently... not being rough with her.

His gaze narrowed and he used his astral sense to check what the fuck was happening. Hm? He saw a building two blocks from here and the top of its building was burning.

'Such dense energy...' Zhao Tian patted Fei Lingxi and she slowly retracted her arms. Rising from the couch, he made his way out of the private chamber. Fei Lingxi also quickly organized her clothes following him.

As they stepped into her office, Fei Lingxi saw a company building at the distance burning through the glass and was startled "From Hun Chen's company."

"Lingxi, you go back!" Fei Lingxi hurriedly nodded her head and *swish* she disappeared from there. *woosh* Zhao Tian also dashed towards the building to see what is happening there.

...

"Ahhhh!" The people inside the Hun company were panicking as they heard the loud explosion sounds from the upper floor. "Run! Run!"

Smoke and debris filled the lower floors as everyone panicked and ran for their lives. Not trusting the elevators in this chaotic situation, they all took the stairs.

...

fwish As Zhao Tian flew near the building, *boom* a sudden explosion shattered the top of the building, sending debris flying in all directions. *fwoosh* From the wreckage, a green light dashed out slowly shining on the surroundings.

Zhao Tian frowned and quickly cast a barrier in the air and around the company, so normal people couldn't see what was happening In the air.

"Ok, now what fucked up thing is this?" He muttered as he looked at the creature floating in front of him.

It is no longer human as it is more than 10 feet tall now and its skin is purple in color with some fur in it. Its face was disheveled like that of a wolf with large teeth and menacing fangs.

Chapter 110: Fighting Hun Chen!

"GYAHAAAAHA!" Hun Chen's vicious laughter rang shaking the air for a second. Zhao Tian frowned seeing his appearance 'What happened? Is this a mutation? Maybe his mother is a human and his father is-huh? how is this possible?'

He glanced at the creature's features and noticed something. Hm? Why does each part look different? Skin like those arachnoids, those huge teeth look like Smilodon, the fangs, and the face Fenrisulfr wolf?

Judging from the power level, it seems like it is in Sovereign Astral Stage. His gaze fell on the lower floors of the building and saw still people running out of the company in panic.

"GAHAHAHA! Now I am Immortal... who can defeat me? Oooooooo" He spoke as he let out a ear piercing howl looking at the morning sky and Zhao Tian frowned in irritation hearing the noise.

Feeling the presence of someone near him, Hun Chen's green eyes peered at Zhao Tian, a hint of amusement playing on his eyes "A cultivator? You guys are quite fast."

Hun Chen's nose moved as he sniffed around "Hm, a barrier. Hahaha... you people from the government are really doing their best to keep the existence of cultivators hidden from normal people."

"So, are you from that Secret Organization in government? You look so young...gikigiki." He laughed strangely.

Well, Zhao Tian has no enmity with Hun Chen. He just came to check about the explosion, nothing much. He sensed the people were still leaving the building and he was also curious about his BEN 10 transformation, so he thought of talking a bit.

"Hm... what happened to your body? You have a dense aura and your features are also combined with many other Astral beasts." Zhao Tian asked with a frown.

"KIKIKIKI!" Hun Chen chuckled "Did you really think I would converse with the likes of a cultivator? What? Scared to fight me alone? Waiting for your friends to arrive? KIKIKIKI how pitiful..." Hun Chen laughed menacingly as he stretched his arm, his claws growing in size.

Zhao Tian shrugged "So you don't like to talk?" *woosh* he appeared in front of the ten-meter creature and punched, his fist directly falling on its face "Then you can die."

boom His fist crushed Hun Chen's face as he was blasted away in the air. *swoosh* Like a leaf caught in a cyclone, Hun Chen's body spun and twisted uncontrollably but he quickly managed to regain his control in the air.

shish His crushed face slowly began to heal and in the next instant, it was as perfect as before. He licked the lingering blood and smirked "My first time flying, I still have to learn controls... KIKIKIKI!"

Hun Chen let out a mocking laugh as he again lunged towards Zhao Tian, his sharp claws outstretched, *flick* As the claws inched closer to his face, Zhao Tian simply caught the claws *crack* breaking them.

"Awwuuuuuuuu!" Hun Chen howled in pain and Zhao Tian again kicked at his face blasting him into his own company building. *thrashh* As he fell, the debris again began to fall as the building shook lightly.

The people have already left and it is okay for Zhao Tian to attack with ease now.

Pushing away the wreckage, Hun Chen stood up on the building with no injuries. Zhao Tian raised an eyebrow, 'He does not have light energy... Did he mean it really when he said he is immortal now?'

A frown appeared on his face as he again thought about the Astral Beasts combined 'Oh, so he has mixed most of the Spirit Beasts with quick healing abilities. Especially that Fenrisulfr wolf, its healing can be compared to healing with light energy.'

'These fucking scientists would do anything with everything they find.'

Hun Chen grinned looking at Zhao Tian. *SWISHHH* Huh? Zhao Tian was surprised as he saw an overwhelming green energy swirling around Hun Chen's body *treik* and his body got even bigger.

'He skipped cultivation base and now how his power is equal to Emperor Astral Stage? What?'

thrash Pushing away the debris, Hun Chen again hurled at Zhao Tian "Surprised at my power?" he asked punching at Zhao Tian.

Zhao Tian blocked the punch and Hun Chen continued "You can't simply gauge our power in cultivation scales, this is quite different... KIKIKI!"

'Our'? Zhao Tian frowned and *swish* his black sword with a purple hilt in his hand. *sleech* Without hesitation, he slashed the sword at Hun Chen and Hun Chen retreated back a few steps, but the sword still managed to cleave his chest a little.

"That was shallow." Zhao Tian muttered and Hun Chen narrowed his eyes seeing the blade 'What grade it is? Its aura alone is overpowering...'

"Seems like you also got some good stuff under your sleeves." Hun Chen spoke and the cleave in his chest also healed instantly.

'What is this cheat code? He instantly jumped cultivation stages and also has instantaneous regeneration.' Zhao Tian mused.

wiish Leaving traces of green wind energy beneath his feet Hun Chen dashed toward Zhao Tian trying to punch him.

clank But Zhao Tian parried the punch with his sword and pushed it further *kleech* His sword mercilessly pierced through Hun Chen's arm.

ssish Hun Chen just laughed as his cut-off grew in the next second. "You can cut them all, but I will still heal!"

clank *clank* Zhao Tian swiftly deflected the onslaught of wind attacks with his sword, the metallic clangs of the clashes resonating in the air. Hun Chen laughed "Not bad, Not bad!"

Zhao Tian narrowed his gaze 'His wind powers are utterly useless, he has only physical prowess and healing ability got from beasts.'

swish Zhao Tian used his short-distance teleportation and Hun Chen's eyes widened in shock looking at Zhao Tian right in front of him "Whe-".

kichik At the next second, Zhao Tian's blade pierced right through Hun Chen's heart. And Zhao Tian didn't stop there, *klich* with a quick twist of his sword, he pulled it upwards, slicing through Hun Chen's chest and face in a single, deadly motion.

"AGGHHHH!" Hun Chen screamed in excruciating pain as his face was split into two from the heart and it also began to heal quickly.

"Still more!"

flick Zhao Tian flicked his finger as a burst of red lightning shot from his body crackling in the air. Huh? Hun Chen couldn't help but feel a sense of unease at the sight of the unusual red lightning.

crack *crack* The red lightning dashed through the air and swiftly struck Hun Chen's body. "ARGHHHHHHH!!!" The intense pain of the electric current coursing through him caused Hun Chen to let out a guttural scream of agony, feeling as though every fiber of his being was being torn apart and seared by the powerful force

The red lightning continued to swirl and dance within his flesh and bones, leaving him in a state of utter terror and torment as he struggled to endure the excruciating pain.

"Arghhh!" After a while, the relentless barrage of red flashes of lightning stopped and Zhao Tian glimpsed at the charred body of Hun Chen floating in front of him.

badump Hun Chen's heart pounded, feeling a rush of energy coursing through his veins. Suddenly, a swirling vortex of vibrant green energy appeared within him, causing his previously injured body to rapidly regenerate and heal before his eyes.

swish Zhao Tian was quite pushed back away from the overflowing energy erupting from Hun Chen.

"KIKIKI!" Hun Chen laughed like a maniac as he felt the power surging within him. "I am immortal!"
